Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) (Address) (Town) County of State of
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. {}

2. The beneficial use on which the claim is based: for stock, garden, and domestic purposes.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been, if known: from 1936 to 1960.

4. The amount of groundwater claimed (in inches or gallons per minute): __________.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: __________________________

Date: __________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 31st day of
November, 19__ at 2:30 P.M.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: July 5, 1962.

Owner: Dean A. Berey

Address of Owner: Victor, Montana

Contractor (if any): not applicable

Address of Contractor: 

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Use spring or other permanent water source. Flow rate at ground level. Use for irrigation of part of apple orchard.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Dean A. Berey

Date: Dec. 31, 1963.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this day of 1943, at 5:09 o'clock A.M.

This is all the information that I know on this as I began this place after the well was drilled.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Don Golder
Address: Victor, Montana
Driller: N. W. Riddle
Drilling Co.: Address: Victor, Montana

Date of Notice of appropriation of groundwater
Date well started: March 30, 1969
Date completed: March 30, 1969

Type of well: Drilled
Equipment used: churn
(Dig, driven, bored or drilled)
(Churn drill, rotary or other)

Water use: Domestic  Stock  Irrigation
Municipal  Industrial  Drainage  Other

Indicate on the diagram the character and thickness of the different strata
met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show
depth at which water is encountered, thickness and character of water-bearing
strata and height to which the water rises in the well.

| Size of | Size and | From | To |
| Drilled | Hole | Weight of Casing | (Feet) | (Feet) |
| 6" | 17 lbs. | 0 | 51 |
| per ft. | | |

PERFORATIONS
| Kind Site | From | To |
| 5/32x5 | 41 | 51 |

Static Water Level for non-flowing well
15 feet.
Shut-in Pressure for flowing well
Pumping Water Level 19 feet
at 16 gal. per minute.
Discharge in gal. per min. of flowing well

How Tested: Pumped
Length of Test: 3/4 hrs.
Remarks: (Gravel packing, cementing, packers, type of shut-off)

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state
number of acres and location or other data (i.e.: Lot, Block and Addition).

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the
County Clerk and Recorder in the county in which the well is located, tissue copy to be
retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Charles V. Haymond
Address: Undersign

Driller: Blandf a. H aus
Address: Undersign

Date of Notice of Appropriation of Groundwater: July 31, 1967

Date well started: July 31, 1967

Date Completed: Aug. 3, 1967

Type of well: Churn

Equipment Used: Drilled

Water Use: Domestic (X) Municipal () Stock () Irrigation ()

Industrial () Drainage () Other ()

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. (Name of Appropriator) (Address) (Town) County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Oscar E. Anderson, 205 E. Victor (Name of Appropriator)
   (Address) (Town)
   County of Ravalli, State of Montana (County, State) have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is Stock Irrigation.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1907.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1500.

5. If used for irrigation, give the acreage and description of the land on which water has been applied and name of owner thereof: 10 acres, pasture, stock yard, John J. Hatchery. (First the date 1897.)

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Natural; screen.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Dec. 31, 1923.

8. The depth of water table: Less than 15 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 1500.

10. The estimated amount of groundwater withdrawn each year: 1500.

11. The log of formations encountered in the drilling of each well if available: 1500.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 1500.

Signature of Owner: Oscar E. Anderson
Date: Dec. 31, 1923.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1962)

1. Edmond Forlock of R. 1, Victor
   (Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in
force prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household &
domestic use and cachet, water irrigation of
land and garden.

3. Date or approximate date of earliest beneficial use; and how
continuous the use has been: 1943, continuous use

4. The amount of groundwater claimed (in miner's inches or gal-
lons per minute): 100 gallons per minute

5. If used for irrigation, give the acreage and description of the
lands to which water has been applied and name of the owner
thereof:

6. The means of withdrawing such water from the ground and the
location of each well or other means of withdrawal:
1 hp electric motor and pump, 1" intake pipe, 1" discharge pipe

7. The date of commencement and completion of the construction of the well, wells, or other works for with-
drawal of groundwater: 1943

8. The depth of water table: 4 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any
other works for the withdrawal of groundwater, duc well, 41 diameter, 20 feet deep, brick and rock lining, cemented well coat, water withdrawn by 1 hp electric motor and pump, with 3" intake and 1" discharge pipe

10. The estimated amount of groundwater withdrawn each year: 365,000 gallons

11. The log of formations encountered in the drilling of each well if available: no information available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
reference to book and page of any county record:

Signature of Owner: Edmond Forlock

Date: Dec. 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is lo-
cated.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines
and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 26th day of the month of October, 1905, at 1:34 o'clock, P.M.

[Deputy Signature]
Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

2. The beneficial use to which water is to be applied is stock water, irrigation and pond development. Land description: 19 acre tract in NE 4 of SW 4, Section 35, T.8 N., R.21 W., M. P. M. (describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed:

100 miner's inches

4. The annual period (inclusive dates) of intended use: 365 days per year

5. The probable or intended date of first beneficial use: has been in use for more than 40 years.

6. The probable or intended date of commencement and completion of the well or wells:

inapplicable

7. The location, type, size and depth of well or wells contemplated:

inapplicable

8. The probable or estimated depth of the water table or artesian aquifer:

inapplicable

9. Name, address and license number of the driller engaged: none engaged

10. Give such other similar information as may be useful in carrying out the policy of this act:

...water well...

...wells...

...driller...

...none...

...engaged...

...as defined in the Code Sec. 1 (c) “Well” means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn."

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 16
day of Oct., 19-- at 11:14
a.m.

E. J. Moore
County Recorder

Deputy
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: October 8, 1964

Owner: John T. Wood
Address: 2805 Queen Street, Missoula, Montana

Contractor (if any): None
Address of Contractor: Not applicable

Date Started: Not applicable
Date Completed: Not applicable

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: Not applicable

Sub-irrigation and other natural processes:

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use: Estimate

S W W, Sec. 33, T. 8 N, R. 21 W
M. P. M., Ravalli County

Signature of Owner: /s/ John T. Wood
Date: October 8, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Appropriation of Groundwater

1. I, John C. Wood, of 129 South 5th East, Missoula, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is stock water, irrigation and pond development. Land description: tract of about 15 acres in NW\(\frac{1}{2}\) SW\(\frac{1}{4}\), Section 35, T8N, R21W, M.P.M.

3. The rate of use in gallons per minute or miner's inches of groundwater is

\[100 \text{ miner's inches}\]

4. The annual period (inclusive dates) of intended use is 365 days per year.

5. The probable or intended date of first beneficial use is has been in use for more than 40 years.

6. The probable or intended date of commencement and completion of the well or wells is inapplicable.

7. The location, type, size and depth of well or wells contemplated is inapplicable.

8. The probable or estimated depth of the water table or artesian aquifer is inapplicable.

9. Name, address and license number of the driller engaged is inapplicable.

10. Give such other similar information as may be useful in carrying out the policy of this act is inapplicable.

As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, through which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice must be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.

Signature of Appropriator: John C. Wood

Date: October 19, 1964
I certify that I received and filed this instrument on the 16th day of Oct., 1965, at 12:30 P.M.,

F. L. Moore
COUNTY RECORDER
