STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lazy K T Ranch, Inc., of 1403 First Avenue North - Billings,
   (Name of Appropriator) (Address) (Town)

   County of Yellowstone, State of Montana,
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: stock water.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1918 continuous.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 44 gal. per min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump A gas engine.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1918.

   8. The depth of water table: 20 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6 in., casing drilled 70 ft.

   10. The estimated amount of groundwater withdrawn each year: 120,000 gal.

   11. The log of formations encountered in the drilling of each well if available: None.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

   Signature of Owner: Lazy K T Ranch, Inc.

   Date: December 27, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Joe Lash
Address: Well, Mont.

Driller: C. E. Berhees
Address: Laurel, Mont.

Date of Notice of Appropriation of Groundwater: 11/11/64
Date well started: 11/11/64
Date Completed: 11/19/64

Type of well: Drilled
Equipment Used: Table Tool
(Churn, drill, rotary or drilled)

Water Use: Domestic [✓] Municipal [ ] Other [ ] Irrigation [ ]
Industrial [ ] Drainage [ ] Stock [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

<table>

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lazy K T Ranch, Inc., of 1403 First Avenue North, Billings, Montana

County of... Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

1921... continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

10 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Windmill pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1921

8. The depth of water table

12 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

6 in., casing drilled 40 ft.

10. The estimated amount of groundwater withdrawn each year

808,400 gal.

11. The log of formations encountered in the drilling of each well if available

Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Unknown

Lazy K T Ranch, Inc.
Signature of Owner

Date December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
Count of Stillwater, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

COUNTY RECORD

By: Deputy
As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions: Please provide, as indicated in red on the attached form, the method or means used to develop the spring, the type of water use (stock, domestic, irrigation, etc.), and the amount of groundwater claimed in gallons per minute.

Note: Undeveloped springs are considered surface water, and are therefore appropriated in an entirely different manner.

Thank you.

[Form completed and signed]

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Signature of Owner

This instrument was filed in my office this 11th day of July, 1919, and recorded in the Register of Deeds of Yellowstone County, Montana, in Volume 21, Page 613, in the Name of

MERRILL ALONDE

By

Deputy
Decloration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Lazy K T Ranch, Inc. (Name of Appropriator)
   1403 First Avenue North - Billings, (Address)
   County of Yellowstone, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1918, continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   24 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Windmill pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1918

8. The depth of water table
   18 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   6 in. casing drilled 45 ft.

10. The estimated amount of groundwater withdrawn each year
    10,000 gal.

11. The log of formations encountered in the drilling of each well if available
    None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None

Signature of Owner: [Signature]
Date: December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

**Received** SEP 3 1969

---

Date well started: 7/31/69  
Date completed: 8/1/69

---

Type of well: Drilled

Equipment used: Drilling

(Dug, driven, bored or drilled)  
(Churn drill, rotary or other)

Water use: Domestic □  Municipal □  Stock □  Irrigation □  Industrial □  Drainage □  Other □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

---

### Static Water Level for non-flowing well

---

### Shut-in Pressure for flowing well

---

### Pumping Water Level

---

Discharge in gal. per min. of flowing well

---

How Tested: Discharge

---

Length of Test: 2.6 hrs.

---

Remarks: (Gravel packing, cementing, packers, type of shut-off)

---

**No. 27**

Driller's License Number

---

Driller's Signature: [Signature]

---

Show exact depth of bottom.

---

---

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

---

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
## Declaration of Vested Groundwater Rights

STILLWATER COUNTY
STATE OF MONTANA

File No. 186710
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. **George Elliott**, of Reed Point, Montana

   County of Stillwater, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>Sec. 21</th>
<th>Sec. 26</th>

2. **Basis of Beneficial Use**
   - Stock

3. **Approx date of Use**
   - Purchased in 1962

4. **How continuous?**
   - Continuous

5. **Amount claimed in miner's inches or gallons per min.**
   - 100 gals per min

6. **Acres irrigated**
   - None

7. **Location of Well**
   - NE NW SW SE

8. **Means of Withdrawal**
   - Pump

9. **Date-Commencement**
   - 10 years ago

10. **Date-Completion**
    - 10 years ago

11. **Depth of water table**
    - 40 ft

12. **Type, size, depth of specifications of works**
    - 100 ft deep drilled
    - 6 ft casing

13. **Estimated amount withdrawn annually**
    - 500,000 gallons

14. **Log, if available**
    - None

Signature of owner: **George Elliott**
Date: **12-31-1963**

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Dec. 31st, 1965
Owner: John Ott Address: Reed Point, Montana
Contractor (if any)
Address of Contractor
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: Developed springs

1. Dirt filled dam used for stock water June 1962
2. Piped to stock tank June 1962
3. Piped to stock tank prior to 1959
4. Piped to stock tank Prior to 1959

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

about 8 months out of each year.

Signature of Owner: John Ott
Date: Dec. 31st, 1965

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Lawrence or Hiltz, Box 94, Butte, Montana

Driller: H. H. Dilling, Address: Whitehall, Mont.

Date of Notice of appropriation of groundwater: 7/12/71

Date well started: 7/12/71, Date completed: 7/14/71

Type of well: Drilled, Equipment used: Rotary

Water use: Domestic, Municipal, Stock, Irrigation, Industrial, Drainage, Other

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lawrence Perry
   (Name of Appropriator) 16 Point
   (Address) (Town)

   County of Stillwater State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Household & Stock

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      1946 Continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      2 Gals Per Min

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      "Wells"

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Jet Pump

   7. The date of commencement and completion of the construction of the well, wells, cisterns, or other means of withdrawal
      not known

   8. The depth of water table
      45 ft

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Drilled

   10. The estimated amount of groundwater withdrawn each year
      352,000 gals

   11. The log of formations encountered in the drilling of each well if available
      None

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
      None Available

   Signature of Owner: Lawrence Perry
   Date: Dec 8, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; duplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

COUNTY RECORDER  

By: ____________________ Deputy
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner: Lawrence Berry
Address: Head Point, Montana
Contractor (if any): None
Address of Contractor:
Date Started: [Blank]
Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

#1. Dig out by hand to form pond for stock water
#2. [Blank]

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

...Used year around for watering stock...

Approx. enough to water 30 head dairy cows and 20 head beef stock

Signature of Owner: Lawrence Berry
Date: December 3, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

Date of Appropriation of Groundwater: 1926

Owner: Lawrence Hare
Address: Methow, Montana

Contractor (If any):
Address of Contractor:
Date Started and estimated Date Completed:

Depth and method of obtaining groundwater, without a well: other methods and other natural processes, and if applicable, the approximate depth to the water table and the quantity of water developed and used;

Indicate point or points of the place of use of water:

Use year around and for what:

Amount thought to be useful during summer and
20-hand deep etc.

Signature of Owner: Lawrence Hare
Date: December 3, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder, duplicate to the State Engineer, Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
