File No. STATE WATER CONSERVATION BOARD

T 5 R 21

DUPLICATE JAN 5 1965

County Ravalli

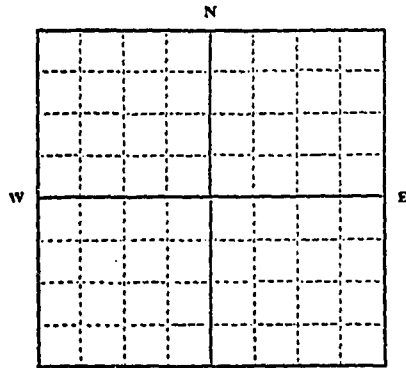

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

George G Lay, of Hamilton
(Name of Appropriator) (Address) (Town)

County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
Household, livestock, irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
About 1900 Intermittent

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
Unlimited Supply

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Hand pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table
Varies from five feet to fifteen feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
This well is over thirty feet deep and is cased up with twelve inch casing.

10. The estimated amount of groundwater withdrawn each year
219000

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
1505

Signature of Owner, George G Lay
Date 12/30/65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. George G Lay, of Hamilton
(Name of Appropriator) (Address) (Town)
County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 1 T. 5 R. 21

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based...
Household
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been...
About 1900. Intermittently
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute)...
Unlimited supply
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...
Hand pump

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

- 8. The depth of water table...
About three feet
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
This well is cased up with probably about 8 inch casing
It is approximately fourteen feet deep.
- 10. The estimated amount of groundwater withdrawn each year...
21,900
- 11. The log of formations encountered in the drilling of each well if available...

- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I, **Lester M. Reynolds & Alva L. Reynolds**, of **Rt. 1, Box 52**, **Hamilton**
(Name of Appropriator) (Address) (Town)

County of **Ravalli** State of **Montana**

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. **irrigation, stockwater and household**
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. **Unknown, but in continuous use for many years.**
4. The amount of groundwater claimed (in miner's inches or gallons per minute). **50 to 25 gallons per minute, or more.**
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. **A 2 acre tract in SE 1/4 Sec. 1, T. 5 N., R. 21 W., described as beginning 208' N of the SE 1/4 of Sec. 1, thence W. 416', thence S. 208' thence E. 416' thence N. 208' Lester M. Reynolds and Alva L. Reynolds, owners.**
 5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. **electric pump and pipe, with 4" casing, approx. Well located on above tract of land.**
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. **Unknown, but in operation many years.**
8. The depth of water table. **Unknown**
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. **Unknown, but about 55 feet deep, drilled and cased well.**
10. The estimated amount of groundwater withdrawn each year. **About 90,000 gallons.**
11. The log of formations encountered in the drilling of each well if available. **Unknown**
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. **None**

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

ENGINEER

1. Henry H. Grant of Route 1 Box 321 Hamilton, Mont
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

lot 4
1/4 Sec. 2, T. 5, R. 31
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Partly and
dark water and for irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1941 used daily since
then

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 c.g.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Drawn by electric pump. This well is
located near Pauling house

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1941 Depth 44 ft. 6 in. casing

8. The depth of water table water comes within 26 inches of top of casing

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
well is 44 ft. 6 in. - 4" casing pumped by electric motor

10. The estimated amount of groundwater withdrawn each year 200,000

11. The log of formations encountered in the drilling of each well if available This well was drilled
by Mr. Mowbray of Missoula. I have no records available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record I have no records available

Signature of Owner Henry H. Grant
Date Dec. 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
