STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Wayne L. Rondall
(Name of Appropriator)

Choteau
(Address)

Teton
(Town)

Teton State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   household and livestock use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1940 and continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 12 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: none.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1940.

8. The depth of water table: 25 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 1 inch drilled well 60 feet deep.

10. The estimated amount of groundwater withdrawn each year: 125,000 gallons.

11. The log of formations encountered in the drilling of each well if available: none.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none.

Signature of Owner: Wayne L. Rondall
Date: Jan 10, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
### Declaration of Vested Groundwater Rights

**(Under Chapter 237, Montana Session Laws, 1961)**

**STATE ENGINEER**

**Name of Appropriator**: Nick Vlinder  
**Address**: Chateau  
**County**: Teton  
**State**: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

#### Sea Plat N attached

|   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |
|   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |

2. The beneficial use on which the claim is based: Domestic use and water for livestock.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1955 and used continuously ever since that time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 56 miner's inches.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Springs, reservoirs and 7 wells as shown on attached plat.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1955, 1943, 1955 and 1955. Wells drilled and dug at these intervals.

8. The depth of water table varies, wells drilled to the following depths: Sec. 10, 10 ft.; Sec. 1, 25 ft.; Sec. 6, dug 15 ft. Other wells ranged from 20 ft., 40 ft., 90 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other.

9. 7 wells as shown on attached plat.

   - Sec. 9: 2 wells drilled 150 ft. deep with 4' casings. Drilled 1943.
   - 1 well drilled 50 ft. deep, 24' casing, All 3 Electric pumps.
   - Sec. 10: 1 well dug 10 ft. deep, wood cribbing, 8 ft by 6 ft.
   - Sec. 14: 1 well drilled in 1955, 90 ft. deep, 4' casing.
   - Sec. 15: 1 well drilled in 1955, 40 ft. deep, 4' casing.
   - Twp. 22 N., Rge. 6 W.

   - Sec. 1: 1 well dug in 1943, 15 ft. deep, wooden crib 5 feet in diameter. All well in Sections 10, 14, 15, and Sec. 1, Wind driven.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No county records of previous water rights.

---

**Signature of Owner:**

**Date:** December 19, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. L. Olsen and Marthe Olson, of Fairfield, Teton County, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household use, Stock water and yard irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Continuous since 1942.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): each well 50 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Owner Marthe Olson building site on NW ¼ Sec. 1, Tew. 21N, Rg. 4W.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.
Two wells, NW ¼ Sec. 1 and one well, NW ¼ Sec. 12, Tew. 21N, Rg. 4W.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: itemized above No. 1-1941; No. 2 1956 and No. 3 1964.

8. The depth of water table, Nos. 1 and two about 45 feet, No. 3 165 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: All drilled wells with 6' casing Nos. 1 and two 70 feet, No. 3 170 feet.

10. The estimated amount of groundwater withdrawn each year: 200,000 gallons.

11. The log of formations encountered in the drilling of each well if available: not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not available.

Signature of Owner:

Date: December 30th, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: [Signature]
Date: [Date]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriate.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Alfred Crawshaw
Fairfield
County of 
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator: Alfred Crawshaw

2. The beneficial use on which the claim is based:
   Yard, house use and stock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Constantly
   (1) dug well - 1924
   (2) drilled well - 1950

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Adequate for above purposes

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Not used for irrigating other than incidental garden and yard usage

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Hand and electrical pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   (1) dug well - fall of 1924
   (2) drilled well - Dec., 1950

8. The depth of water table:
   Variable. Averages about 12 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   (1) dug well - 4 feet diameter by 18 feet deep; cased down to 14 inch diameter.
   (2) drilled well - 20 feet deep.

10. The estimated amount of groundwater withdrawn each year:
    Adequate.

11. The log of formations encountered in the drilling of each well if available:
    Not available, but mostly soil, clay, sandstone and shale.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None

Signature of Owner: Alfred Crawshaw
Date: April 12, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Meadville Cunningham
Fairfield
County of Teton
State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based—stock watering and general purpose.
3. Date of approximate date of earliest beneficial use and how continuous the use has been—1953 - 1963, continuous daily.
4. The amount of groundwater claimed (in miner's inches or gallons per minute)—100 gal per minute.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal—electric pump.
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—1955.
8. The depth of water table—approximately 12 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater—drilled well 38 ft. deep.
10. The estimated amount of groundwater withdrawn each year—3,000,000.
11. The log of formations encountered in the drilling of each well if available.
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
## Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

**Owner:** Rollant A. Fily
**Address:** Fairfield, Mont.

**Driller:** Pat Byrne
**Address:** Great Falls, Mont.

**Date of Notice of appropriation of groundwater:**
- Date well started: 6-17-1968
- Date completed: 6-17-1968

**Type of well:** Drilled
**Equipment used:** Churn Drill (Drill, driven, bored or drilled)

**Water use:**
- Domestic □
- Municipal □
- Stock □
- Irrigation □
- Industrial □
- Drainage □
- Other □

**Indicate on diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.**

<table>
<thead>
<tr>
<th>Size of Drilled Hole</th>
<th>Site and Weight of Casing</th>
<th>From (Feet)</th>
<th>To (Feet)</th>
<th>PERFORATIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>24</td>
<td>24</td>
<td>Not Perforated</td>
</tr>
</tbody>
</table>

**Static Water Level for non-flowing well:** 8 feet.

**Shut-in Pressure for Flowing Well:**

**Pumping Water Level:** 24 feet at 40 gal. per minute.

**Discharge in gal. per min. of flowing well:**

**How Tested:** Driller
**Length of Test:** 1 hour

**Remarks:** (Gravel packing, cementing, packers, type of shutoff)

**Show exact depth of bottom.**

---

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

**Driller’s License Number:** [Signature]

**Driller’s Signature:** 44, 478

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. BEATRICE K. HANSEY
   of
   (Name of Appropriator) (Address) (Town)

   County of Teton
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: cattle
   Domestic use

3. Date or approximate date of earliest beneficial use; and how continuation of the use has been
   maintained: about 1942; $2 about March, 1961

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): $1: 22 gallons per minute
   $2: 15 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other works of withdrawal:
   electric pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table: $1 - 53 feet deep; $2 - 47 feet deep

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   8” casing in wells

10. The estimated amount of groundwater withdrawn each year: 4,051,800 gallons

11. The log of formations encountered in the drilling of each well if available: mainly gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Beatrice K. Hansey
Date: December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions, if not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I. Michael Walsh, of Fairfield, Montana
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Household
   - Stock, lawn and garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1913

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gns.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Lawn and garden—approximately 10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Electric pump and windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1913

8. The depth of water table: 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - 2 in. galvanized pipe in hand dug well, approx. 33 ft.

10. The estimated amount of groundwater withdrawn each year: Approx. 3,000,000 gal.

11. The log of formations encountered in the drilling of each well if available:
   - 16 feet of topsoil and 17 ft. of gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Michael Walsh
Date: Nov. 27, 1964
