ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

I, The Town of Hot Springs, a body politic and corporate of the State of Montana, County of Sanders, State of Montana, has appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Municipal

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: About Nov. 1, 1939 Ever since about Nov. 1, 1939

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 350 gallons per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electrically operated auger-type pump

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Drilling begun July 7, 1939; well finished October 23, 1939

7. The depth of water table: 236 feet

8. The log of formations encountered in the drilling of each well if available: See copy of well driller's report by driller Oliver P. Zingraf to Montana State Board of Health herewith

9. The estimated amount of groundwater withdrawn each year: About 250 gallons per minute

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including references to book and page of any county record: Location of well, according to plat of Pineville Survey filed in the office of the county clerk and recorder of Sanders county, Montana; 20 feet east of the west line, and 85 feet north of the south line, or Lot 10 in Block 11 of said Survey

Attest: Town Clerk

Mayor

The Town of Hot Springs, State Engineer

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. **James Baker**
   - **Name of Appropriator**
   - **Address**
   - **Town**
   - **County**
   - **State**

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - **Domestic & Irrigation**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - **At least 25 years and been in use all the time**

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - **1000 gal per hour**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - **Pumping**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - **Don't Know**

8. The depth of water table:
   - **300 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: **James Baker**

   Date: **12-28-68**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

Robert John Olschander of Hot Springs, Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1961, as follows:

2. The beneficial use on which the claim is based:
   Stock water, garden and lawn

3. Date or approximate date of earliest beneficial use: May 1, 1930

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   Well will pump 30 gallons per minute. Flow about 2 gallons per minute when not pumped

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Irrigation of a 10 acre garden and lawn - well flows into hay mow and stock tank

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   This well
   Pumps and flows when not pumped

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Estimate July 11

8. The depth of water table:
   Estimate 200 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Pump and artisan flow gallon, 200 feet, estimate

10. The estimated amount of groundwater withdrawn each year:
    Pump and artisan flow - gallon
    1005 days, 2000 gallon per year, estimate

11. The log of formations encountered in the drilling of each well, if available:
    No log applies to be clay

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county report:
    Don't know
