Declaration of Vested Groundwater Rights STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. Wendell Stephen, of Box 56 Plains
(Name of Appropriator) (Address) (Town)

County of Sanders State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N.W. 1/4 Sec. 33 T. 19 R. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. May 15, 1961
Each year from May to Nov

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 700 gallons per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

183 acres
is a portion of Sec 33 T. 19 R. 25
land between US Hwy 10A
and the Clark's river

6. The means of withdrawing surplus from the ground and the location of each well or other means of withdrawal. Hand pump
N.W. 1/4 of S.E. 1/4 Sec 33 T. 19 R. 25

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. April 13, 1961 - May 13, 1961

8. The depth of water table. 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 28 feet deep 10 feet in Dia

10. The estimated amount of groundwater withdrawn each year. 18,000,000 gallons per year

11. The log of formations encountered in the drilling of each well if available. None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Signature of Owner Wendell Stephen
Date 12/30/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater... 1910

Owner... L.L.E. CUMMINGS... Address... PERMA

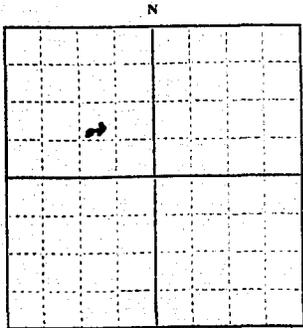

Contractor (if any) ... N.A.

Address of Contractor ... N.A.

Date Started... N.A. Date Completed...

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Flowing Spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use.

Flows about 500 gal. per hour.

SW 1/4 NE 1/4 Sec. 24 T. 19. R. 24

Indicate point of appropriation and place of use, if possible.

Signature of Owner Lottie Cummings

Date Dec. 30 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Northern Pacific Railway Co. of N.P. Section House Perms
(Name of Appropriator) (Address) (Town)
County of Sanders State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 NE Sec 36 T19N R. 24W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
Domestic purposes

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....
Aug. 18, 1949 to present

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
5 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Flowing well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
Started July 8, 1949 Completed August 18, 1949

8. The depth of water table.....
Flowing well 2 gallons per minute

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
6 in. drilled well, 222 feet deep

10. The estimated amount of groundwater withdrawn each year.....
75,000 gallons

11. The log of formations encountered in the drilling of each well if available.....
see attached log 21-A

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
None

Signature of Owner.....
Date Nov 8 '63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

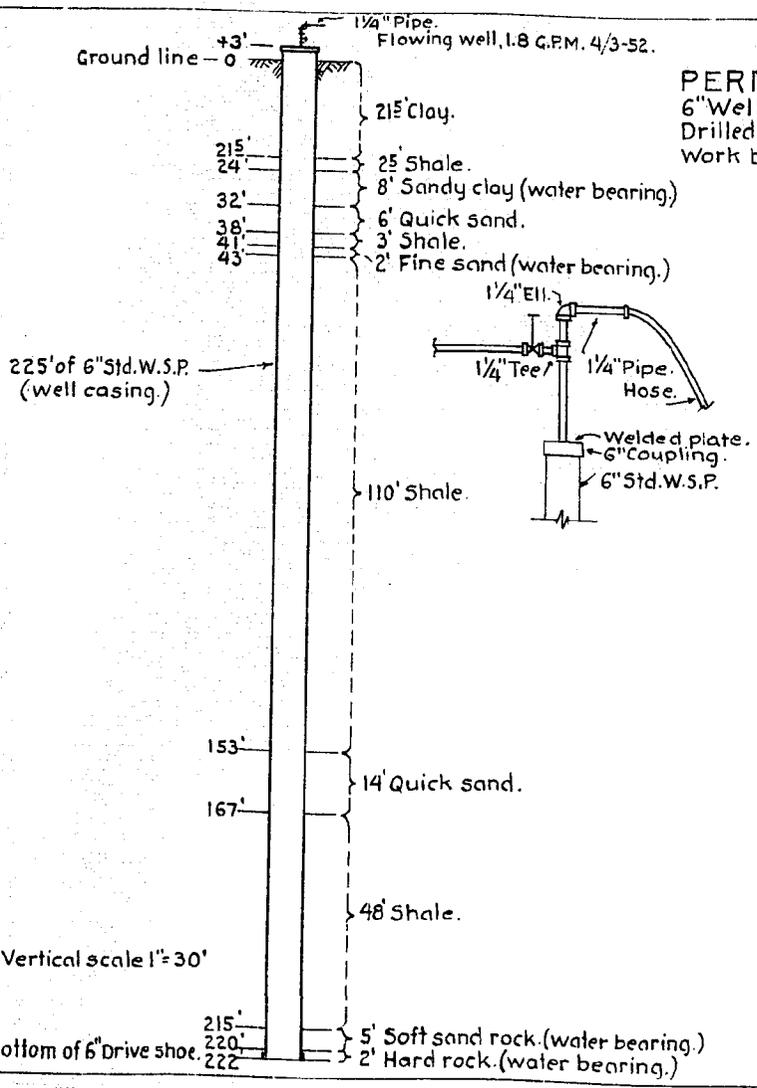

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
