NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL
Developed After January 1, 1962
(Under Chapter 237, Montana Session Laws, 1961, as amended)

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.
Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: Whiskey Trail Land and Cattle Company
Address: Box 1172, Polson, Montana 59860
Contractor (if any): None
Address of Contractor: n/a
Date Started: Date Completed:

1. Describe means of obtaining groundwater (as by sub-irrigation, developed springs, drains, etc.)
   (excavation, storage, tank and necessary pipes):

2. Means of swing water (gravity, pump, canal, etc.):
   cavity:

3. Depth of water table: on and just under the surface:

4. Use of the water: stock water:

5. Amount of groundwater claimed (in miner's inches or gallons per minute). 20" (each spring):

6. If used for irrigation, give number of acres and description of land: n/a:

7. Estimate amount of water used each year: stock water:
   and excess is reserved as indicated by "x":

8. Months of year spring flows: Twelve:

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: About 1967

Albert
Owner: Albert T. Anderson  Address: Hot Springs, Mont

Contractor (if any)  
Address of Contractor  

Date Started:  Date Completed:  

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable:

- Draw out the spring and piped in to stock troughs.
- 
- 
- Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:
- Each spring runs a 3/4 pipe full.
- 

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.
Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: Whiskey Trail Land and Cattle Company
Address: Box 1172, Polson, Montana 59860

Contractor (if any) None
Address of Contractor N/A
Date Started N/A Date Completed N/A

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   (excavation, storage tank and necessary pipe)

2. Means of withdrawing water (gravity, pump, canal, etc.)
   Gravity

3. Depth of water table on and just under the surface

4. Use of the water stock water

5. Amount of groundwater claimed (in miner's inches or gallons per minute) 20" (each spring)

6. If used for irrigation, give number of acres and description of land

7. Estimate amount of water used each year stock water and excess is reserved

8. Months of year spring flows twelve

Signature of Owner " "
Date 29 June 1973
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1960

Owner: Byron Howard
Address: Perma, Mont.

Contractor (if any): Bert Polson
Address of Contractor: Miles City

Date Started: Fall 1960
Date Completed: Fall 1960

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Dug out spring - 600' of 4" tile - drains into pond

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use - roughly

Estimate 2 minutes inches of water. Steady flow - used for stock water & being developed for irrigation

Signature of Owner: Byron Howard
Date: 1-3-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator: Dorothy Anderson
   Address: Philo Springs
   County: Lewis
   State: Montana

2. The beneficial use on which the claim is based: Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1910-1962

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3.0 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1910-1962

8. The depth of water table: Spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Spring

10. The estimated amount of groundwater withdrawn each year: 1.0 D.C. - Fall

11. The log of formations encountered in the drilling of each well if available: Spring

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Spring

Signature of Owner: Dorothy Anderson
Date: 12/31/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadriplicate for the Appropriator.
