STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Raymond H & Dorris Hall
   County of: Ravalli
   State of: Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based.

      Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

      About 1938

   4. The amount of groundwater claimed (in miner's inches or gallons per minute).

      Household use

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

      None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

      Electric Pump

    7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

      1938

   8. The depth of water table.

      Six Ft

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

      Go it Deep

10. The estimated amount of groundwater withdrawn each year.

      Unknown

11. The log of formations encountered in the drilling of each well if available.

      Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

      Signature of Owner: Raymond H Call
      Date: 1-3-46

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 31st day of Dec. 63 at 11:15 a.m.

COUNTY RECORDER

By: 
DEPUTY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, Frederick Buehler, of Stevensville, Mont., County of Flathead, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is for irrigation.

3. The rate of use in gallons per minute or miner's inches of groundwater claimed is 100 inches.

4. The annual period (inclusive dates) of intended use is from Jan. 1 to Jan. 1.

5. The probable or intended date of first beneficial use is Jan. 1.

6. The probable or intended date of commencement and completion of the well* or wells* is Jan. 1.

7. The location, type, size and depth of well or wells contemplated is located as accurately as possible on the plat.

8. The probable or estimated depth of the water table or artesian aquifer is 15 feet.

9. Name, address and license number of the driller engaged is Frederick Buehler.

10. Give such other similar information as may be useful in carrying out the policy of this act.

Signature of Appropriator: Frederick Buehler
Date: Dec. 17, 1963

* As defined in the Code, Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
I certify that I received and filed this Instrument on the 19th day of Dec., 1963, at 3:00 o'clock, P.M.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

| Theodore Callor          | 275 Shire Oak Dr  | Stevensville, Montana |

County of Ravalli

State of Montana

1. I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - 50 milk cows

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   - 1950 continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   - 720 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied.
   - Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   - 6" casing, 1-1/4 H.P. pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   - 1950

8. The depth of water table.
   - 66 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   - One well, 107 ft deep

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Theodore Callor
Date: [ ]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. MARVIN R. COSTELLO & SUSANNA L. COSTELLO
   Route 2, Stevensville
   (Name of Appropriator)
   (Town)
   County of Ravalli
   State of Montana
   (Address)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic, stock, or water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1910 and continuous ever since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30 gallons.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: 7.5 acres, Home Acres Orchard, owned by the appropriator.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: well and 1 H.P. pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Well completed in 1910.

8. The depth of water table: Approximately 20 feet.

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well, 4 inch casing, 200 feet deep.

10. The estimated amount of groundwater withdrawn each year: 25 million.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None known.

Signature of Owner: MARVIN R. COSTELLO
Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

MONTANA DEPARTMENT OF NATURAL RESOURCES

NOTICE OF COMPLETION OF GROUNDWATER
APPROPRIATION BY MEANS OF WELL
Developed after January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: ... For Administrator’s Use
Address: S. F. Stevensville, Miss. #5236 Montana 59870
Date well started: Oct. 12, 1972
completed: Oct. 13, 1972

Type of well: Drilled well
Equipment used: Churn drill

Water Use: Domestic □ Municipal □ Stock □ Irrigation □
Industrial □ Drainage □ Other □ Garden/Lawn □

*Describe

USE: If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e. Lot, Block and Addition).

1. LIVINGSTON LIVESTOCK CO., a Montana corporation with principal place of business
   (Name of Appropriator) at (Town) Victor
   County of Ravalli State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based is stock water, but intend also to use for irrigation next year

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1892

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 100 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. natural spring: dredged out 15 x 20 x 8 feet deep

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1892, spring used continuously since before patent for stock water, but dredged out in 1949

   8. The depth of water table, this water rises to the surface as a spring

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. natural spring dredged out 15 x 20 x 8 feet deep

