Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner
Contractor (if any)
Address of Contractor
Date Started
Date Completed
Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

N

Natural Springs

SW 1/4
SE 1/4

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Signature of Owner
Date

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
## Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Gary D. Jensen  
   
   Route 1  
   
   Stevensville, State of Montana  
   
   Ravalli  
   
   County of Ravalli  
   
   The undersigned has appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>

<td></td>
</tr>
</tbody>
</table>

2. The beneficial use on which the claim is based (indicate if commercial, stock water, or domestic): Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been continuously since 1956

4. The amount of groundwater claimed (in minor's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof (land and/or land)

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

---

Signature of Owner

Date 2-14-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 17th day of Feb., 1964, at 3:12 o'clock M.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1948

Owner: E. L. Riley
Address: Rte. 2, Stevensville

Contractor (if any): Not applicable
Address of Contractor: Not applicable

Date Started: None
Date Completed: None

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Sub-irrigation with water rising to ground level and emerging in the form of springs. Depth at which water originates unknown. Amount 15 inches.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Use as stock water, continual; use as irrigation April to September.

Signature of Owner: ____________________
Date: December 23, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 31st day of October, 1963, at 5:47 o'clock, M.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Gary R. and Julie Browning, of Rt. 2, Stevensville
T. 8 N., R. 20 W., Ravalli Co., State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic and irrigation water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since prior to 1915, well re-drilled about 1930, used continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 60 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied: 10 acres of the South 1/2 of the NE 1/4 of the NE 1/4 of Section 15, Township 8 North, Range 20 West

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: horsepower electric pump, well located in basement of residence

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: well commenced and completed sometime prior to 1915, re-drilled about 1930

8. The depth of water table: from 10 to 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled well, 4-inch galvanized steel casing, 36 feet deep

10. The estimated amount of groundwater withdrawn each year: about 4,500,000 gallons

11. The log of formations encountered in the drilling of each well if available: 10 feet of soil, remainder gravel and sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Date: December 27, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   County of: Hamilton

2. The beneficial use on which the claim is based: Domestic and irrigation

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1910 - continuous

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 100 gal. per min., Min. Corp.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Farm named above

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table: 16 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 1st well at 26 ft. pumped by electric pump

10. The estimated amount of groundwater withdrawn each year: 12,000 gal.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: St. Regis
Date: 12/26/69

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

E. S. Moore
COUNTY RECORDER

DEPUTY
**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1961)

**Owner:** Wagnor S. Mayne

**Address:** 2425 E. Montana Ave.

**Town:** Billings

**County of:** Yellowstone

**State of:** Montana

I, Wagnor S. Mayne, of the above address in the Town of Billings in the County of Yellowstone, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. **Range of Appropriator:** 2N 2E

2. **The beneficial use on which the claim is based:** Irrigation

3. **Date or approximate date of earliest beneficial use:** June 25, 1948

4. **The amount of groundwater claimed (in miner’s inches or gallons per minute):** 60 gpm

5. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:** 60 acres, parcel 4, sec. 16, t. 112N, r. 2E

6. **The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:**

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**

8. **The depth of water table:** 6 ft

9. **So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**

10. **The estimated amount of groundwater withdrawn each year:** 30 ft. continuing claim

11. **The log of formations encountered in the drilling of each well if available:**

12. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**

**Signature of Owner:** Wagnor S. Mayne

**Date:** 12/20/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Deputy Recorder
Notice of Completion of Groundwater Appropriation
Without Well
Developed After January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: March 1, 1967
Owner: Lee J. & Mary L. Revelli
Address: Rt. 1, Box 126, Victor, Mont.
Contractor (if any): None
Address of Contractor: None
Date Started: N/A Date Completed: N/A

1) Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.):
   Subterranean Flow of Big Creek

2) Means of withdrawing water (gravity, pump, canal, etc.):
Pump

3) Depth of water table: at surface

4) Use of the water: Lawn, trees and garden irrigation

5) Amount of groundwater claimed (in miner's inches, or gallons per minute): 10 gpm

6) If used for irrigation, give number of acres and description of land: 1-1/12 acres; NE 1/4 SW 1/2 Sec 27, T15, R20W,
   KMM, Revalli County, Montana

7) Estimate amount of water used each year: 5 acre feet

Signature of Owner: [Signature]
Date: March 1, 1967

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Date well started: Aug. 1, 1965
Date completed: Aug. 26, 1965

Type of well: Drilled
Equipment Used: Drill
(dug, driven, bored or churned, drill, rotary or drilled)

Water Use: Domestic ( ), Municipal ( ), Stock ( ), Irrigation ( ), Industrial ( ), Drainage ( ), Other ( )

- Indicate on the diagram: "so character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

- Static Water Level for non-flowing well: 10 feet.
- Shut-in Pressure for Flowing Well: Unknown
- Pumping Water Level Unknown: feet, gal, per cent.
- Discharge in gal., per min. of flowing well: Not Determined
- How Tested: Pump
- Length of Test: 24 hr
- Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation)

Show exact depth of bottom

Driller's License Number

Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
