Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Roland & Jessie Nevins of Lambert Rte 1 - Box 29
(Name of Appropriator) (Address) (Town)
County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.....
household use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1917
continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
5 gallons per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
does not apply

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Electric pump

NE 1/4 Sec. 8 T. 23 R. 55

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
Jan. 1 - 1917 Feb 1 - 1917

8. The depth of water table.....
40 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
drilled - 6 in - 60 ft
steel casing

10. The estimated amount of groundwater withdrawn each year.....
120,000 gallons

11. The log of formations encountered in the drilling of each well if available.....
none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
none

Signature of Owner Jessie Nevins
Roland Nevins
Date.....

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

I, Lloyd S. Peterson, of 106 7th Ave. S.W. Sidney, Montana
(Name of Appropriator) (Address) (Town)
County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N, E, 1/4 Sec. 13 T. 23 R. 55
Indicate point of appropriation
and place of use, if possible. Each
small square represents 10 acres.

- 2. The beneficial use on which the claim is based on stock watering and farm use.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been variable use since 1918
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) always a substantial amount even during 1930's
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof only in past for personal garden watering use.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal reoperating pump

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater This well started and used about 1918 and before knowledge of present owner of land.
- 8. The depth of water table unknown
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater about 2" wooden casing and depth 95'
- 10. The estimated amount of groundwater withdrawn each year very little the past few years
- 11. The log of formations encountered in the drilling of each well if available unknown
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

RECEIVED
NOV 27 1963

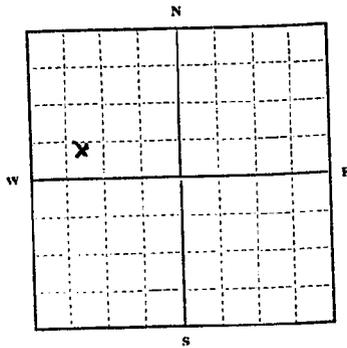

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961) STATE ENGINEER

Roland & Jessie Nevins, of Box 29 Lambert
(Name of Appropriator) (Address) (Town)

County of Richland State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T 23 R 55

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....
1910

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
3 gal per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....
none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
hand pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
1910 Completed 1910

8. The depth of water table.....
20 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
hand dug 25 ft deep
rock casing 30 in across

10. The estimated amount of groundwater withdrawn each year.....
20,000 gal

11. The log of formations encountered in the drilling of each well if available.....
none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
none

Signature of Owner Jessie Nevins
Roland Nevins
Date Nov. 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
