STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Campbell, James F., of Victor, Montana

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: ________

Date: ________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
I certify that I received and filed this instrument of this 33rd day of June, 1963 at 2:50 o'clock P.M.

**DRILLER'S LOG**

Indicate the character, color, thickness of strata such as soil, clay, sand, gravel, shale, sandstone, etc. Show depth at which water is found and height to which water rises in well.

**NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL**

Developed after January 1, 1962.

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

**Owner:** Mike Jacobs  
**Address:** Drummond, MT  
**Date well started:** 6/3/23  
**Date well completed:** 6/3/23  
**Type of well:** Drilled (Cased, driven, bored or drilled)  
**Equipment used:** Churn drill  
**Water Use:** Domestic □  Municipal □  Stock □  Irrigation □  Industrial □  Drainage □  Other □  Garden/Lawn □

*Describe__________________________________________

USE: If used for irrigation, industrial, drainage or other, explain, state number of acres and location or other data (i.e. Lot, Block and Addition).

1. Maxine Kollonon
   of Corvallis, Montana
   Ravalli County, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   - domestic and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   - 1947

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   - 30 gallons a minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   - 5 acres, Block 1, Lot 11, S.E.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   - 1 hp. pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   - Commenced 1947, Completed 1947

8. The depth of water table
   - 6 feet

9. So far as it may be available, the type, size and depth of each well or the specifications of any other works for the withdrawal of groundwater
   - No. 1, 100 feet, casing

10. The estimated amount of groundwater withdrawn each year
    - 270,000 gallons

11. The log of formations encountered in the drilling of each well if available
    - None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    - None

Static Water Level for non-flowing Well: 5 feet.
Shut-in Pressure for flowing well: 150 gal. per minute.
Pumping Water Level: 4 feet at 150 gal. per minute.
Discharge in gal., per min. of flowing well: Approx. 150
How tested: Sprinkler
Length of Test: 10 days

Remarks: Gravel packing, cementing, packers, type of shutoff. Location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation.

Driller’s License Number: G.B. H. S.
Driller’s Signature: B. J. H.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 21st day of September, 1955, at 12:01 o'clock, M.

F. A. Moore
COUNTY RECORDER

By Fee $2.00
DEPUTY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Robert E. Johnson
   (Name of Appropriator)
   of Box 234
   Corvallis
   (Address)
   (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Irrigation and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   April 1958, is used approx. 5 months each summer

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   750 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   80 acres, 321 30 Ti of NE
   Robert E. Johnson

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric motor and pump for sprinkler
   Located center of field

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Begun in Feb, 1958, completed April 1958

8. The depth of water table
   4 to 7 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   A foot diameter concrete pipe, 17 feet deep

10. The estimated amount of groundwater withdrawn each year
    750 Million Gallons

11. The log of formations encountered in the drilling of each well if available
    None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 20thday of Dec. 1963 at 3:30 o'clock P.M.:

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: May 1955

Owner: Robert E. Johnson
Address: Corvallis

Contractor (if any): Hoge and Stevens
Address of Contractor: Corvallis

Date Started: May 5, 1955
Date Completed: June 22, 1955

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable.

Sub-irrigation by means of check dams in drain ditch. 3 to 4 feet to water level.

Ditch is approx. 1 mile long, borders ranch on East and North.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

3 inches on 20 acres in 1 week, used 1 week on and 1 week off, for 5 months on 80 acres.

Estimate use of 10 million gallons a season.

Signature of Owner: Robert E. Johnson
Date: December 23, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this day at 6:30 p.m., 4/16.