   10. The estimated amount of groundwater withdrawn each year: 52,000,000 gal.

   11. The log of formations encountered in the drilling of each well if available, surface water:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   LIVINGSTON LIVESTOCK CO.
   Signature of Owner: FRANK V. LIVESTOCK
   Date: December 30, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Loren Brubaker
Address: Victor, Montana

Date of Notice of appropriation of groundwater: Aug. 20, 1969

Date well started: Aug. 20, 1969
Date completed: Aug. 20, 1969

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 26, 1963
Owner: James Smith 9410 South 2nd Street
Address of Contractor: Helena, Montana
Contractor (if any): Kenneth Sanders
Date Started: June 25, 1963
Date Completed: June 25, 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this day of June 1631, at 12:55 o'clock A.M.

J.F. Moore

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriate: James E. Burch
   (Address): 301 E. 6th St, Victor, Mont.

2. The beneficial use on which the claim is based:
   - Water used for irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been, and if this well has been used since 1948:
   - 1948

4. The amount of water claimed (in miner's inches or gallons per minute):
   - 60

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Well is located close to farm

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
    - 172,500 gallons

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: James E. Burch
Date: June 3, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Donald J. Goldner
(Address): Route 1, Victor
(Town): Ravalli

County: Ravalli
State: Montana

The form is to be filled out according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Donald J. Goldner, of Route 1, Victor

2. The beneficial use on which the claim is based: Stock Water and Garden

3. Date or approximate date of earliest beneficial use; and how continuously the use has been. April 1959 - Used Continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 150 GALLONS

5. If used for irrigation, give the average and highest rate of the lands to which water has been applied and range of the area thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: April 1959 - April 1959

8. The depth of water table: 10 FT

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 150 GALLONS

10. The estimated amount of groundwater withdrawn each year: 250,000 GALLONS

11. The log of formations encountered in the drilling of each well if available: Not Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not Available

Signature of Owner: Donald J. Goldner
Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Address of Contractor: __________________________
Date Started: 1960 Date Completed: 1960
Describe means of obtaining groundwater without a well: "as by sub-irrigation and other natural processes". Include depth to water when applicable: it is a spring. Only took a little digging or ditching. water should go inside below surface.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use: from June until Aug. about 30 cubic inches. Yard stick, depth by W. by speed divided by 40.

Signature of Owner: John D. Morse
Date: Dec 16, 1963

This form to be prepared by contractor (If any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this ____________ day of ____________, ________.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Henry C. Olson, of R. 1, Victor
   County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1937

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   3.0

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner:
   2.0 acres

6. The means of withdrawing such water from the ground and the location of such well or other means of withdrawal:
   Electric pump, electrical power

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1937

8. The depth of water table:
   30 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   1 well, 15 feet deep

10. The estimated amount of groundwater withdrawn each year:
    1.6

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner

Date Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well Developed After January 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Bill Clark
Address: Wilsca, Mont.

Driller: Bill Anderson
Address: Wilsca, Mont.

Date of Notice of appropriation of groundwater: Nov 3, 1969

Date well started: Nov 3, 1969

Date completed: Nov 10, 1969

Type of well: Drilled (Dug, driven, bored or drilled)

Equipment used: Churn drill (Churn drill, rotary or other)

Water use: Domestic □ Municipal □ Stock □ Irrigation □ Industrial □ Drainage □ Other □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Static Water Level for non-flowing well

Shut-in Pressure for Flowing Well

Pumping Water Level

Discharge in gal. per min. of flowing well

Haw Tested

Length of Test

Remarks: (Gravel packing, cementing, packers, type of shutoff)

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

Species: Wilsca, T. 7, R. 21, Sec., 1

Victor Loch A

Use—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, three copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
TO WHOM IT MAY CONCERN;

Will you please add Sec. 2 T7 R21 to the description on the Groundwater Appro. # 5218 for Robert Olson that we mailed to your office Nov. 25th?

Thank You,

Marty Koppel
Clerk & Recorders Office
### NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL

**Developed after January 1, 1962**

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.
