STATE OF MONTANA
ADVISOR OF GROUND WATER CODE

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Charles R. Phillips of R.F. Storamissi

County of Ravalli State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: house, yard, garden, livestock.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: Feb. 1926. No Notice.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3 Gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 12 Acre. W. 1/2 Sec. 10. T.P. - R 19 W. Chas. R. Phillips.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Feb. 1926. Complete and End of use.

8. The depth of water table: 50 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Drilled well.

10. The estimated amount of groundwater withdrawn each year: 3,800.

11. The log of formations encountered in the drilling of each well if available. Not Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Use limited.

Signature of Owner

Date: Dec. 23, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE

</table>

2. The beneficial use on which the claim is based: Domestic & Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1948 Year around

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 20 Gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lawn and Garden

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep Well

Pump Sec. 10 T SW 1/4 W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Feb. 13, 1948

8. The depth of water table: 25 Feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6 inch Steel Casing; 70 Feet deep

10. The estimated amount of groundwater withdrawn each year: 100,000 Gallons

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: __________________________

Signature of Owner ______________________________________

Date ____________________________________________

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: ____________________________

Owner: Grant H. Killgore Address: E. St. Steamer, Mo.

Contractor (if any): N.A. Address of Contractor: N.A.

Date Started: N.A. Date Completed: N.A.

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Intermittent use: from ______ to ______

Signature of Owner: ____________________________ Date: ____________

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.

Ne. 1/4 SW1/4 Sec. 16, T 81 R 56 N

Indicate point of appropriation
and place of use, if possible.

   (Town)
   County of Ravalli
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Stock + Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1942 - Continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 80 GPM

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not Applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Submerged Pump

   7. The depth of water table: 90 feet

   8. The depth of groundwater: 43 feet deep

   9. The log of formations encountered in the drilling of each well if available: Not Available

   10. The estimated amount of groundwater withdrawn each year: 260,000 gallons

   11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not Available

   Signature of Owner: [Signature]
   Date: 1-25-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1940

Owner: [Name]

Address: [Address]

Contractor (if any): [Name]

Address of Contractor: [Address]

Date Started: [Date]

Date Completed: [Date]

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth, to water, when applicable. This is a natural spring.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Use continuous flow: [Flow rate]

Measured by [Method]

Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montano Session Laws, 1961)

Owner: ZACK BULL Address: STEVENSVILLE
Driller: LAU LYNCH Address: MISSOULA MONT
Date of Notice of Appropriation of Groundwater: NOV 1 1962
Date Well Started: NOV 10 1962

Type of Well: Drilled
Equipment Used: Churn
Water Use: Domestic ( ) Municipal ( ) Stock ( ) Irrigation ( )
Industrial ( ) Drainage ( ) Other ( )

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Static Water Level for non-flowing well: 40 feet
Shut-in Pressure for Flowing Well
Pumping Water Level: 34 feet at 600 gal. per minute
Discharge in gal. per min. of flowing well: 600
How Tested: Baled
Length of Test: 1

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Driller's License Number
Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.
Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Raymond H & Dorris Bell of Stavensville, Mont.
   (Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1982, as follows:

2. The beneficial use on which the claim is based:
   Irrigating Yard — about 4 acres

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   About 1956

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   Unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Irrigating Yard — about 4 acres

6. The means of withdrawing each water from the ground and the location of each well or other means of withdrawal:
   Elect Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1956

8. The depth of water table:
   15 Ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   26 Ft. Deep

10. The estimated amount of groundwater withdrawn each year:
    Unknown

11. The log of formations encountered in the drilling of each well if available:
    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Raymond H Bell
Date: 9-23-68

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
