23. Coleman, H - Waterwell: 168215
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Hunt Oil Co. (Name of Appropriator)
   Sturgis, Butte (Address)
   Miles City (Town)

   County of Beaverhead
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Jan 2, 1955
   480 acre-feet

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 32 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Kindmill pump yard

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Jan 2, 1955

8. The depth of water table:
   5 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   4" casing
   55 ft dept

10. The estimated amount of groundwater withdrawn each year: 240,000

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner:
   Hunt Oil Co.

   Date: 12/27/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

2. The beneficial use on which the claim is based: Stock well

3. Date or approximate date of earliest beneficial use: April 18, 1966
   How continuous the use has been: Never

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 15,000 gal per min

5. If used for irrigation, give the section and description of the lands to which water has been applied and name of the owner thereof: Not for irrigation well

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Withdrawal
   by stock well on farm

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: April 18, 1966
   Completed: April 26, 1966

8. The depth of water table: 85 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Depth of well: 103 ft
   Water withdrawn from well: Depth of water table 85 ft

10. The estimated amount of groundwater withdrawn each year: Approx. 250,000 gal

11. The log of formations encountered in the drilling of each well if available: Well log attached

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

STATE ENGINEER

1. J M Wight of Longch Montana

County of Saline State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
Milk Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
Aug 25, 1952

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
5 gallon

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Well will have pumped 15 feet

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
July 15, 1952

8. The depth of water table 20 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
Water will have pumped 15 feet

10. The estimated amount of groundwater withdrawn each year 1,160,000

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

188716
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Earl B. Rice, of Forsyth, Montana

County of Rosebud
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Spring in 1910, well dug in 1925, used continuously since development.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Spring (for house and stock) approx. 40 gal. per hour, well 60' deep, for house use only; approx. 250 gal. per day

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring developed with electric jet pump to put into tanks and to house. Well with windmill bear house and equipped with electric pump to raise water for house use.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring developed in 1910, well dug in 1925

8. The depth of water table: one is a natural spring-developed. Well dug 60', water table 8 ft. down.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well near house 60' deep, drilled and cased; Spring short distance from house down hill, developed and equipped with jet pump-electric, to force water into tanks and uphill to tanks near dwelling and to corral.

10. The estimated amount of groundwater withdrawn each year: 125,000 gallons.

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Earl B. Rice
Signature of Owner

Date: October 18th, 1967

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
188646

UNITED STATES OF AMERICA
COUNTY OF RORE.

Filed on the 12th day of Oct., 1886, at 3 P.M.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater...1959

Owner/John B. Shank
Address/Forysth

Contractor (if any)....NONE

Address of Contractor...

Date Started...Date Completed...

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable...

SPRING- Cement Casing + Tied

to Tank - 4' deep permanently

Constant use

Depth - Approx. 4'

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use...

4 g.p.m. - measured

and timed - Constant use

NE NE Sec. 8, T. 5 N., R. 39 E

Indicate point of appropriation and place of use, if possible.

Signature of Owner...

Date...12-28-68

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA, COUNTY OF ROSEBUD SS. FILED DEC. 30, 1963, ATT'Y, C.C. CLERK
