Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1886
Owner: John D. Miller
Address: Steamville, Mont.
Contractor (if any): None

Address of Contractor: 
Date Started: 1894
Date Completed: About 1896

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Gravity Flow From
Draw Ditch Into Irrigation Ditches
Water Table at about 3 feet

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:

80 Miners

Inches Flow over Weir
Used about 10 days at each time, 3 to 4 Irrigations per year

Signature of Owner: John D. Miller
Date: Dec. 20, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on this 20th day of Dec. 1953, at 4:10 P.M.

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Wesley C. Wright, of East of Stevensville

2. The beneficial use on which the claim is based: Domestic Water well

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1, 1956

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 16 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 1/2 acre, east of irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Jan. 1, 1900

8. The depth of water table: Summer 5-10 ft, Winter 20-25 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 7 ft. wide, big 35 ft. deep

10. The estimated amount of groundwater withdrawn each year: 6000, 000 gallons

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available

Signature of Owner: Wesley C. Wright
Date: Dec. 30, 1961

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 25 May 56

Owner: Wesley C. Wright
Address: Stevensville, Mont.
Contractor (if any): David Bennett
Address of Contractor: Lt. 2, Sec. 58, Hamilton, Mont.
Date Started: 12/86 Date Completed: 7/66

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Water raised from springs
also from well & clay tile that
was on place.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

There is 151,186 m.g. of water, by
estimation

Signature of Owner: Wesley C. Wright
Date: Dec 30/76

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

County Recorder
By: Shirley Hiehl
Deputy
Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237, Montana Session Laws, 1961)

Well on 3 mile rd, Stevensville

Owner: L.E. Ryan
Address: 436 W, 3rd

Driller: Glenn Camp 735 Alder Address: Missoula, Montana

Top of Ground (Elev. above sea level)

5 to 20' Dug hole
20' to 35' Clay & decomposed granite sand
35' to 38' Chunks of granite in silty sand
33' to 42' Clay & gravel (tight)
42' to 67' Clay & granite sand
67' to 71' Heaving sand & water
71' to 91' Clay (no water)

Date of Notice of appropriation of groundwater

Date well started: 9/23/65
Date completed: 9/27/65

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Mar 1955

Owner: Robert L. Todd
Address: Stevensville, Mont.

Contractor (if any): 
Address of Contractor: 

Date Started: 
Date Completed: 

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Suction Line From Electric Pump To Spring + Slough Water.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use Approximately 5 months in Summer.

Signature of Owner: Robert L. Todd
Wife: Valma S. Todd
Date: Dec 1966

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 8th day of November, 19__ at 11:40 o'clock A.M.

DEPUTY RECORDER

DEPUTY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lloyd W. Hayman, of Ravalli, (Address) Stevensville (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been and still is 1962

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 15 gallons or minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to back and page of any county record

Signature of Owner
Date 1/27/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

T. 13 S., R. 94 R., NE 1/4 NE 1/4 Sec. 15, T. 19 N., R. 15 E.,

Indicate point of appropriation

Quantity of water developed used to measure or estimate such amount. If use is

To estimate approximate lengths of periods of use, claimed use:

Water developed by installation of 2" line.
As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions: Please provide, as indicated in red on the attached form, the claimed spring use.

Thank You.

Sub-irrigation and other "natural processes" include depth to water when applicable, by utilizing the natural flow of a spring rising on the NE 1/4 NE 1/2 Section 19 T.9N R.18W

Quantity of water developed and used, with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Claimed use?

Water developed by installation of 2" dia. pipe which flowed full discharging 100 gallons per minute. Reason of use is for domestic and livestock purposes.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner: ____________________________ Address: ____________________________
Contractor (if any): ____________________________
Address of Contractor: ____________________________
Date Started: ____________________________ Date Completed: ____________________________

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I certify that I received and filed this instrument on the 30th day of January, 1835, at 2 o'clock P.M.
