Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Archie E Long, of Plumlyth Montana
(Name of Appropriator) (Address) (Town)
County of Bozeman State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 SE 1/4 Sec. 3 T. 6 N. R. 39 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based No. 1 well for house use, No. 2 for livestock.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 4/15/52 3/5/61

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 gallons per minute on No. 1 + No. 2 wells.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal No. 1 50 ft west of house pumps No. 2 100 ft east of barn.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater No. 1 4/10/52 - 4/15/52 No. 2 3/2/61 - 3/5/61

8. The depth of water table 5 ft on No. 1, 6 ft on No. 2

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater No. 1 dug well with 2 1/2 in corrugated galvanized pipe casing 14 ft deep. No. 2 the same.

10. The estimated amount of groundwater withdrawn each year No. 1 + No. 2 200,000 gal

11. The log of formations encountered in the drilling of each well if available No. 1 7' of sand from 3 ft of fine gravel, 4 ft of coarse gravel, No. 2 4 ft of clay, 6 ft of sand, 7 ft of coarse gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Archie E Long
Date 12/30/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater Sept. 15, 1969

Owner Merle R. Krueger Address Forsyth

Contractor (if any)

Address of Contractor

Date Started 8-27-69 Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Pump from existing Yellowstone

River slough.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use 50,000 gallons

per day, intermittent, for a 6 month irrigation

season. Gallonage to be in conformity with the

performance curve of the pump used.

Signature of Owner Merle R. Krueger

Date Sept 15 - 1969

County of Rosebud State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

$\frac{1}{4}$ Sec. 7 T. 6 N R 39

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based...
Household and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...
Oct. 1918

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...
8 gals. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...
Electric pump with hand pipe

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
rebuild reworked well in 1947
hand dug well - 28 feet deep with 36" culvert

8. The depth of water table...
28 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
see above item

10. The estimated amount of groundwater withdrawn each year...
360,000 gals per year

11. The log of formations encountered in the drilling of each well if available...
dist. for 8 feet
ground for 120 feet
ground and bottom with water

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. M. W. Tadsen of Forsyth
(Name of Appropriator) (Address) (Town)

County of Rosbud State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 22 T. 6N R. 39E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1951

4. The amount of groundwater claimed (in miner's inches or gallons per minute) ---

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Pump jack and motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1951

8. The depth of water table 40'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 6" casing - cased to bottom

10. The estimated amount of groundwater withdrawn each year 700 gal. per day

11. The log of formations encountered in the drilling of each well if available ---

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record SGS office may have some information

Signature of Owner: M. W. Tadsen

Date: Dec. 23 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

**Notice of Completion of Groundwater Appropriation
Without Well**

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater... Feb. 1/1960

Owner... Dotter Ranch Co. Address... Forsyth, Montana

Contractor (if any) ... Walter Hicks

Address of Contractor Forsyth, Montana

Date Started... June 8 1960 Date Completed... June 8 1960

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Surface water springs

NW 1/4 Sec. 27 T. 6N R. 38E

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use. A 30 gallon per hr. estimate. B 20 gallon per hr. estimate

C 10 gallon per hr. estimate. Springs A B & C

are used to water 100 head of cows for a period of three months per year.

Signature of Owner... By Dotter Ranch Co
Arthur W. Dotter
Date Dec 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. James A. Montgomery, of Forsyth
(Name of Appropriator) (Address) (Town)
County of Rosebud State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N.E. 1/4 Sec. 1 T. 6. R. 4E
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based. House & Stock
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Possibly around 1920
constantly
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute). one gallon per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. X
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Artesian Well

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Not Known
- 8. The depth of water table. Not Known
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Not Known
- 10. The estimated amount of groundwater withdrawn each year. 535,600 gallons
- 11. The log of formations encountered in the drilling of each well if available. Not Available
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Signature of Owner James A. Montgomery
Date Dec 28 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. A. G. Lee, Jr., of Forsyth
(Name of Appropriator) (Address) (Town)
County of Rosebud State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

..... 1/4 Sec. 2 T. 6N R. 41E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based household use and stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been steady use since the 1920's

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal submersible pump for household and also pumps for stock water

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1920's

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater This is an artesian well which flows about 3/4 gallon per minute. A water system for household use is down in well and this system also pumps for livestock during periods of heavy use, which supplements the artesian flow.

10. The estimated amount of groundwater withdrawn each year 550,000 gallons

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner A. G. Lee, Jr.
by J. K. Lee
Date Dec. 18, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
