STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Earl Kitzman
   (Name of Appropriator)
   of P#1
   Fairfield
   (Address)
   (Town)

   County of
   State of

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: stock watering, domestic consumption, and fire protection.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1945 - continuous.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   8. The depth of water table.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   10. The estimated amount of groundwater withdrawn each year.

   11. The log of formations encountered in the drilling of each well if available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   Signature of Owner: Earl Kitzman
   Date: Dec 13, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Approprietor.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I. Leo C. Foreman and Katherine B. Foreman, of Fairfield
2. The beneficial use on which the claim is based.
   stock water - garden and lawn irrigation

3. Date or approximate date of earliest beneficial use and how continuous the use has been.
   April, 1932 - daily use

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons per minute

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof.
   irrigate only lawn and garden

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   completed April, 1932

8. The depth of water table.
   10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   16 feet deep 4 inch casing

10. The estimated amount of groundwater withdrawn each year. 345,000 gallons per year

11. The log of formations encountered in the drilling of each well if available.
   unavailable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
   unknown

Signature of Owner:

Signature of Owner:

Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Appropriator: Austin Rindal & Louise A. Rindal
(Town): Fairfield
(Address): 12 T 22 R 48 W

County of Teton

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator (Address)
   Austin Rindal & Louise A. Rindal
   12 T 22 R 48 W

2. The beneficial use on which the claim is based: Domestic & Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1931

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gal./min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Town, flowers, gardens

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electrical pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1931

8. The depth of water table: 10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: dug well with screen at bottom, 6 inch casing, about 15 feet deep

10. The estimated amount of groundwater withdrawn each year: about 400,000 gal. per year

11. The log of formations encountered in the drilling of each well if available: about 4 ft. of clay, remainder gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Austin Rindal & Louise A. Rindal

   GRADE LAYOUT, YARD IRIGATION

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Nov. 1956 or Used Daily

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3 GAL PER MINUTE

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.  
   House Yard Lawn 5 ACRE.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.  
   WELL ELECTRIC PUMP 4" Steel Pipe

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table 13'  

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.  
   41-7 cement capping with about 5 gal. basis below well is initial capping if  
   BASEMENT Floor, TOP HAS CEMENT COVER

10. The estimated amount of groundwater withdrawn each year: 200, 600 GALS

11. The log of formations encountered in the drilling of each well if available.  
   GRAVEL BLUE CLAY

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: V. D. Wandle  
Date: Dec. 10, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.  

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.

DECLARATION OF VESTED GROUNDWATER RIGHTS

WILMA S. MAYER

COUNTY OF________,

STATE OF MONTANA

I, WILMA S. MAYER, of the County, have appropriated groundwater in the manner set forth herein, in accordance with the Montana laws in effect prior to January 1, 1962.

1. (Name of Appropriator)
2. (Address)
3. (Town)

County of________, State of Montana

Sec. 26 @ Sec. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

4. The amount of groundwater claimed (in million inches or gallons per minute)

5. If used for irrigation, give the acres and description of the land to which water has been or will be applied, and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of such withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appurator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Louis W. Pearson
   of Fairfield
   County of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.
   Domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1962.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   Well No. 1 - 6 gpm
   Well No. 2 - Combination well and gravity

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   Water Linn, Livestock and house use

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   Rotatif pump for well No. 1

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   1939

8. The depth of water table.
   4 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   51' deep; 8' in dia.; rock and cement lined

10. The estimated amount of groundwater withdrawn each year.
    560,000 gals

11. The log of formations encountered in the drilling of each well if available.
    Clay & Gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
    None

Signature of Owner

Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, Bernard Hatcher, of Fairfield, Teton County, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is stock water and irrigation.

3. The rate of use in gallons per minute or miner's inches of groundwater claimed: 100 gallon per minute

4. The annual period (inclusive dates) of intended use: January 1 to January 1

5. The probable or intended date of first beneficial use: January 1, 1964

6. The probable or intended date of commencement and completion of the well or wells: March 1, 1964

7. The location, type, size and depth of well or wells contemplated: W 1/2 Sec 29, T. 22, R. 22, 1/4 mile S of river, 150' deep

8. The probable or estimated depth of the water table or artesian aquifer: 50'

9. Name, address and license number of the driller engaged: [signature]

10. Give such other similar information as may be useful in carrying out the policy of this act: [signature]

Locate well or other means of development as accurately as possible on the plat.

Signature of Appropriator: [signature]

Date: 12/31/63

*As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or "through which it flows under natural pressures or is artificially withdrawn."

These copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
