RECEIVED  
SEP 6 1963

DECLARATION OF VESTED GROUNDWATER RIGHTS  
(Under Chapter 237, Montana Session Laws, 1962)

1. Emmett Neier, of Route One, Box 68, Butte  
(Name of Appropriator) (Address) (Town)

County of Silver Bow, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 Sec. 33 T. 3N R. 7W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Stock watering and irrigation
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been About 1904; used continuously so far as known to appropriator.
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) Twenty-one gallons per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Emmett B. Neier; land 4, SE 1/4 Sec. 33, T. 3N, R. 7W; approximately 200 acres.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Creek Diversion; see chart

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater about 1904
- 8. The depth of water table Not disclosed
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Water conveyed from point of diversion by ditches and pipes.
- 10. The estimated amount of groundwater withdrawn each year 1,500,000 gallons
- 11. The log of formations encountered in the drilling of each well if available Not applicable
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Emmett B. Neier  
Date August 27, 1963

RECEIVED

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Adolph Fortune and George Fortune, of Box 54, Silver Bow, Montana  
(Name of Appropriator) (Address) (Town)  
County of Silver Bow State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 NE 1/4 of Sec. 3 T. 2 N. R. 9 West

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based  
Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been  
March 18, 1960, use continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)  
350 Gallon Per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
approximately ten acres, Section 3, Township 2 North, Range 9 West, (SE 1/4 of NE 1/4) of said section

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal  
Turbine Pump and Motor, well located on heretofore described property

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater  
March 18, 1960

8. The depth of water table  
one hundred eighty feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  
one hundred eighty feet

10. The estimated amount of groundwater withdrawn each year  
155,520,000 gallons

11. The log of formations encountered in the drilling of each well if available  
0 - 12, Black Surface Dirt; 12 - 23 Clay; 23 - 50 Shale (water); 50 - 65 Clay; 65 - 80 Shale Sand (water); 80 - 100 White Clay Like Material.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.  
this declaration includes and is supplemental to that certain Declaration of Vested Groundwater Rights heretofore filed and recorded by Adolph Fortune in the office of the County Clerk and Recorder of Silver Bow County on about the 18th day of March, 1960 and is intended that such declaration be included herein.

Signature of Owner *Adolph Fortune*

Date February 2, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned

STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS  
(Under Chapter 237, Montana Session Laws, 1961)

I, **Stocker, Josephine A. and Anton J. Molek of Box 26, Silver Bow**  
County of Silver Bow, State of Montana have appropriated groundwater  
according to the Montana laws in effect prior to January 1, 1962, as  
follows:

SE 1/4 Sec 3 T2N R9W

2. The beneficial use on which the claim is based.--Drinking for domestic and agricultural use.
3. Date or approximate date of earliest beneficial use; and how continuous the use has been.--1909; Use has been continuous at average rate of 250 gallons per day.
4. The amount of groundwater claimed (in miner's inches or gallons per minute).--500 gallons per 24 hour period.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.-- Not used for irrigation.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.--Electric pump; Well is located in SE 1/4 of Sec 3, T2N, R9W.

7. The date of commencement and completion of the construction of the well, wells or other works for withdrawal of groundwater.--Well commenced and completed in about 1909.

8. The depth of water table.--3 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.-- 8 feet in diameter, 3 feet deep.

10. The estimated amount of groundwater withdrawn each year.--91250 gallons per year.

11. The log of formations encountered in the drilling of each well if available.--None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.-- None.
