STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1937)

1. Julius A. Veremysen
   (Name of Appropriator)
   """"Route 2. Box 47, Victor
   (Address) (Town)

   County of Ravalli State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   household, stock, irrigating yard and garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   unknown
   use continues

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 75 gallons

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof
   1/5 acre in the NE 4 of the SE 1.

   Julius Veremysen, owner

6. Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   unknown

8. The depth of water table
   unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   drilled, 8 in casing, depth unknown

10. The estimated amount of groundwater withdrawn each year 385,900

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Julius Veremysen
Date: December 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I certify that I received and filed this Instrument on this 31st day of May, 19__, at 11:45 o'clock A.M.

F. B. Moore
COUNTY RECORDER

By Shirley Keel
DEPUTY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
MONTANA WATER RESOURCES BOARD

NOTICE OF COMPLETION OF GROUNDWATER
APPROPRIATION BY MEANS OF WELL
Developed after January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed
by the owner with the County Clerk and Recorder in the county in
which the well is located; last copy to be retained by driller.
Please answer all questions. If not applicable, so state, otherwise the
form may be returned.

Owner: Lorrin Martin
Address: Carroll, Mont.

Date well started: Jan 20, 1973
Type of well: Drilled
Equipment used: Churn drill
Water Use: Domestic X Municipal Stock Irrigation

*Describe: 
USE: If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e. Lot, Block
and Addition).

ESTIMATED ANNUAL WITHDRAWAL

Static water level: 2.2 ft.
Pumping water level: 2.2 ft.
at 12 gallons per minute,
measured 30 minutes after pumping began.
*Measured from ground level.

Well developed by: Churn drill
Power: 10 HP
Remarks: (Gravel packing, cementing, packers, type of shutoff)

INDICATE LOCATION OF WELL AND PLACE OF USE, IF POSSIBLE.

Each small square represents 40 acres.

Driller's Signature: "William Anderson"
Driller's Address: "Rt. 1, Box 350"

53.79
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Dec. 27, 1965
Owner: James Leon
Address: Box 232
Contractor (if any): None
Address of Contractor: None
Date Started: Date Completed: Dec. 27, 1965

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Natural Process

6 feet by 20 feet

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Yearly

600 gal. per hour

Signature of Owner: James Leon
Date: Dec. 27, 1965

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 27th, 1865, at 8:43.

LICENSE NO. 82
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(under Chapter 237, Montana Session Laws, 1961)

1. (Name of Appropriator) (Address) (Town) of __, __.
   (County) (State) have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Irrigation
   Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1900
   Not known

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Olive L. Johnson

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   None

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Not applicable (spring)

8. The depth of water table:
   Surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   None (spring)

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Olive L. Johnson
Date: 12/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Tripliate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Walter Hayden
Address: 17 Sand Gravel and Boulders
Driller: C. F. Wroble
Box 27, Victor, Mnt.

Date of Notice of appropriation of groundwater: April 16, 1969 (Drilled)
Date well started: April 16, 1969
Date completed: April 17, 1969

Type of well: Drilled
Equipment used: churn
Water use: Domestic ☐ Municipal ☐ Stock ☐ Irrigation ☐
Industrial ☐ Drainage ☐ Other ☐

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Static Water Level for non-flowing well: 6 feet.
Shut-in Pressure for Flowing Well: 40 gal. per minute.
Discharge in gal. per min. of flowing well: 15 feet.

Remarks: (Gravel packing, cementing, packers, type of strata)

How Tested: Balanced
Length of Test: 2 hrs.

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state; otherwise, the form will be returned.

**Declaration of Vested Groundwater Rights**
(Under Chapter 237, Montana Session Laws, 1961)

1. **John A. Fullerton**, of **PR2 Box 91 A Hamilton**
   - **County**: **Paradise**
   - **State**: **Montana**
   - **Address**: **Box 91 A Hamilton**
   - **Town**: **Hamilton**

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - **Water for irrigation**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - **May 1, 1960**
   - **All through summer months**

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - **200 gallons per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - **32 acres of grassland**
   - **Owner**: **John A. Fullerton**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - **Water withdrawn with motor and pump**
   - **Located west of farm buildings**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - **Old well dug in about 1910**
   - **Completed in 1960**

8. The depth of water table:
   - **15 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - **Old well about 20 ft. deep**
   - **Pump earth filled — 60 feet long by 10 ft. wide — Water 8 ft. deep**

10. The estimated amount of groundwater withdrawn each year:
    - **15 to 20 inches per acre**

11. The log of formations encountered in the drilling of each well if available:
    - **None**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - **None**

   **Signature of Owner**: **John A. Fullerton**
   - **Date**: **Dec. 24, 1965**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Approprioratior.
I certify that I received and filed this instrument on this 31st day of June, 19— at 10 o'clock A.M.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Edward Bracken, of R. 12, Sec. 23, Hamilton
   (Name of Appropriator) (Address)
   County of Ravalli, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Household and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Used continually.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 gallons a minute approximately.

