STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. William W. Hazel Rennie, of 213 3rd Ave S.W. Sidney
(Name of Appropriator) (Address) (Town)

County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

S.W. 1/4, S.W. Sec. 32 T. 25 R. 58 E.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based for watering stock in pasture

3. Date or approximate date of earliest beneficial use; and how continuous the use has been before 1909 used from just about November or as long as cattle are in pasture until 1940 used continuously for household use

4. The amount of groundwater claimed (in miner's inches or gallons per minute) do not know estimate 10 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof never used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal power and windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater do not know but was dug before 1909

8. The depth of water table 20 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 6.5 ft deep 6 inch hole well casing

10. The estimated amount of groundwater withdrawn each year do not know estimate 4.22,000

11. The log of formations encountered in the drilling of each well if available do not know

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Hazel Rennie

Date Dec 12 - 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Walter P. Hillman, of P.O. Box 14 Harwood
(Name of Appropriator) (Address) (Town)
County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

See Plot
SE 1/4 Sec 35 T. 25 R. 58

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been fall of 1912
Continual use

4. The amount of groundwater claimed, (in miner's inches or gallons per minute) 12 to 1400 perhaps more
every 24 hours

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

None Does not apply

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Pump - 40 gpm
Gas - Windmill - reserve - NE corner of 10
Acres of SE 1/4 Sec 35 Twp 25 - R 58 E
See map

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater fall of 1912 - 17 foot 2-day work - dug by hand
and 1 1/2 days building & installing part of work

8. The depth of water table Six feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 12 ft cast Depth of well 12 ft
W.C.G. cast replaced with steel

10. The estimated amount of groundwater withdrawn each year 270000 to 300000 gals

11. The log of formations encountered in the drilling of each well if available Clay after 3 ft to
coarse gravel - bottom

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner Walter P. Hillman
Date Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
 ADMINISTRATOR OF GROUNDWATER CODE
 OFFICE OF STATE ENGINEER

JAN 19 1964

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Lester Holm, of Richley (Town)
 (Name of Appropriator) (Address)
 County of Richland State of Montana
 have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 17, T. 15, R. 53
 Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. Stock water
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1948 all year
4. The amount of groundwater claimed (in miner's inches or gallons per minute). 5 gal per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. no
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1948
8. The depth of water table. 20 ft
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 2 1/2 in by 31 ft deep
10. The estimated amount of groundwater withdrawn each year. 740,000 gal
11. The log of formations encountered in the drilling of each well if available. not known
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. not known

Signature of Owner Lester Holm
 Date Dec 27 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
 Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

Loren + Kathryn Pratt, of Fairview
(Name of Appropriator) (Address) (Town)
County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based household stock, irrigating garden
- Date or approximate date of earliest beneficial use; and how continuous the use has been 1948 - every year
- The amount of groundwater claimed (in miner's inches or gallons per minute) 150 gal. per min.
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 1/2 acre garden SE 1/4 NE
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump

- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Spring #1948 - completed in 1948
- The depth of water table about 10 ft.
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater hand dug 4 ft square 30 ft. deep
- The estimated amount of groundwater withdrawn each year 200,000 gal.
- The log of formations encountered in the drilling of each well if available not available
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record no record

(Under Chapter 237, Montana Session Laws, 1961)

STEWART SUNDHEIM of R. 27 FAIRVIEW
(Name of Appropriator) (Address) (Town)

County of Richland State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec 23 T 25 R 59

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based... Livestock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been... 1935

4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 10 gal.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... No.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... electric motor pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... 1935

8. The depth of water table... X 25 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... 2 in pipe in open hole.

10. The estimated amount of groundwater withdrawn each year... 60000 gal.

11. The log of formations encountered in the drilling of each well if available... Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... Not available.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Dan Davidson, of Fairview Mont
(Name of Appropriator) (Address) (Town)

County of Richland State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec 33 T. 25 N. R. 59 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. House and Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1928
Steady

4. The amount of groundwater claimed (in miner's inches or gallons per minute) Unlimited, flows in as fast as used

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Garden and Flowers and Scrubbing around House

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Electric Motor and Wind Mill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Early 1928

8. The depth of water table 65 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 36 inch bored Well
Electric Pressure Pump and ordinary Pump attached to Wind Mill

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available
Light Loam - Sand - Coarser Gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Dan Davidson
Date Dec 31st 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
