STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Sammie M. Holland of (Address) Angola, County of (County) Rosebud, State of (State) Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household and garden

3. Date or approximate date of earliest beneficial use: 1936

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1936

8. The depth of water table: 40 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well 50 ft deep

10. The estimated amount of groundwater withdrawn each year: 100,000

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Sammie M. Holland
Date: Feb 10-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
The document contains handwritten text in a format that appears to be a legal record or similar document. The text is partially legible, and it includes various entries and signatures. The document contains dates and names, which are typical of legal or official documents. The handwriting is faint, and some parts are difficult to decipher. The document includes a page number at the top, indicating it might be part of a larger series or book.

   **Declaration of Vested Groundwater Rights**

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Household and stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - **1932**
   - **1933**

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - **6 gal. per min.**
   - **10 gal. per min.**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - **Not applicable**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - **Electric submersible pump; casings 10 ft.**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - **1932**, **1933**, **1934**

8. The depth of water table:
   - 25 ft.
   - 70 ft.
   - 250 ft.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - **2 1/2 ft. drill, 12 in.**
   - **3 1/2 ft. drill, 12 in.**
   - **3 1/2 ft. drill, 7 in.**
   - **6 ft. drill, 15 in.**

10. The estimated amount of groundwater withdrawn each year:
    - up to 60 gal. per day

11. The log of formations encountered in the drilling of each well if available:
    - **Not available**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - **Not applicable**

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Matthew Bros. of Box 27, Miles City, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 13-1940-14-1940

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 13.5 gals., 14.8 gals., 15.5 gals.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: not available

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Wells 13 and 15 have 2 inch pump pipes with 1.13/16 inch cylinder. Well 14 has 13 inch pump pipe with 2 inch cylinder.

10. The estimated amount of groundwater withdrawn each year: not known

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date: 7/3/25

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner: Andy Fillafer
Address: 54 Jordan Stage
Contractor (if any):
Address of Contractor:

Date Started Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth of water when applicable.

Water is 0 to 6 ft. flower to outside and was also equipped with hand pump for outside tank.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

Summer use one of 50 head of cows.

Signature of Owner: Andy Fillafer
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Ralph Guthridge, of Box 61, Sumatra

County of Rosebud, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: August 1, 1941

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3000 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: May 20, 1961

8. The depth of water table: 10 feet from top of ground

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: No other wells have been drilled

10. The estimated amount of groundwater withdrawn each year: Not applicable

11. The log of formations encountered in the drilling of each well if available: Don't have the log

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No other information
