RECEIVED  
JUN 28 1963

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Irvin H. Farley & H. Clair Farley of Rt. 1 Corvallis  
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec 33 T. 7. R. 20

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been August 1952 to date

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1 Gallon

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Jet deep well pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater June 1952 Aug. 1952

8. The depth of water table 35 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled, 4 inch casing, 65 feet deep

10. The estimated amount of groundwater withdrawn each year 4,500 gal.

11. The log of formations encountered in the drilling of each well if available Soil and gravel 30 ft. 35 ft. sloid clay, with sandy bottom

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner *Irvin H. Farley*  
Date 6/26/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

JAN 17 1964

Notice of Completion of Groundwater Appropriation  
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater Dec 31-63

Owner Oscar Suedcke address Corwallis

Contractor (if any) .....

Address of Contractor .....

Date Started..... Date Completed.....

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

SE 1/4 NW Sec 35 T. 7 R. 20

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use. This water runs the year round at about 10 inches

Signature of Owner Oscar Suedcke

Date Dec 31-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Darrel & Bonnie Erickson, of R. R. 1 Corvallis  
(Name of Appropriator) (Address) (Town)  
County of Russell State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

In Lot one Bl. 6 Semmdele Orchards

1/4 Sec 35 T 7N R 20W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based. House Hold use and lawn.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Nineteen twenty two. The present time the use has been steady.
- 4. The amount of groundwater claimed (in miner's inch or gallons per minute). gallons per minute five hundred.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. None.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electrical Pump.

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Nineteen twenty two.
- 8. The depth of water table. thirty seven feet.
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. six inch casing thirty seven feet deep.
- 10. The estimated amount of groundwater withdrawn each year. 700,000 gallons.
- 11. The log of formations encountered in the drilling of each well if available. not known.
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. not known.

Signature of Owner Darrel Erickson  
Date 12/17/65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.  
Please answer all questions. If not applicable, so state, otherwise the form will be returned.  
Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
