Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1935
Owner: Roger B. Conner. Address: Darby, Montana
Contractor (if any): None
Address of Contractor: None
Date Started: None. Date Completed: None

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Developed a natural spring, and piped it into a water trough.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. About gallon of water every two minutes. Used daily from April till November of each year.

Signature of Owner: Roger B. Conner
Date: January 27, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 27th day of Jan., 19__ at __:__

COUNTY RECORDER

By: ________________________________ DEPUTY
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Delbert A. Conner of Darby

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: May 1946

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 Miners

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lawn and Garden around house

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: May 1946

8. The depth of water table: 14 FT

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Casing 40 FT, Deep 14 FT, Steel

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Delbert A. Conner
Date: December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise, the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 23rd day of Dec., 1963, at 4 1/2 o'clock P.M.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. TRAPER PEAK LAND AND LIVESTOCK COMPANY, of

   Name of Appropriator

   Address

   Town

   County

   State

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

   House

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

   1963 continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

   20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   Land - creata - livestock

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   Ground

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   January, 1963. completion May, 1963

8. The depth of water table

   6 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

   6 inch casing, depth 177 feet

10. The estimated amount of groundwater withdrawn each year

    2,000,000

11. The log of formations encountered in the drilling of each well if available

    

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

    

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Delbert A. Conner of Darby, Ravalli County, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Garden and lawn use.

3. Date or approximate date of earliest beneficial use: March 1, 1948.

4. The amount of groundwater claimed (in giner's inches or gallons per minute): 5 inches.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: 10 acres near house.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: February 1948.

8. The depth of water table: 25 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 10 feet, 3/4 steel casing.

10. The estimated amount of groundwater withdrawn each year: Not available.

11. The log of formations encountered in the drilling of each well if available: Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Available.
