Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Vernon C. Foust of Stevensville
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N.E. 1/4 Sec. 32, T. 9, R. 20 W
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based irrigation
- Date or approximate date of earliest beneficial use; and how continuous the use has been April 1958 through 1962
- The amount of groundwater claimed (in miner's inches or gallons per minute) 265 gal. per minute
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 26 acres meadow and pasture, Vernon C. Foust
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric pump - NE 1/4 of Sec. 32, Township 9, Range 20 West
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater September 10, 1957 completed October 8, 1957
- The depth of water table six feet
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Dug well, cement casing 3 feet diameter, 10 feet deep
- The estimated amount of groundwater withdrawn each year 35,280,000
- The log of formations encountered in the drilling of each well if available 2 feet t 3 feet gravel
- Such other information of any nature as may be useful in carrying out the policy of this act, including reference to any county record no other records

Signature of Owner Vernon C. Foust
Date Dec 20 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

(Under Chapter 287, Montana Session Laws, 1961)

George F. and Hazel G. Kager, of Route #2, Stevensville
(Name of Appropriator) (Address) (Town)

County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 NW Sec. 34 T. 9. R. 20

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based. House and Slaughter House
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1930
Every Day
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute). 10 miner's inches
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. None
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Pressure Pump

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1930
- 8. The depth of water table. House 52 Ft. Slaughter House 64 Ft.
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
Driven Slaughter House 6 inch casing 64 Ft. deep
Drill 4' casing 52 Ft. deep
- 10. The estimated amount of groundwater withdrawn each year. House 600,000, Slaughter House 1500,000
- 11. The log of formations encountered in the drilling of each well if available.
Gravel & Sand
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, Oscar E. Enebo, of Stevensville
(Name of Appropriator) (Address) (Town)

County of Beavert State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NWNE 1/4 Sec 34 T. 9N R. 20W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based...
domestic use and irrigation of lawn and garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...
about 1915, continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...
not known

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...
lawn and garden about 1 acre, present owner is Oscar E. Enebo

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...
Electric pump at well. Well is located about 920 feet south of NE corner of NW 1/4 NE 1/4, thence West about 162 feet.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
about 1915

8. The depth of water table...
about 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
about 70 foot drilled well with 5 inch casing.

10. The estimated amount of groundwater withdrawn each year...
125,000 gallons per year

11. The log of formations encountered in the drilling of each well if available...
gravel, clay and sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Oscar E. Enebo

Date Dec 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

1. J. Earl & Emily L. Whitcomb, of Route 2 Stevensville
(Name of Appropriator) (Address) (Town)

County of Ravalli, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N.E. 1/4 Sec. 34, T. 9, R. 20W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Stock water and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been about 1910 used daily

4. The amount of groundwater claimed (in miner's inches or gallons per minute) all 2000 gpm or more area taken 1 H.P. jet pump

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof a plot of 4.9 acres in Northeast Quarter of Section 34, Township 9, Range 20, W. owned by J. Earl & Emily L. Whitcomb

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Hand pump for stock, 1/2 H.P. jet pump for irrigation

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater about 1910 dug deeper about 1920 and 1940

8. The depth of water table about 10 ft in summer and 38 ft winter

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater cement lined well about 30 inches in diameter and 40 feet deep

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available rock and gravel formation

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner J. Earl Whitcomb
Date June 20, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

DUPLICATE

County Ravalli

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Ralph F. and Dorothy May Brown of Route 1, Stevensville, (Town)
(Name of Appropriator) (Address)

County of Ravalli State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec. 35, T. 9, R. 20
Indicate point of appropriation
and place of use, if possible. Each
small square represents 10 acres.

2. The beneficial use on which the claim is based domestic,
~~stock water and irrigation~~

3. Date or approximate date of earliest beneficial use; and how continu-
ous the use has been since prior to 1990 and
~~continuous since then~~

4. The amount of groundwater claimed (in miner's inches or gallons
per minute) 50 gallons per minute

5. If used for irrigation, give the acreage and description of the lands
to which water has been applied and name of the owner thereof
NENE, Sec. 35, T. 9, R. 20.
~~Owners are appropriators.~~

6. The means of withdrawing such water from the ground and the loca-
tion of each well or other means of withdrawal 3/4 horsepower
electric pump, well located in center of
40 acres, about 75 yards from the North line
of the NENE, Sec. 35, T. 9, R. 20.

7. The date of commencement and completion of the construction of the well, wells, or other works for with-
drawal of groundwater well was commenced and completed some time prior to
1990 and no changes have been made except new pumps from time to time

8. The depth of water table about 4 feet in winter and about 6 feet in summer

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other
works for the withdrawal of groundwater dug well, 4 feet in diameter, 12 feet deep
cemented in

10. The estimated amount of groundwater withdrawn each year approximately 3 1/2 million gallons

11. The log of formations encountered in the drilling of each well if available 2 1/2 feet soil, 9 1/2 feet
sand and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
reference to book and page of any county record

Signature of Owner Ralph F. Brown
Dorothy May Brown

Date December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of
Mines and Geology, and Quadruplicate for the Appropriator.
