STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

   (Name of Appropriator)
   (Address)

   County of Roosevelt, State of Mont.

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      livestock and household use
      used continually since 1927

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      1927

   4. The amount of groundwater claimed (in miner's inches or gallons per minute):
      two wells and 1 spring
      one jet pump and one hand pump

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      only garden

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      finished well 1928

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      28 inches, both wells

   8. The depth of water table:
      35 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      28 inches, both wells

   10. The estimated amount of groundwater withdrawn each year:
       25,000 Gal.

   11. The log of formations encountered in the drilling of each well if available:
       not available

   12. Such other information, of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Oscar Nelson
   Date: Aug 29, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Jens W. Jensen, of Homestead, Roosevelt County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Household use, cattle and watering troughs

3. Date or approximate date of earliest beneficial use, and how continuity of the use has been maintained:
   1922. First well 1922. Second well 1940.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 22 gal per minute

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof, just trace etc.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump and pipe 114 ft. motor attached

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   First well 1922. Second well 1940.

8. The depth of the water table:
   Wells 18 inch bored first one 5 ft., second 36 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Wells described above with pumps

10. The estimated amount of groundwater withdrawn each year:
    Over 100,000 gal.

11. The log of formations encountered in the drilling of each well if available:
    Lat. 18 inches black dirt, then gray clay, and then yellow clay and fine sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Jens W. Jensen
Date: Nov. 15, 1965.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Clayton Skillingberg
Address: of Fred, Montana
Town: (Address)
County: Roosevelt
State: of Montana

I, Clayton Skillingberg, do swear that I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Have appropriated groundwater through the construction of a well or other works for withdrawal of groundwater.

2. The beneficial use on which the claim is based: Domestic. House, food, and household.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1929.

4. The amount of groundwater classed: (in inches or gallons per minute) 10 gallons.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Irrigate garden and lawn.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Jet pumps.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1929.

8. The depth of water table: 10 feet water.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 12 inches, bored well.

10. The estimated amount of groundwater withdrawn each year: 400,000 gallons.

11. The log of formations encountered in the drilling of each well if available: None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None available.

STATE ENGINEER

David Robert Murray, a Homestead Montana
(Name of Appropriator)
(Address)
(Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: livestock, garden

3. Date or approximate date of earliest beneficial use: 1924
   Continuous use: 1951

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   #1 5 gallon per minute
   #2 1 gallon per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   as irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   #1 jet pump
   #2 jet pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   #1 Sept. 2, 1924 completed Jan. 25, 1925
   #2 June 4, 1951 completed June 16, 1951

8. The depth of water table:
   #1 11 ft
   #2 47 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   #1 110' bored well 37' ft wooden casing
   #2 3' drilled well 197' steel casing

10. The estimated amount of groundwater withdrawn each year:
    #1 200,000 gallons
    #2 180,000 gallons

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: David Robert Murray

Declarations of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Robert Lee
   (Name of Appropriator)
   (Address)
   (Town)
   County of Request
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been continually since 1959.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not applicable.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater include the fact deep and has a 4 inch casing - water was withdrawn by a cylinder driven by an windmill.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Robert Lee
Date: Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

WATER RIGHT
CORRECTION AFFIDAVIT

STATE OF MONTANA  ) ss.
COUNTY OF ROOSEVELT  )

DALE A FUNK having first been duly sworn upon oath deposes
and says:

That he is the record owner of the Southeast Quarter of
Section 14, T30N, R46E, M.P.M., Roosevelt County, Montana.

That in the year 1952 and at times prior and subsequent
thereto he appropriated water to beneficial uses and purposes from
five separate wells within the said quarter section of real prop-
erty.

That on December 28, 1961, affiant filed or caused to be
filed of record in the office of the Clerk and Recorder of
Roosevelt County, Montana, notices of appropriation on each of the
five water wells.

That in the said notices of appropriation so filed, the
property was incorrectly described as being the NE\ of Section 14,
rather than SE\ of Section 14, T30N, R46E.

That he makes this affidavit for the purpose of correcting
the records of Roosevelt County, Montana, and to correctly reflect
the appropriations of water in the SE\ of the said Section 14,
T30N, R46E.

Further affiant sayeth not.

Subscribed and sworn to before me this 31\ day of March, 1976.

James A. McNamara
Notary Public for the State of Mont.
Residing at Wolf Point, Montana
My Commission expires December 6, 1977
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Effective Under Chapter 237, Montana Session Laws, 1961)

1. Edward T. Hanson
   (Name of Appropriator)
   of: Matterhorn
   (Address)
   Wolf Point
   (Town)

   County of: Roosevelt
   State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based.
      Domestic - household, livestock & irrigation

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      Since 1954 for South Well
      Since 1954 for North Well

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1,000 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      1/4 acre garden NE of 14-30-86
      Edward T. Hanson

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      Electric pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      1956 for South Well, completed in 1957
      North well completed in 1954

   8. The depth of water table:
      1.3 & 1.4, Top 30 feet. Lots 1 & 5, 23-30-16 S
      1958-1962

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      Riverview North Well is 224' deep with 5" casing and 10" pump pipe to full depth
      South Well is 175' with 4" casing and 12" pump pipe to full depth

   10. The estimated amount of groundwater withdrawn each year: 300,000 gal.

   11. The log of formations encountered in the drilling of each well if available:
      Not available, but surface is light soil and sand - Yellow cay under surface a few feet with hardpan rock encountered at about 25'. Don't know depth of rock, but got out of it and into gravel in both wells.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of county record:

   Signature of Owner: Edward T. Hanson
   Date: 12-30-65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Marvin A. Monroe-Bartel, of Wolf Point, (Address) (Town)
   County of Roosevelt State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic and livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1963 Used since then

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20-gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Submersible-type electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1963

8. The depth of water table: 58 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled with cable tool. 5 inches diameter 248 feet total depth. Water withdrawn with submersible type pump

10. The estimated amount of groundwater withdrawn each year: 250,000 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Marvin Monroe-Bartel
   Date: Dec 31 1963

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. **Location:**

   - **Map:**
     - **Section:** 2
     - **Township:** T30N
     - **Range:** R47W

2. **The beneficial use on which the claim is based:**

   - **Type:** Stock Water

3. **Date or approximate date of earliest beneficial use and how continuous the use has been:**

   - **Year:** 1955
   - **Type:** Used to water chickens. Continues to that date.

4. **The amount of groundwater claimed (in miner's inches or gallons per minute):**

   - **Amount:** About 2.94 gallons per minute.

5. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:**

6. **The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:**

   - **Type of Pump:** Jet Deep Well Pump

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**

   - **Started:** Sept. 1955
   - **Completed:** Jan. 1957

8. **The depth of water table:**

   - **Depth:** 23 ft.

9. **So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**

   - **Well:** 30 ft. deep, 8 in. diameter
   - **Platform:** About 7 ft.
   - **Curb:** 1.4 ft.
   - **Curbed with gravel.

10. **The estimated amount of groundwater withdrawn each year:**

   - **Amount:** 10,000 gal.

11. **The log of formations encountered in drilling of each well if available:**

12. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**

   - Signature of Owner: Ollie J. Hauge
   - Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
