(Under Chapter 237, Montana Session Laws, 1961)

1. N. R. Peterson & Chester W. Peterson, of Columbus
   (Name of Appropriator)

County of Stillwater
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: 
   (stock water)

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1940, used when needed

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gal

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof:
   10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   (pump jack)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1940

8. The depth of water table:
   25 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   50 feet deep, 61 gal/min.

10. The estimated amount of groundwater withdrawn each year:
    35,000 gal

11. The log of formations encountered in the drilling of each well if available:
    none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 21, Montana Session Laws, 1965)

1. Name of Appropriator: Carol B. Critelli
   Address: 309 S. 59th Street
   Town: Billings

   County of Yellowstone
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Acreage

3. Date or approximate date of earliest beneficial use: September 1961

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   1/4 Sec. 17 T 38 N R 21 E M.P.M.
   Stillwater County

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   1/4-6 Tract in SWNW 1/4 Sec. 17 T 38 N R 21 E
   Stillwater County

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: April 15, 1961

8. The depth of water table: 43 ft. down in water

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   6 ft. shaft

10. The estimated amount of groundwater withdrawn each year: 80,000 gal. per yr.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   W 1/4 Sec. 17 T 38 N R 21 E M.P.M.
   Stillwater County

   Signature of Owner: Carol B. Critelli
   Date: August 19, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Peter Yegen, Jr., of 306 N. 30th St., Billings
(Name of Appropriator) (Address) (Town)
County of YELLOSTONE State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is for livestock.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been — many years — continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) is not known. Amount of water needed.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal is pressure system.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater is not recorded.

8. The depth of water table is don't know.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater is not available.

10. The estimated amount of groundwater withdrawn each year is not recorded.

11. The log of formations encountered in the drilling of each well if available is not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record is not available.

Signature of Owner

Date Dec. 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(2 Under Chapter 237, Montana Session Laws, 1961)

1. Gerald W. Breaster and/or Audrey L. Breaster of 2120 22nd St. W. (Box 666) Billings
   (Name of Appropriator) (Address) (Town)

County of Stillwater State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Watering of livestock gardens and household use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been until the present time and is still being used.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - Springs total for both 100 gallons per min.
   - Need 900 gallon per min for future irrig. setup.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Two wells and two springs. One well by barn and one well by the house. One spring in corner behind barnyard and one spring in north corner of pasture.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Dates unknown as we purchased the property in 1962 and these facilities were and had been in use continually by the family who homesteaded the place.

8. The depth of water table: 20 feet (meaning approx. 70 feet of water in 90 foot well)

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Springs are flowing naturally. One well is on pressure system and is approx. 90 feet deep and well by the barn has an electric pump in approx. 90 feet deep.

10. The estimated amount of groundwater withdrawn each year: 450,000 gallons for household use, watering approx. 100 head livestock and watering gardens, etc.

11. The log of formations encountered in the drilling of each well if available: These not available so far as we can determine.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Have no other information.

Signature of Owner: Audrey L. Breaster
Date: 1/3/61

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: JUN 29 1973
Owner: Herbert Russell
Address: Hyw., Mont.
Contractor (if any): Self
Address of Contractor: None
Date Started: 1919
Date Completed: 1919

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Signature of Owner: Herbert Russell
Date: June 29, 1973

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

Developed After January 1, 1962

(Under Chapter 237, Montana Session Laws, 1961, as amended)

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: Glen P. McKinsey

Address: 59261

Contractor (if any): None

Address of Contractor: N/A

Date Started: 01/01/1962, Date Completed: 01/01/1962

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   - Developed spring

2. Means of withdrawing water (gravity, pump, canal, etc.)
   - Gravity

3. Depth of water table
   - Unknown

4. Use of the water
   - Irrigation

5. Amount of groundwater claimed (in miner's inches or gallons per minute)
   - Capacity of spring used

6. If used for irrigation, give number of acres and description of land supplied water from other springs or wells
   - Hay land

7. Estimate amount of water used each year
   - Entire amount of spring used

8. Months of year spring flows
   - 12
