Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. U. S. Forest Service, of Big Timber
(Name of Appropriator) (Address) (Town)
County of Sweet Grass State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE. 1/4 Sec. 23 T3S R. 13E

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based Stock Watering...3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1956 - continuous.4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gal. per minute.5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Not applicable.6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Spring box and pipe to trough.7. The date of commencement and completion of the construction of the well, well, or other works for withdrawal of groundwater. 1956.8. The depth of water table. Surface spring.9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. A collection box placed in spring and 1-1/2" pipe installed from box to water trough.10. The estimated amount of groundwater withdrawn each year. Not applicable.11. The log of formations encountered in the drilling of each well if available. Not applicable.12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Not applicable.

Signature of Owner U. S. Forest Service
By: John S. Skum
District Ranger
Date: Oct 1, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
