Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12/30/63
Owner: Clarence J. Grootes
Address: My Good Man

Contractor (if any) ____________________________________________
Address of Contractor _________________________________________

Date Started: ________________ Date Completed: ________________

Describe means of obtaining groundwater without a well: "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Signature of Owner: Clarence J. Grootes
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Virginia Broughton
Address: 

Contractor (if any): UNKNOWN
Address of Contractor: 

Date Started: UNKNOWN; Date Completed: Installed 1961

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

GRAVITY FLOW—Pipe installed into water bearing layer and piped into stock tanks.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

SUMMER AND FALL GRAZING SEASON

8 gals. per minute flow—estimated.

Signature of Owner: Virginia Broughton
Date: 12/11/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12-10-63
Owner: Mikhail Breck
Address: Big Timber, Mont.
Contractor (if any): None
Address of Contractor:
Date Started: December 10, 1963
Date Completed: December 10, 1963

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Gravity Flow

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

859.10 gals. per minute
4-6 months yearly

Signature of Owner: Mikhail Breck
Date: December 10, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Mr. Dudley Tyler
Address: Big Timber, Mont.
Driller: Jim McAbee
Address: Big Timber, Mont.

Date of Notice of Appropriation of Groundwater: 11-25-63
Date well started: 11-27-63
Date Completed: 11-30-63

Type of well: Drilled
Equipment Used: Rotary

Water Use: Domestic [ ] Municipal [X] Other [ ] Irrigation [ ]
Industrial [ ] Drainage [ ] Stock [X]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Helen W. Buckle, of Hi{Lead

County of Sweet Grass State of Montana

Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: House, hold use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Jan 1, 1947

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gals per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Started: Sept 15, Completed: Fall 1947

8. The depth of water table: 25 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well & casing 25 ft

10. The estimated amount of groundwater withdrawn each year: 250,000 gal

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Helen W. Buckle
Date: Dec 20, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; TriPLICATE to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Torger Landland of Rural Route Big Timber,

(Name of Appropriator) (Address) (Town)

County of Sweet Grass State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1946 and has been continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gal. per minute in one well

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Torger Landland

Date: Dec. 1, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household, farm, or livestock.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1956 and has been continuous second well since 1957 and continues thereafter.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gal. per minute in one well.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none in first well.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump in well near house.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1956 for first well and 1957 for second well.

8. The depth of water table: 10 feet in second wall but depends on amount of rainfall in the No. 1011 River.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: second well is 100 feet and 10½ that deep.

10. The estimated amount of groundwater withdrawn each year: none in first well.

11. The log of formations encountered in the drilling of each well if available: gravel, chert, sand and loam.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL
Developed After January 1, 1962

(Under Chapter 237, Montana Statutes, 1961, as amended)

This form to be prepared by contractor (if any), otherwise by the owner. Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located. Please answer all questions. If not applicable, so state; otherwise the form may be returned.

Owner: Barbara Stone
Address: Big Timber, Montana
Contractor: David Smith
Address of Contractor: Big Timber, Montana
Date Started: 10/12/71 Date Completed: 10/12/71

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   Spring Development

2. Means of withdrawing water (gravity, pump, canal, etc.)

3. Depth of water table

4. Use of the water

5. Amount of groundwater claimed (in miner's inches or gallons per minute)
   10 gallons per minute

6. If used for irrigation, give number of acres and description of land
   1 acre

7. Estimate amount of water used each year
   All land since 1/1
   Spring

8. Months of year spring flows
   Year round

Signature of Owner
Date
STATE OF MONTANA,
County of Sweet Grass.

Filed this 26th day of December, 1920, at 2:30 P.M.

DECLARATION OF VESTED GROUNDWATER RIGHTS

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

(Under Chapter 23, Montana Session Laws, 1961)

1. James J. Esp
   (Name of Appropriator)
   of Big Timber
   (Address)
   County of Sweet Grass
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based: Stock Water Domestic

3. Date or approximate date of earliest beneficial use: 1930 Evapo Stare

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 25 gpm per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1930任せ Pump till 1950 Electric Pump

8. The depth of water table: 30 ft

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 12 ft. Goop, B1115 Steel Cast Well

10. The estimated amount of groundwater withdrawn each year: 2000 gpm

11. The log of formations encountered in the drilling of each well if available: Goop Creek School Drilled

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: James J. Esp by Paul R. Cap
Date: Aug 30, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. [Name of Appropriate]
   (Address)  
   (Town) 
   County of: [County] 
   State of: [State]

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

   2. The beneficial use on which the claim is based. Both wells are used for household and stock water.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
      No. 1 - 1947
      No. 2 - 1947

   4. The amount of groundwater claimed (in miner's inches or gallons per minute).
      No. 1 - 30 gpm
      No. 2 - 30 gpm

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
      Both wells are used for water.
      No. 1 live on and garden at both locations.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Both wells are equipped with electrical pumps.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
      No. 1 drilled in Aug. 1947
      No. 2 drilled in Aug. 1947

   8. The depth of water table. Both wells, table is 12 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
      No. 1 is filled to 30 ft. and completely completed with 6" metal casing.
      No. 2 is drilled to 40 ft. and completely cased with 8" metal casing.

   10. The estimated amount of groundwater withdrawn each year.
       No. 1 - 400,000 gal
       No. 2 - 400,000 gal

   11. The log of formations encountered in the drilling of each well if available. None
