Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

GEO. H. LUEDKE
(Name of Appropriator)
of R 3 FROID
(Address)

Montana (State of)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. The beneficial use on which the claim is based.
   *Drinking*

2. Date or approximate date of earliest beneficial use; and how continuous the use has been...
   1928

3. The amount of groundwater claimed (in miner's inches or gallons per minute).
   3 gal per min

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   Hand pump or windmill

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   1928

7. The depth of water table.
   130 ft

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   130 ft deep

9. The estimated amount of groundwater withdrawn each year.
   50,000 gal.

10. The log of formations encountered in the drilling of each well if available.

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: GEO. H. LUEDKE
Date: 12-15-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaring of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Vernon B. Young and Marjorie Young, of Proid
   (Name of Appropriate) (Address) (Town)

   County of Roosevelt
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   
   Stock Water and Household use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   
   1953 - Continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   
   Unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   
   Not used for Irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   
   Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   
   October, 1953 and finished in October, 1953.

8. The depth of water table.
   
   Well is 84 feet deep.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   
   4 inch casing - Steel

10. The estimated amount of groundwater withdrawn each year.
    
    Undetermined

11. The log of formations encountered in the drilling of each well if available.
    
    Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
    
    

Signature of Owner:

Date: December 18th, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Henry Hoye, of Roosevelt, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. The point of appropriation and the place of use is: Each 10 square represents 10 acres.

2. The beneficial use on which the claim is based: Domestic, livestock.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1961. Continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 42 GPM.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof.

6. The means of withdrawing each water from the ground and the location of each well or other means of withdrawal: Wall; cylinder pump; electric motor.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1961, Exact dates unknown.

8. The depth of water table: 155 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 160 foot well, drilled, four inches, steel casing.

10. The estimated amount of groundwater withdrawn each year: 300,000 gallons.

11. The log of formations encountered in the drilling of each well if available: None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner: Henry Hoye
Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

From, Montana
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Owner: E. J. Christoffersen
Address: Froid, Montana
Contractor (if any): Dawn Construction Co., Inc.
Address of Contractor: Raymond, Montana
Date Started: Nov. 19, 1965; Date Completed: Nov. 23, 1965

Describe means of obtaining groundwater without a well, "as by sub-irrigation and other natural processes." Include depth of water when applicable. Construction of an earth dam.

Storage capacity of this structure is 20 acre-feet.
Surface area is approximately 48 acres.
Storage area of reservoir (acre-ft.) is as follows:
40 ft. = 0,6 acre-ft. 
18 ft. = 0,2 acre-ft.
Signature of Owner:
Ewald Christoffersen
Date: November 23, 1965

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

2. The beneficial use on which the claim is based:
   - water for livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - one well 1910
   - one well 1910
   - both same depth
   - both used since they were dug

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gal. per minute for each of the two wells

5. If used for irrigation, give the acres and description of the lands to which water has been applied and name of the owner thereof:
   - not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - submersible pump
   - three 24 inch cylinders
   - one on each well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - summer of 1910
   - second well 1921

8. The depth of water table:
   - 29 ft. 45 ft. from surface of the ground
   - both wells approximately the same

9. So far as it may be available, the type, size and depth of each well or the general modifications of any other works for the withdrawal of groundwater:
   - three 24 ft. 48 inch steel
   - four 24 ft. deep 18 inch wood curving

10. The estimated amount of groundwater withdrawn each year:
    - 160,000 gal. from each well

11. The log of formations encountered in the drilling of each well if applicable:
    - 43 ft. clay
    - water bearing sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

DeclARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

I, Kenneth V. Nyquist of Route 2, Frod
(Name of Appropriator) (Address) (Town)

County of Roosevelt State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Livestock, irrigation, household, crop spraying, fire prevention.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1910--continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 10 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. One acre in SE 1/4 Section 7, T. 50. R. 57.

6. The means of withdrawing such water from the ground. Cylinder pump, Electric motor. See plat for description.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1910. No other information known.

8. The depth of water table 500 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 100 feet deep. Bored. Eighteen inches with wood casing.

10. The estimated amount of groundwater withdrawn each year 600,000 gallons.

11. The log of formations encountered in the drilling of each well if available. None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None available.

Signature of Owner: Kenneth V. Nyquist
Date: December 28, 1963

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Bernhardt Schumbacher, of Froid, State of Montana,
County of Roosevelt, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: household and personal (irrigate garden of appropriator also at point shown herein)
2. The date or approximate date of earliest beneficial use: July 10, 1949; continuous year around use (daily) since said date;
3. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute
4. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof: 
5. The means of withdrawing such water from the ground and the location of such well or other means of withdrawal: electric pump
6. The date of commencement and completion of the construction of the well, works, or other works for withdrawal of groundwater: Started July 6, 1949 and completed July 10, 1949;
7. The estimated amount of groundwater withdrawn each year: 300,000 gallons approx.
8. The log of formations encountered in the drilling of each well if available: none
9. The type, size and depth of each well if able: none
10. The type, size and depth of each well if able: none
11. The log of formations encountered in the drilling of each well if available: none
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none

Signature of Owner:

Declaration of Vested Groundwater Rights

Under Chapter 237, Montana Session Laws, 1961

1. Norbert Portra, Jr., of Froid
   Name of Appropriator
   (Address) (Town)

   County of Roosevelt
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      Livestock, domestic, yard irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1914, 1925, 1942, 1955, 1965, all five of these wells are used, one for stock and three for domestic use and one in farm pump yard.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 300 gal/min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
      Irrigation for domestic use—yard and garden. One acre in Nw1/4 Sec. 9 T30 N 58.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      Windmill, two hand pumps and two pressure pumps—all wells. See plat.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1925.

   8. The depth of water table 55 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. All these wells are two foot holes, all about 35 feet in depth.

   10. The estimated amount of groundwater withdrawn each year 500,000 gallons.

   11. The log of formations encountered in the drilling of each well if available: Sand and 4 feet, gravel 3 feet, clay 25 feet and about one foot seal.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None.

Signature of Owner: Norbert Portra

Date: Dec. 30, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
