STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator
   Address
   Town

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

File No. [Signature of Owner]

Date: Jan 17, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1961)

1. **Nolan A. and Grace Buchanan**
   - **of:** Box 92
   - **Victor**
   - **Address:**
   - **Town:**
   - **County of:** Ravalli
   - **State of:** Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based—**Domestic—house, lawn, garden**

   3. Date or approximate date of earliest beneficial use; and how continuously the use has been—**about 1910—continuous**

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)—**10 gallons per minute**

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof—**6 lots of lawn and garden—Nolan A. Buchanan**

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal—pump—**house well**

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—**about 1910**

   8. The depth of water table—**3 to 15 ft.**

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater—**about 60 ft. deep, 2 inch casing**

   10. The estimated amount of groundwater withdrawn each year—**375,000 gallons**

   11. The log of formations encountered in the drilling of each well if available—none available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record—none

   **Signature of Owner:** Nolan A. Buchanan

   **Date:** 12/30/65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriaator.

Stella Stroud
of Stevensville, Mont.

County of Ravalli State of Mont.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

   Domestic Household use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

   Approximately 1900 gal

   Before 1940

4. The amount of groundwater claimed (in miner's inches or gallons per minute) at which water is used.

   About 7 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   By bucket

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   None

8. The depth of water table.

   High water period only, full in summer, dry in winter

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   Dug well about 18 ft. and 4 ft. in diameter

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

   About 2000 gal

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

JOE HARPER, being first duly sworn, upon oath deposes and says:

This affidavit is recorded for the purpose of correcting a scrivener's error in that certain Notice of Completion of groundwater appropriation without well which was filed December 17, 1963 at 3:55 P.M. in Permanent File #1985.

The diagram is in fact correct. The written description under the diagram is in error as it recites the NE\SE\ Section 4, Township 8 North, Range 19 West, when in fact it should have stated the S\NE\ Section 4, Township 8 North, Range 19 West.

This affidavit is made only to correct that certain written description which was erroneously described and for no other purpose whatsoever.

IN WITNESS WHEREOF, the undersigned hereunto sets his hand this 14 day of September, 1973.

   **Unspecified**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   **Unknown**

8. The depth of water table:
   **Unspecified**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   **Drilled 53 feet closed**

10. The estimated amount of groundwater withdrawn each year:
    **Unknown**

11. The log of formations encountered in the drilling of each well if available:
    **Unknown**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    **N/A**

---

**Signatures**

**Signature of Owner:** Donald P. Parks  
**Date:** Jan 19, 1963

---

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1961

Julie Wallace &
Owner. J. P. Wallace Address: Stevensville, Mont.

Contractor (if any)

Address of Contractor

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. *Springs, seepage and sub-irrigation volume of 200 min. inches: closest to owner's property and runs off.*

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

200 min. inches

Indicate point of appropriation and place of use, if possible.

Signature of Owner

Date: August 20, 1965

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1963
Owner: Wesley C. Wright
Address: Stevanoswell Maint.
Contractor (if any): David Bennett
Address of Contractor: At 2 Box 58 Hamilton Maint.
Date Started: 1963
Date Completed: 1964

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Springs also from woods cay
too that are on plans, ...

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

This is 100 cu. of water By
estimate
