STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropurator: ____________________________
   Address: ____________________________
   Town: ____________________________
   County of ____________________________
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: _______________

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: _______________.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): _______________.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: _______________.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: _______________.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: _______________.

8. The depth of water table: _______________.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: _______________.

10. The estimated amount of groundwater withdrawn each year: _______________.

11. The log of formations encountered in the drilling of each well if available: _______________.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: _______________.

Signature of Owner: ____________________________
Date: _______________.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Jun 6, 1963

Owner: Kermit Anderson
Address: 1308 4th Ave, Missoula

Contractor (if any):
Address of Contractor:
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

10 mi.
10-10 mi.
10-10 mi.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Kermit Anderson
Date: June 6, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the work is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION

STATE ENGINEER
(Order No. 127, Montana Session Law, 1963)

STATE ENGINEER

Date of appropriation of Groundwater 12-30-63
Owner
Leo Corner
Address Helena, MT
Contractor (if any) None
Address of Contractor None

Date Shown on Underlying Map Completed

Describe means of obtaining groundwater without a well, for irrigation and other natural processes, inclusive amount of water which is possible.

Gravel Flow 28 c.f.s originating from underground sources

Quality of water developed and used with explanation of demand and purpose for which such water is used. If water is insufficient, estimate approximate daily, months of use.

Appropriation Act to be used for stock water during the year ending .

Said Water spring

Signature of Owner

Date 12-30-1963

Having first been duly sworn, depose and say that the said Leo Corner of Helena, Montana, is the appropriator and claimant of the order and water right mentioned in the foregoing notice of completion of groundwater appropriation without well and that the person whose name is subscribed thereto is the appropriator named in the said notice and that the matters and things therein stated are true.

Subscribed and sworn to before me, this day of .

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12/26/63
Owner: W.P. Groomer
Address: Nyeville, Montana
Contractor (if any): none
Address of Contractor: none
Date Started: 1947
Date Completed: 1947

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

- gravity flow
- spring water
- collected in dam
- below spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

- 10.90 lbs per minute
- estimated
- ditch flow
- year round
- use for stock water

Indicate point of appropriation and place of use, if possible.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ralph E. Fair Inc., of Melville, Mont.
   (Name of Appropriator) (Town)

County of Sweet Grass
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Livestock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1900 Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   10 Miner inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Gravity

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1900

8. The depth of water table:
   1 Foot

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Flows by gravity to tank

10. The estimated amount of groundwater withdrawn each year:
    10 acre ft.

11. The log of formations encountered in the drilling of each well if available:
    none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 20 Dec. 1963
Owner: Ralph K. Fair
Address: Melville, Mont.
Contractor (if any)

Address of Contractor: None
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable:

Gravity flow to tanks

Has been in use since 1900

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

20" minor inches, continuous flow

Indicate point of appropriation and place of use, if possible.

Spring

Signature of Owner: Ralph K. Fair
By: Date: 28 Dec. 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Tripletate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ralph E. Fair Inc., of Kelvina, Mont.
   (Name of Appropriaor) (Address) (Town)
   County of Sweet Grass
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1902, as follows:

2. The beneficial use on which the claim is based: Livestock Water

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1900 Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 Miner inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Gravity

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1900

8. The depth of water table: 1 Ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Wells by gravity to tank

10. The estimated amount of groundwater withdrawn each year: 10 Acre Ft.

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Ralph E. Fair Inc.

Date: 30 Dec. 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriaor.