   5. If used for irrigation, give the acreage and description of the lands to which the water has been applied, and name of the owner thereof:

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: The place in 1965.

   8. The depth of water table: 60 feet.

   9. So far as it may be available, the type, size, and depth of each well, and the general specifications of any other works for the withdrawal of groundwater: Well and casing.

   10. The estimated amount of groundwater withdrawn each year: 713,600 gallons.

   11. The log of formations encountered in the drilling of each well if available: Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not to my knowledge.

   Signature of Owner: Edward Bracken
   Date: Dec. 30, 1965

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. JULEN Q. BURRELL, of Rt. 2, Box 92, Hamilton, Montana
   (Name of Appropriator) (Address) (Town)
   County of Ravalli, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: domestic, stock and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: about 1900, continuous use.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 900 gallons per hour.

   5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: 79 acres—North 120 rods of East 106 2/3 rods of NW1/4, Section 1, Township 6 North, Range 21 West. Helen Q. Burrell, owner.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: about 1900.

   8. The depth of water table: varies 8 feet to 20 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 30 foot well, 8 inch casing.

   10. The estimated amount of groundwater withdrawn each year: two million gallons.

   11. The log of formations encountered in the drilling of each well if available: unknown.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

   Signature of Owner: Helen Q. Burrell
   Date: Dec. 31, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 21st day of June, 1934, at 10:34 a.m.

(Under Chapter 237, Montana Session Laws, 1961)

1. HELEN Q. BURRELL, of Box 92 Hamilton
   (Name of Appropriator) (Address) (Town)

   County of Ravalli State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: domestic, stock, and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1930, continuous.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 500 gallons per hour.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 acres; Section 1, Township 6 North, Range 21 West; Helen Q. Burrell, owner.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1930.

   8. The depth of water table: varies 3 feet to 20 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 10 foot well, 8" casing.

   10. The estimated amount of groundwater withdrawn each year: two million gallons.

   11. The log of formations encountered in the drilling of each well if available: unknown.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none.

   Signature of Owner: Helen Q. Burrell
   Date: Dec. 31, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. F. G. and Helen G. Burrell, of Rt. 2, Box 92, Hamilton.
   (Name of Appropriator)
   (Address)
   (Town)

County of Ravalli

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based—stock-water
   and irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been—since prior to 1882, and
   used continuously since

4. The amount of groundwater claimed (in miner’s inches or gallons per minute)—160 miner’s inches, about 1/4 of
   which is surface water

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal water drawn—by 25 horsepower pump from well located in

   E 1/2 NW 1/4 Sec. 1, T 6 N, R 21 W.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—well commenced and completed prior to 1882

8. The depth of water table—water table to surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other
   works for the withdrawal of groundwater—1882 or thereabouts there was a dug well
   and dug drain ditch and surface water used, and in 1943 the well was
   reduced to a size of 20 feet in diameter and 15 feet deep

10. The estimated amount of groundwater withdrawn each year—constant stream during irrigation

11. The type of formations encountered in the withdrawal of water during the winter without pumping

12. Other information of a similar nature as may be useful in carrying out the policy of this act, including

As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions:

Please check the two attached groundwater appropriation forms, since they both have the same county filing document number of #5636.

Thank you.

Sorry about that. Fournier should be 5636 and Warner should be 5636.

(Under Chapter 237, Montana Session Laws, 1961)

John T. Parker
(Name of Appropriator)

of
(Address)

of Hamilton
(Town)

County of Ravalli
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based:

   House
   Yard
   Stock

2. Date or approximate date of earliest beneficial use; and how continuous the use has been:

   Continuous since 1951

3. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 g.p.m.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   NW 1/4 NWSE. 2. T. 6N. R. 21W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric pump. NW. corne. of NW. 1/4. Sec. of

   Sec. 2. T. 6N. R. 21W

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   1951

7. The depth of water table:

   90'

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   60' Drilled well. 120'. Deep. Steel casing

9. The estimated amount of groundwater withdrawn each year:

   5,000,000. gal. per. year

10. The log of formations encountered in the drilling of each well if available:

   Unknown

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner:

   Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
