Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, W. H. Blayney, of Stocks, (Town)
(Name of Appropriator) (Address)

County of Lewis & Clark State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute).
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
- 8. The depth of water table.
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
- 10. The estimated amount of groundwater withdrawn each year.
- 11. The log of formations encountered in the drilling of each well if available.
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner W. H. Blayney
Date 12-31-68

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE ENGINEER

1. Leo Cremer of Melville
(Name of Appropriator) (Address) (Town)
County of Sweet Grass State of Mont
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 11 T. 4 N. R. 24 E.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.
I also claim all other wells in the townsite of Melville for future use.

- 2. The beneficial use on which the claim is based house hold & stock water
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1900
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 25 gals per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not applicable
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal electric pump
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1900
- 8. The depth of water table 40 ft.
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater All wells approximately 50' deep drilled wells 6" casing
- 10. The estimated amount of groundwater withdrawn each year. 150,000 each well
- 11. The log of formations encountered in the drilling of each well if available not available
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none

Signature of Owner Leo Cremer
