**Static Water Level** for non-flowing Well: Approx. 15 ft

**Shut-in Pressure** for flowing Well: Approx. 15 psi

**Pumping Water Level**: Approx. 200 G.P.M.

**Discharge in gal. per min. of flowing well**:

**How Tested**:

**Length of Test**:

**Remarks**: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation)

**Driller's License Number**:

**Driller's Signature**:

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
(Received and filed for record on the 29th day of June, 1965.)

Christopher Obi
County Recorder

By

Judy L. Kenney
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Norman P. Ruttk Cerrn (Name of Appropriate)
   (Address)
   (Town)
County of Landers State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Irrigation
   Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1923
   Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   90 gal.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   60 acres
   Section 14, Township 14, Range 24

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Artesian

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1923

8. The depth of water table
   35.2 Feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   2 inch casing 27.2 Feet

10. The estimated amount of groundwater withdrawn each year
    19,500 cu. ft. 20 gal.

11. The log of formations encountered in the drilling of each well if available
    841 Feet

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Norman P. Ruttk Cerrn
Date: Jan 3, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriation.

THIS INDENTURE, Made the 21st day of July

A. D. one thousand nine hundred and sixty-nine

BETWEEN Norman Carr and Ruth C. Carr, his wife

of Thompson Falls, Montana

and John Malinak and Nora Jean Malinak, his wife

of

WITNESSETH that the said parties of the FIRST PART, for and in consideration of the sum of TEN and no 00/100 DOLLARS ($10.00)

lawful money of the United States of America to

in hand paid by the said part ies of the SECOND PART, the receipt whereof is hereby acknowledged, does hereby grant, bargain, sell, convey, warrant and confirm unto the said parties of the SECOND PART, and to their

heirs and assigns forever, the hereinafter described real estate situated in the city or town of

County of Sanders

and State of Montana, to wit:

An Easement and right to use water from a well and to install a pressure pump with a 3/4 inch pipe output from said well. Said well is located 184 feet East and 63 feet South from the Southwest corner of the 1/2 of the 1/4 of Section 14, Township 23 W. R. & M., together with a 8 foot easement for Civil Line purposes with the right of ingress and egress from the well described as follows: Beginning at said well hence due North 64 feet to the South line of the 1/2 of the 1/4 of said Section 14, the point of termination of this easement.

Said Easement is to be appurtenant to the property described in the deed recorded this same day from Ruth U. Carr to John Malinak and Nora Jean Malinak, his wife and lies within the Northeast one-quarter of Section 14, Township 23 North, Range 23 West, M. & M.

TOGETHER with all and singular the hereinbefore described premises together with all tenements, hereditaments, and appurtenances thereto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues and profits thereof and also the estate, right, title, interest, right of dower and right of homestead, possession, claim and demand whatsoever, as well in law as in equity, of the said part ies of the FIRST PART, of in or to the said premises, and every part and parcel thereof, with the appurtenances thereto belonging, TO HAVE AND TO HOLD, all and singular the above mentioned and described premises unto the said parties of the SECOND PART, and to their

heirs and assigns forever.

And the said parties of the FIRST PART, and their

heirs, do hereby covenant that they

will forever WARRANT AND DEFEND all right, title and interest in and to the said premises and

every now existing possessory interest in said premises, against all acts or doing of the said parties of the SECOND PART, or whatever person or persons whatsoever lawfully or otherwise claiming to have or to claim the same.

IN WITNESS WHEREOF, the said parties of the FIRST PART have hereunto set their

hands and seals the day and year first hereinbefore written.

Signed, Sealed and Delivered in the presence of

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1912
Owner: Norman L. Carr
Address: Hot Springs, Montana
Contractor (if any): 
Address of Contractor: 
Date Started: 
Date Completed: 
Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.
Springs:

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.
1. 2 inch pipe.
2. 3 inch pipe.
Use on both springs is approx. 6 months out of a year.

Signature of Owner: Norman L. Carr
Date: December 23rd, 1961

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Conrad Malinak, of Hot Springs, Montana
   (Name of Appropriator)

County of Sanders, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Artisan Well, Irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
   May 1950, Used Continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   1200 g.p.m.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof:
   750 Acre
   Conrad Malinak

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Artisan Flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   May 1950

8. The depth of water table:
   Flowing

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   254 ft. deep

10. The estimated amount of groundwater withdrawn each year:
    Unknown

11. The log of formations encountered in the drilling of each well if available:
    Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Conrad Malinak
Date: 12/24/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriate Owner.

MONTANA

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Date or approximate date of earliest beneficial use; and how continuous the use has been: 1940, Used Continuously

Amount of groundwater claimed (in inches, gallons or per minute): 120.9

The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1940

The depth of water table: Flowing

The log of formations encountered in the drilling of each well if available: UnKnown

The estimated amount of groundwater withdrawn each year: Unknown

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Conrad Malinak, of Hot Springs
County of Sanders, State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 1915 Continually

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1000 G.P.M. Approx.

5. If used for irrigation, give the arrangement and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1915

8. The depth of water table: Flowing

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 252 ft. deep, 4 ind. std. Curv.

10. The estimated amount of groundwater withdrawn each year: Un Known

11. The log of formations encountered in the drilling of each well if available: Un Known

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including references to book and page of any county record:

Signature of Owner: Conrad Malinak
Date: 12/26/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

21351
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Carlton P. Cameron, of Hot Springs, Montana
   (Name of Appropriator) (Address) (Town)

   County of Sanders, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:

      Irrigation

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

      1925 (Approximate) Used Continuously as far as I can determine.

   4. The amount of groundwater claimed, (in miner's inches or gallons per minute):

      1 Miners Inches

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of owner thereof:

      Artesian well, 4 Acres. Water from 0 to 10 acres. Well does not flow during very dry seasons. Wild hay and pasture land irrigated when possible.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Artesian located: N 1/4, NW 1/4, (Lot 1) Sec 31, T 91 N, R 22 W.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Not on file. Date and time of construction unknown. Constructed prior to 1925.

   8. The depth of water table: From surface to 2 ft. below surface.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Artesian well. 426 ft. deep. 1 1/2 ft. in diameter.

   10. The estimated amount of groundwater withdrawn each year: Great variation of flow. Estimate 1,000,000 to 8,000,000 cf.

   11. The logs of formations encountered in the drilling of each well if available: Unknown.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No records available. No records exist for this claim from the first owner, Union Mining Company in the year 1916.

   Signature of Owner: Carlton P. Cameron
   Date: December 24, 1963

   - County Clerk and Recorder: Duplicate to the State Engineer; Triplet to the Montana Bureau of Geology and Quadruplicate for the Appropriate.
