County Recorder

Deputy
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

CHESLEY SOLDER

County of SHERIDAN State of MONTANA
(Address) (Town)

I, (Name of Appropriator), having appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use to which the water is devoted:
   
   #1 - Household use & garden

2. The date or approximate date of earliest beneficial use; and how continuous the use has been:
   
   #1 - 1957

3. The amount of groundwater claimed (in millions of gallons per minute):
   
   #1 - 10 gal per min.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

5. The means of withdrawing such water from the ground and the location of each well:

6. The date of commencement and completion of construction of the well, wells, or other works for withdrawal of groundwater:

7. The depth of water table:

8. The log of formations encountered in the drilling of each well if available:

9. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: ____________________________

Date: ____________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA,

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   - **Location and Date of Appropriation**: SE 1/4, Sec. 7, T.52 N. R.58
     Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   - **Amount of Groundwater Claimed**: 5 gal per hour
     - The amount of groundwater claimed (in miner’s inches or gallons per minute).

   - **Beneficial Use on Which Claim Is Based**: Irrigation
     - The beneficial use on which the claim is based.

   - **Date or Approximate Date of Earliest Beneficial Use**: 1.3.36
     - Date or approximate date of earliest beneficial use; and how continuous the use has been.

   - **Amount of Groundwater Claimed**: 750,000 gal
     - The amount of groundwater claimed (in miner’s inches or gallons per minute).

   - **Means of Withdrawal**: Almond Pump
     - The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   - **Date of Commencement and Completion of Construction**: 1/31/37
     - The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   - **Depth of Water Table**: 724 ft
     - The depth of water table.

   - **Log of Formations Encountered**: Not applicable
     - So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   - **Estimated Amount of Groundwater Withdrawn Each Year**: 750,000 gal
     - The estimated amount of groundwater withdrawn each year.

   - **Log of Formations Encountered**: Not applicable
     - The log of formations encountered in the drilling of each well if available.

   - **Other Information of Similar Nature**: Not applicable
     - Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   - **Signature of Owner**: Richard Westergard
     - Signature of Owner.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name: Noah Brown
Address: Redstone Drift
Town: Helena
County: Lewis
State: Montana

I, Noah Brown, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been from that date:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Noah Brown
Date: 12/10/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. ALFRED H. TANGE
   of REDSTONE, MONTANA

   County of SHERIDAN
   State of MONTANA

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   Well # 2
   (a) Well number 1 used for household & live
   (b) Well number 2 used for livestock

   Date or approximate date of earliest beneficial use; and how continuous the use has been: (1) 1915 (2) 1958 Both used continuously

   The amount of groundwater claimed (in miner's inches or gallons per minute):
   (1) 5 gallons per minute
   (2) 5 gallons per minute

   If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   (1) Pump at well site
   (2) Pump at well site

   The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   The depth of water table:
   (1) 60 feet
   (2) 60 feet

   So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   (1) 4 inch casing
   (2) 5 inch casing

   The estimated amount of groundwater withdrawn each year:

   The log of formations encountered in the drilling of each well if available:

   Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: ALFRED H. TANGE
   Date: DECEMBER 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder, duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1920

Owner: 
Address: 
Contractor (if any): 
Address of Contractor: 
Date Started: Date Completed: 1920

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable. 

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. 

Indicate point of appropriation and place of use, if possible.

Signature of Owner: 
Date: 12/10/13

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
STATE OF MONTANA
County of Sheridan.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Harvey Miller and Hilda Miller

County of Sheridan
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: commended use in 1928; undersigned commended use August, 1963; continuous

4. The amount of groundwater claimed (in acre's inches or gallons per minute): 30 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

by pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1929 commenced and completed

8. The depth of water table: 120 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 135 feet deep; 18' wooden casing

10. The estimated amount of groundwater withdrawn each year: 1,250,000.

11. The log of formations encountered in the drilling of each well if available: none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Harvey Miller
Date: November 4, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Driller's License Number

Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1963)

Date of Appropriation of Groundwater: From Nov. 1944 to Dec. 31, 1963
Owner: Henry Radons
Address: Outlook, Mont.
Contractor (if any): None
Address of Contractor:
Date Started: Jan. 1, 1964
Date Completed: Dec. 31, 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Sub-irrigation and other natural processes

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:
Intermittent—All year

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Henry Radons
Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropiator.
