Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Raymond H & Dorris Bell, of Stevensville, Mont.
(Name of Appropriator) (Address) (Town)

County of Havalli State of Mont.
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

n. 1/4 sec. 12 T. 9 R. 20

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
Irrigating

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....
Not known (over 40 yrs)

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
Unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....
Yard surrounding House about 1/2 Acr.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Elect Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
not known

8. The depth of water table.....
Six ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
thirty seven Ft.

10. The estimated amount of groundwater withdrawn each year.....
Unknown

11. The log of formations encountered in the drilling of each well if available.....
Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
Unknown

Signature of Owner Raymond H Bell

Date 12/31-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, Stephen J. Anderson, of Box 218 Stevensville
(Name of Appropriator) (Address) (Town)
County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2 NWSW less county gravel pit, Sec. 13, T.9 N., R.20 W.

- 2. The beneficial use on which the claim is based... domestic, stock and irrigation
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been... about 1937; continuous
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 1 second foot or 40 miner's inches
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... approximately 9 acres, NW 1/4 SW 1/4, less County gravel pit, owner, Stephen J. Anderson
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... pump, NW 1/4 SW 1/4 in southwest corner

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... 1937

8. The depth of water table... 40 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... hand-dug, 4 ft. round, rock curbed, 50 ft. deep.

10. The estimated amount of groundwater withdrawn each year... 200 second feet per year

11. The log of formations encountered in the drilling of each well if available... not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner *Stephen J. Anderson*

Declaration of Vested Groundwater Rights ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. A. T. Oftedal, of R. # 2 Stevensville, (Name of Appropriator) (Address) (Town)

County of Ravalli State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec. 15 T. 9 N. R. 20 W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. House use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. June 1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute). don't know

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. shallow well pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. don't know, well was here when I bought the place in June 1963

8. The depth of water table. 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Electric pump with small storage tank, 1 1/2" pipe in well, dept. 40 ft.

10. The estimated amount of groundwater withdrawn each year. 10,950 gallons

11. The log of formations encountered in the drilling of each well if available. gravel and sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. know no other

Signature of Owner. A. T. Oftedal

Date. Dec. 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE ENGINEER

1. Vernon A. Stephens, of Stevensville Mont.
(Name of Appropriator) (Address) (Town)
County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW
SW 1/4 NE 1/4 Sec. 15 T. 9 N. R. 20 W.

indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
House use and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....
1923, in continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
5.75 gallons per day

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....
some irrigation of garden and lawn

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
about 1923

8. The depth of water table.....
8 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
dug well about 4 feet in diameter, 15 feet deep
racked up walls

10. The estimated amount of groundwater withdrawn each year.....
230,000 gallons

11. The log of formations encountered in the drilling of each well if available.....
rock and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
none

Signature of Owner Vernon Stephens

Date Jan. 28, 1964

MONTANA WATER RESOURCES BOARD
LOG RECEIVED

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
STATE WATER CONSERVATION BOARD

JUN 25 1969

**Notice of Completion of Groundwater
Appropriation by Means of Well**
DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner Lee Roy Smith Address Stevensville, Montana
C. F. Wroble

Driller Ravalli Drilling Co. Address Victor, Montana

Date of Notice of appropriation of groundwater.....

Date well started June 7, 1969 Date completed June 8, 1969

Type of well drilled Equipment used churn
(Dug, driven, bored or drilled) (Churn drill, rotary or other)

Water use: Domestic Municipal Stock Irrigation
Industrial Drainage Other

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
6"	15 lbs. per ft.	0	32	3/16x5	27	32

Static Water Level for non-flowing well 5 feet.

Shut-in Pressure for Flowing Well.....

Pumping Water Level..... 25 feet
at..... 15 gal. per minute.

Discharge in gal. per min. of flowing well

How Tested..... Baled

Length of Test..... 2 hours

Remarks: (Gravel packing, cementing, packers, type of shutoff).....

N. 1/4 S.W. Sec. 16, T. 9, R. 20
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
