(Under Chapter 237, Montana Session Laws, 1961)

1. Rosalyn Seitz, of Livingston
(Name of Appropriator) (Address) (Town)
County of Park County State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 SE 1/4 Sec. 8... T2S. R. 9E
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based... Stockwater Irrigation
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been... Approximately 1900 and use of continuous said date or earlier
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute)... All the water in said spring. Approximately 20 inches
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... Southeast quarter of southeast quarter of the section, 8 township, 2 south, range 9 east
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... n/a
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... n/a
- 8. The depth of water table... n/a
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... n/a
- 10. The estimated amount of groundwater withdrawn each year... Unknown
- 11. The log of formations encountered in the drilling of each well if available... n/a
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... n/a

Signature of Owner Rosalyn Seitz
Date 12-12-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Wayne K. Krueger, of Lead Point, Montana
(Name of Appropriator) (Address) (Town)
County of Stillwater State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

No. 2. SW 1/4 Sec. 25 T. 25. R. 18 E
No. 1. NE 1/4 Sec. 20 T. 25. R. 18 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based No. 1-household irrigation. No. 2-livestock and irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been No. 1-1945 Used year around. No. 2-1920 Used year around till 1950.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) No. 1- 5 gal. per min. No. 2- 5 1/2 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Approx. one acre each with some land description.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric water pump and jack.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Not known

8. The depth of water table No. 1. 0 ft. No. 2. 20 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater No. 1. 60 ft. deep. 6 inch casing, number of feet not known. No. 2. 60 feet deep. 6 inch casing, number of feet not known.

10. The estimated amount of groundwater withdrawn each year No. 1. 100,000 gal. No. 2. 270,000 gal.

11. The log of formations encountered in the drilling of each well if available None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None.

Signature of Owner Wayne K. Krueger

Date December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. A. C. Brumfield, of Reed Point, (Name of Appropriator) (Address) (Town)
County of Stillwater State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4, NE Sec. 27, T. 2 S., R. 18 E.
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based
Domestic Use Stock Use
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been
1950
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute)
10 Gal per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
None
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Manual Pump
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
Prior to purchase - 1956 (October)
- 8. The depth of water table
25
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
60 ft deep - 8" steel casing - hand pump
- 10. The estimated amount of groundwater withdrawn each year
500
- 11. The log of formations encountered in the drilling of each well if available
none
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
none
