Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **R. E. Delaney**, of **Ray**, North Dakota, owner of farm in **Richland** County, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is for watering livestock.

3. Date or approximate date of earliest beneficial use, and how continuously the use has been prior to 1930. Have been used continuously on year-round basis.

4. The amount of groundwater claimed (in minor's inches or gallons per minute) **50 GPM**.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof (not applicable).

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   All water is from wells.

   Yard in SW 1/4 Sec. 4, T. 25 N., R. 5 W.

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Prior to 1930.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Drilled wells — 4-inch casing — 160 ft. deep.

10. The estimated amount of groundwater withdrawn each year: **3,750,000 gal.**

11. The log of formations encountered in the drilling of each well if available (not available).

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   **R. E. Delaney**

   Signature of Owner

   **By**

   Date **3-1-1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Superior Oil Co.  
Address: Fairview, Montana

Driller: S. C. Seidman  
Address: Sidney, Montana

Date of Notice of appropriation of groundwater: May 8, 1969

Date well started: May 8, 1969  
Date completed: May 8, 1969

Type of well: Domestic 

Equipment used: pump

(Shall be checked, if applicable)

Water use: Domestic 

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock, sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

<table>

296192
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner:

Date of Notice of appropriation of groundwater: April 16, 1962
Date well started or drilled: 2-26-66
Date completed: 4-15-66
Type of well: Drilled
Equipment: Cable Tool
Water use: Domestic, Municipal, Stock, Irrigation

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing area, and height to which the water rises in the well.

Static Water Level for non-flowing well: 76 feet.
Shut-in Pressure for Flowing Well: None
Pumping Water Level: 90 feet at 4 gal. per minute.
Discharge in gal. per min. of flowing well: None
How Tested: Drill bailer
Length of Test: 2 hrs.
Remarks: (Gravel packing, cementing, packers, type of shutoff, pressure system to be installed, etc.)

SE ¾ of SE
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

Discharge in gal. per min. of flowing well: None
How Tested: Drill bailer
Length of Test: 2 hrs.
 Remarks: (Gravel packing, cementing, packers, type of shutoff, pressure system to be installed, etc.)

(Continue on reverse side)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissues copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater:

Owner: KAI SKOV
Address: FAIRVIEW, MT

Contractor (if any): Unknown
Address of Contractor: I

Date Started: Unknown, Date Completed: Unknown

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Dirt excavated to a depth of

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

For about 30 head of cattle

Indicate point of appropriation
and place of use, if possible.

Signature of Owner: KAI SKOV
Date: 12-31-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropnator.

(Under Chapter 237, Montana Session Laws, 1961)

HAIR SKOV
of R.L. FAIRVIEW

County of RICHLAND
State of MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date 12-30-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Approporator: George Hunter
Address: Rt. 1 Box 17 Fairview
County of: Richland
State of: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household consumption and irrigation of lawn, garden, and facilities used with house.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: February 1952, and continuous since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lawn and garden adjacent to home on NE Sec. 22, T. 25 N., R. 59 E.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: January 1952, and continuous operation since.

8. The depth of water table: Approximately 40 feet.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 400,000 gallons.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Signature of Owner: George Hunter
Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

(Under Chapter 237, Montana Session Laws, 1961)

1. GEORGE HUNTER
   (Name of Appropriator)
   Fairview (Town)
   County of Richland
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based, to waterfowl, and irrigation of laws, gardens, and supplemental use on crops, such as spraying, etc.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been since February 1962, and continuous use since.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 7 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal, 2 pumps, 1 electric submersible, and 1 piston pump with vampack, with 30 ft radius of farm buildings.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   8. The depth of water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater, 20 inch casing in 70 foot well.

   10. The estimated amount of groundwater withdrawn each year 800,000 gallons.

   11. The log of formations encountered in the drilling of each well if available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. William or Hazel Reams
   (Name of Appropriator)
   (Address)
   County of Richland
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: grazing

   3. Date or approximate date of earliest beneficial use: July 15, 1960

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 g.p.m.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: windmill

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: started June 15, completed July 15, 1960

   8. The depth of water table: 20 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well and 600 ft. casing

   10. The estimated amount of groundwater withdrawn each year: 2,500 ac. ft.

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Wendell E. Elliott, of Sidney, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

Stock Water Well

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

Approx. 9-1-1963

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 45 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

Manual pump, with Electric Motor attached

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

Approx. 9-1-1963

8. The depth of water table:

25 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

Approx. 25 ft, Well, Hand-operated pump, with Electric motor attached

10. The estimated amount of groundwater withdrawn each year:

35,000 gallons

11. The log of formations encountered in the drilling of each well if available:

Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
