Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Loren C. James

County of Sanders

State of MT.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic and stock water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been prior to 1940:
   Continuous use since 1940.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 400 gallons per day.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, walls, or other works for withdrawal of groundwater:

8. The depth of water table: approx 270 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Drilled well, steel casing, 310 feet deep. Well has jet pump.

10. The estimated amount of groundwater withdrawn each year: 1,400,000 gallons.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: [Signature]

Date: Dec 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I received an instrument for record on the
23rd day of December
1963 at 10 o'clock a.m.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. **Name of Appropriator:** Nellie L. Merritt  
   **Address:** Hot Springs  
   **Town:** Maurus  
   **County:** Sanders  
   **State:** Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>Week</th>
<th>Date</th>
<th>Water Table</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>1947</td>
<td>324 ft</td>
</tr>
<tr>
<td>2</td>
<td>1947</td>
<td>300 ft</td>
</tr>
</tbody>
</table>

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based:

   **Stock Water & Herbage**

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:

   **Nov 1, 1947**

4. The amount of groundwater claimed (in minute's inches or gallons per minute):

   3 1/2 gallons each well

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   **Not used**

6. The means of withdrawing each water from the ground and the location of each well or other means of withdrawal:

   **Electric Pump**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   **Nov 1, 1947**

8. The depth of water table:

   **324 ft**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   **Each well about 1,859,500 gallons per year**

10. The estimated amount of groundwater withdrawn each year:

     **1,500,000 gallons**

11. The log of formations encountered in the drilling of each well if available:

   **Eight Sandy Strata**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   

**Signature of Owner:** Nellie L. Merritt  
**Date:** Dec 2-1, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: [Name of Appropriator]
   Address: [Address]
   Town: [Town]
   County: [County]
   State: [State]

2. The beneficial use on which the claim is based: [Domestic and Stock Water]

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: [1960 - THIS WELL HAS BEEN USED CONTINUOUSLY]

4. The amount of groundwater claimed (in miner's inches or gallons per minute): [One]

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: [Not Used for Irrigation, Except Garden]

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: [Pump]

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: [No one seems to behere, but the first record is 1960.]

8. The depth of water table: [This is a partial artesian well]

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: [This is a 6-inch casing, depth is unknown by the owner or former owner.]

10. The estimated amount of groundwater withdrawn each year: [Possibly up to 10,000 gallons]

11. The log of formations encountered in the drilling of each well if available: [Unavailable.]

   The water table is at times up to the top of the ground, it does not flow.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: [I am unable to secure anything about this well except it is used for stock water and domestic use, stock water is a must here because there is no other water.]

Signature of Owner: [Signature]
Date: September 1, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to County Clerk and Recorder; Duplicate to State Engineer; Triplicate to Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Floyd L. and Alice B. Putman of R. R. #6, Hardin, State of Montana
County of Sanders
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic & Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1948, continuously thereafter.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 gpm, when necessary

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. (Not used for irrigation)

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump Jack

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Started work January 1, 1948, completed May 5, 1948.

8. The depth of water table. Well 16.9 ft. deep. Water comes 6 ft. below surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Each well casing 16.9 ft. deep. Pump & 60 ft. pipe reach water for withdrawal.

10. The estimated amount of groundwater withdrawn each year: 200 gals. per day

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: [Blank]

Signature of Owner: Floyd L. Putman
Date: Oct 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Approprietor.

<th>W</th>
<th>E</th>
<th>S</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. The beneficial use on which the claim is based: **Domestic use and lawn irrigation.**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **Beneficial use in 1965, continuous since that time.**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **Right gallons per minute.**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **Just used for lawn irrigation.**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Automatic submersible pump.**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **Well drilled in 1965.**

8. The depth of water table: **30 feet.**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **Drilled well, 3/8 inch, 286 feet deep.**

10. The estimated amount of groundwater withdrawn each year: **280,000.**

11. The log of formations encountered in the drilling of each well if available: **None available.**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **No other information available.**

Signature of Owner  

Date: **Feb. 24, 1965.**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lyle R. James, of Longpine
   (Name of Appraiser) (Address)
   County of Sanders State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been prior to 1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   20 miners inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Prior to 1958

8. The depth of water table
   ground level

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   About 20 ft. deep with a 15 ft. diameter

10. The estimated amount of groundwater withdrawn each year
    Approximate 100,000 gal.

11. The log of formations encountered in the drilling of each well if available
    Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Lyle R. James

Deputy Sheriff
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. John Lacken
   (Name of Appropriator)
   (Address)

   County of
   (County)
   State of
   (State)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: for household use, lawn, and flowers.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1946.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1946.

   8. The depth of water table: 51 feet.

   9. So far as it may be available, the type, number, and size of each well or other means of withdrawal of groundwater: 51 feet.

   10. The estimated amount of groundwater withdrawn each year: 5,184,480 gallons.

   11. The log of formations encountered in the drilling of each well: if available.

   12. Such other information of a similar nature as may be useful in furthering the policy of this act, including reference to book and page of any county record: if available.

   Signature of Owner: John Lacken
   Date: January 3, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
