STATE OF MONTANA ADMINISTRATOR OF GROUNDWATER CODE OFFICE OF STATE ENGINEER

STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montane Session Laws, 1961)

•		
1. Neil Trengove (name of appropriator)		of Terra Verde Heights Rt. 1 Botte
County of Silver Bow, State of	Mont	tana, have appropriated groundwater accord-
ing to the Montana Laws in effe	ect p	prior to Jan. 1, 1962, as follows:
	2.	The beneficial use on which the claim is based Stockwoter + Trigation
	3.	Date or approximate date of earliest beneficial use; and how continuous the use has been
 		July 1957 (approx Month) Continuer's use
-	4.	The amount of groundwater claimed (in miner's inches or gallons per minute)
<u>/// Sec 20 T 2 N R 7 W</u>	5.	If used for irrigation, give the acreage & description of the lands to which water
ndicate point of appropriation nd place of use, if possible. ach small square represents 10		has been applied & name of the owner there sacres NEW NEW Sec 20 T2N; R 7w
acres.	6.	The means of withdrawing such water from the ground and the location of each vell or other means of withdrawal Granty Flux
		Spring Flowing into parid
3. The depth of water table		5 Cect
9. So far as it may be available general specifications of any Grouty Flow	oth	er works for the withdrawal of groundwater
		er withdrawn each year 7 85/1000 galleus in the drilling of each well if available
		X - 2.1
2. Such other information of a s the policy of this act, include	ding	ar nature as may be useful in carrying out reference to book and page of any Co.recor
