Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. William W. Zeiler of Florence
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4, SM Sec. 11, T. 10 R. 20
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Domestic
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been April 15, 1962
continuous use for home & garden
also for stock use
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallon per minute
no draw down
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof one half acre of garden and yard
owned by William W. Zeiler
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal drawn by pump

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater November 21, 1961 - November 25, 1961
- 8. The depth of water table 27 feet from ground level
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater deep well pump, jet type 1 1/2 inch intake, 5 inch casing, 38 feet deep
- 10. The estimated amount of groundwater withdrawn each year 2,555,000
- 11. The log of formations encountered in the drilling of each well if available 0 - 10' pit
10 - 33' clay, sand and granite gravel
33 - 38' sand gravel and water
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none known

Signature of Owner William W. Zeiler
Date February 16, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Emil E. Edinger of Florence
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based irrigation and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been August, 1963, continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 miners inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NE 1/4 Sec. 13, part of SE 1/4 Sec. 12, S. of East Side Highway, in T. 10 N., R. 20 W., part of SW 1/4 Sec. 7, and part of NW 1/4 Sec. 18, S.W. of East Side Highway, in T. 10 N., R. 19 W., property of Lydia and place of use, if possible.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Located in NE 1/4 Sec. 13, T. 10 N., R. 20 W. Pump water out with 25 hp electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Started June, 1963, completed August, 1963.

8. The depth of water table varies from 9 feet in winter to practically surface in summer

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater dug well, fourteen feet deep and five feet in diameter, with five foot corrugated pipe used as casing.

10. The estimated amount of groundwater withdrawn each year 50 miners inches for four months continuous use; 300 gallon per day continuous all year.

11. The log of formations encountered in the drilling of each well if available 3 feet top soil, sand and gravel to 14 feet, bed rock at 14 feet

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Archives B and Ueda Dietzma Florence (Name of Appropriator) Florence (Town)

County of avalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. House Hold Town & Garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1943

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 50 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 1/2 acre

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. 1 on Lot 4 1 on lot 3 Block 2

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Lot 4 well 1943 Drilled 58 ft
Lot 3 well 1900 Hand dug - 1956 drilled

8. The depth of water table. 10ft more 22ft No 4 22ft No 3

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Lot 4 58ft Lot 3 58ft

10. The estimated amount of groundwater withdrawn each year. 1/2 acre of House Hold use

11. The log of formations encountered in the drilling of each well if available. No known

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Archives B Dietzma
Date 1-13-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

o'clock PM

Lot 1-Block 3 Florence

1/4 Sec. T. R.
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

Static Water Level for non-flowing well 51 feet.

Shut-in Pressure for Flowing Well.....

Pumping Water Level..... 54 feet
at..... 14 gal. per minute.

Discharge in gal. per min. of flowing well

How Tested Baled-2 hours

Length of Test pumped-1 hour

Remarks: (Gravel packing, cementing, packers, type of shutoff) 1 foot of gravel pack in the bottom of well

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Ravalli County

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. JAY MARSHALL (Name of Appropriator), of BOX 23 (Address) Florence (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 NW Sec 14 T10 R20
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based DOMESTIC USE
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1902
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 2.0 gpm
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Dug Well. Electric Pump

- 7. The date of commencement and completion of the construction of the well, well or other works for withdrawal of groundwater UNKNOWN
- 8. The depth of water table 50'
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 50' Deep Dug Well
- 10. The estimated amount of groundwater withdrawn each year 65000 gals
- 11. The log of formations encountered in the drilling of each well if available UNKNOWN
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Rosa Marshall
Jay Marshall
Date 12-24-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
