County Recorder

By: Shirley Keith
Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPROPRIATOR: NAOMI R. PAPHA, RD 1

ADDRESS: CRAWALL, MT

COUNTY: PON. R. A. A.

STATE: MONTANA

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: HAUSKY, BROOKLYN, SPARKS

2. Date or approximate date of earliest beneficial use: 1/1/1960

3. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: ELECTRIC PUMP

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: NAP

6. The date of commencement and completion of the construction of each well, or other works for withdrawal of groundwater: 1/1/1960

7. The depth of water table: 20 feet

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: DRILLED, 4" DIA., 85 FEET

9. The estimated amount of groundwater withdrawn each year: 100,000 GALLONS

10. The log of formations encountered in the drilling of each well if available: UNINFORMED

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: NAP

Signature of Owner: NAOMI R. PAPHA

Date: JUN 17, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.
I certify that I received and filed this instrument on the 31st day of Dec., 1868, at 2:18 o'clock P.M.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1945
Owner: Clarence Popham
Address: Corralis

Contractor (if any): None
Address of Contractor: 

Date Started: Date Completed: 1945

Describe means of obtaining groundwater without a well “as by
sub-irrigation and other natural processes”. Include depth to
water when applicable:

Natural Spring

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

15 minutes included daily, flow used for irrigation
and stock water

Signature of Owner: Clarence Popham
Date: Dec 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

COUNTY RECORDER

By: Shirley Freid
DEPUTY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well
Developed After January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater... July 23, 1971
Owner... Frederick B. Burnham
Address... Corvallis, Montana

Contractor (if any) Dan Loff tus
Address of Contractor... Hamilton, Montana
Date Started May 1970
Date Completed... May 1970

1) Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)... Opened-up-spring-and--ponded-it

2) Means of withdrawing water (gravity, pump, canal, etc.)... gravity

3) Depth of water table... not-known

4) Use of the water...irrigation-and-stock-water

5) Amount of groundwater claimed (in miner's inches, or gallons per minute)... 10 miner's inches

6) If used for irrigation, give number of acres and description of land... 10 acres -- in the NE 1/4 of Sec. 22, T. 7N, R. 20W

7) Estimate amount of water used each year... not-known

Signature of Owner... Frederick B. Burnham

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

County of Laurel State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Sept. 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not Applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Sept. 1957

8. The depth of water table: 230 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

Spray Drilling, Type: 1 HP Electric

10. The estimated amount of groundwater withdrawn each year: 72,000 gal

11. The log of formations encountered in the drilling of each well if available: Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Signature of Owner: 
Date: 12/30/62

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this day at the office at 2:59 P.M.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Approprietor.

2317
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. 

County: Ravalli

Town: Corvallis

Address: 

Name of Appropriator: E. Joe and John D. Hanoi

2. The beneficial use on which the claim is based: Household and agriculture.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: Summer of 1964, and 100% continuous use ever since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 (Fifty) Gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1964.

8. The depth of water table: 120 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 45,666 gallons per year.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: L. M. Hanoi

Date: 

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

8. The depth of water table: 30 FEET

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...

10. The estimated amount of groundwater withdrawn each year: 5,000,000 GALLONS

11. The log of formations encountered in the drilling of each well if available: ...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: NONE

Signature of Owner: [Signature]
Date: 12/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
State of Montana

Western Montana Branch Exp. Station
Corvallis

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based

2. Date or approximate date of earliest beneficial use; and how continuous the use has been

3. The amount of groundwater claimed (in miner's inches or gallons per minute)

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

6. The depth of water table

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
