By

County Clerk & Recorder

Deputy
STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

J. R. Lee
(Name of Appropriator)

of....Forsyth

(Address)

County of Rosebud

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

Both Drilled 1955

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

10 gallons per minute for each well

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Pump Jack and Gasoline Motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1955

8. The depth of water table

About 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

Each is Drilled well, 6 inch Metal casing, about 30 ft deep

10. The estimated amount of groundwater withdrawn each year

Well # 1 - Used Varying Amounts

Well # 2 - 195,400 gallons

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Dec. 18, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Household - garden, yard, stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1942 - Used every day

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 4 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump. Well located in basement of house.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1942 - 1942

8. The depth of water table 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Dug well - 35 feet deep

10. The estimated amount of groundwater withdrawn each year 29,000 gallons

11. The log of formations encountered in the drilling of each well if available None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Not applicable

Signature of Owner: Arnold Simpson
Date: December 26, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: George Melnur
Address: Las Vegas, Mont.

Date of Notice of Appropriation of Groundwater

Date well started... Date Completed...

Type of well Drilled Equipment Used (Churn, drill, rotary or drilled)

Water Use: Domestic ☐ Municipal ☐ Other ☐ Irrigation ☐
Industrial ☐ Drainage ☐ Stock ☐

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

<table>
<thead>
<tr>

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 30 Dec. 1963
Owner: Katherine F. Espeling, Forsyth, Montana
Contractor (if any): None
Address of Contractor: ________________________________
Date Started: __________________ Date Completed: ______

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes": Include depth to
water when applicable. Natural flow of spring

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use. Flow

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Katherine F. Espeling.
Date: 30 Dec. 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic and Livestock

3. Date or approximate date of earliest beneficial use and how continuous the use has been: Oct. 31, 1958 Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gallons per minute

5. If for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump, Deep well, Demand

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Sept. 1958, Oct. 1958

8. The depth of water table: 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled, 110 feet deep, 4-inch

10. The estimated amount of groundwater withdrawn each year: 1,550,200 gallons

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Unknown

Signature of Owner: H. E. Patterson
Date: Dec. 28, 1963
