STATE ENGINEER

1. Willard Paulus of P.O. Box 625 Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 11 T. 24N R. 4W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based domestic use and chemical spraying for four (4) farmers

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1931-1945; cleaned and recovered in March of 1962

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 110 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal engine driven pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater first constructed in 1931. cleaned out, and new concrete top with new withdrawal pipe installed March, 1962.

8. The depth of water table Ten (10) feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater dug well and lined with concrete walls dimensions: four (4) feet square, sixteen (16) feet deep, with concrete cover. Twenty (20) inch metal man hole, one and one half (1 1/2) inch withdrawal pipe

10. The estimated amount of groundwater withdrawn each year 300,000 gallons

11. The log of formations encountered in the drilling of each well if available none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none

Signature of Owner Willard Paulus

Date June 14, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

10 acres in lot 3 Sec. 19, T. 24 N. R. 4 W. M.P.M. owned by Carroll Maynard

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Withdrawn by pump and located 15 ft. east and 250 feet south of W 1/4 Cor. Sec. 19, T. 24 N. R. 4 W.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater June 1960

8. The depth of water table 6 1/2 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater dug well with 18" corrugated metal pipe casing dug to 9 1/2 feet deep.

10. The estimated amount of groundwater withdrawn each year 520,000 gallons

11. The log of formations encountered in the drilling of each well if available 2 feet top soil and the rest gravel to the bottom - tree hard pan.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Carroll B. Maynard

Date Dec. 11, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Dave Neelitt, of 27-7th Ave SE Liberty
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based House & Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1958 - Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 600 Gal Per Minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
6.75 16-17-18-19 - Block 20
Liberty Add. Liberty, Montana

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1958

8. The depth of water table 12ft. on 1st

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

- (1) Sankeypoint Driven - 21 ft
- (2) Sankeypoint Driven - 14 ft

10. The estimated amount of groundwater withdrawn each year 30,000 Gal per year on each well.

11. The log of formations encountered in the drilling of each well if available.
Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Dave Neelitt
Date 1-30-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. otherwise the form will be returned.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. MAY T. RICHEM, of CHOTEAU MONTANA
(Name of Appropriator) (Address) (Town)

County of TETON State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

~~1/4~~ Sec. 19 T. 24 N. R. 4 W.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based well for domestic consumption, irrigating lawn & Garden, and for livestock; the two springs for livestock use.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. The springs have been used continuously for at least 50 years; the well was dug in 1952 for domestic use and livestock, and used continuously since
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 150 gallons per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. About 2 acres to irrigate lawn, yard and garden, owned by me, May T. Richeam
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal by pump operated by a 1/2 horsepower electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well was dug in 1952 and completed in that year

8. The depth of water table. 35 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Not immediately available

10. The estimated amount of groundwater withdrawn each year. Not known

11. The log of formations encountered in the drilling of each well if available. Not known

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner May T. Richeam

Date December 29, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Joan and Vern Scott, of Choteau
(Name of Appropriator) (Address) (Town)

County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 19 T. 24 N. R. 14 W.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

The south half of lots 6, 7, 8, 9 and 10; Block 15; Hobson's Addition to Choteau, Montana

- 2. The beneficial use on which the claim is based. Lawn Irrigation
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. House was built on this location and well dug in 1957
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute). 200 Gallons per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Used to irrigate the lawn and garden on the lots described in the location; has been used during the season for this purpose continuously since 1957
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Sand point driven into ground about 20 feet, and can be pumped by either electric driven or gasoline engine driven pump.
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. This well was driven and dug in the summer of 1957
- 8. The depth of water table. 20 feet
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Sand point driven into ground 20 feet which gives adequate supply of water
- 10. The estimated amount of groundwater withdrawn each year. 218,400 Gallons
- 11. The log of formations encountered in the drilling of each well if available. Sandpoint driven through sand and gravel to water level at 20 feet.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

1. J.G. or Mabel Van Balum, of B 753 Chateau
(Name of Appropriator) (Address) (Town)

County of Helena State of Mont.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 1. lots 19-22 Hobson Block 18
- 2. lots 1-4 Hobson Block 23
in vicinity of Chateau

2. The beneficial use on which the claim is based House use & irrigating lawns

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1960 all the time

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 20 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
4 acres per each
lots 19-22 Hobson Block 18
lots 1-4 " " Block 23

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal by pump
location same as above

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Unknown

8. The depth of water table Unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Not known

10. The estimated amount of groundwater withdrawn each year 300 gallons

11. The log of formations encountered in the drilling of each well if available Not known

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec 19 24N R4W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
Culinary & Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
Oct 17 1959

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
5 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
used to irrigate lawn and garden next to the house

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
1 1/2" Elect Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
Oct 15 1959 Oct 18 1959

8. The depth of water table
8 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
5 1/2" casing 22 1/2 ft deep

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available
Surface to 4 ft. Alluvial clays
4 ft to 22 ft. Alluvial out wash
Gravel Well was celled on a valley fill
Sandstone

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner James H. Wells with

Date Feb. 31 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Thomas H. Hammond & Lydia E. Hammond, of Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 4
1/4 Sec. 30 T24N R. 4W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based. household and irrigation
- Date or approximate date of earliest beneficial use; and how continuous the use has been. 1941 - daily - continuous
- The amount of groundwater claimed (in miner's inches or gallons per minute). Well No. 1 - 750 gals. per hour; Well No. 2 - 500 gals. per hour; - #3 - 3000 gals. per hour
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Thomas H. & Lydia E. Hammond
approximately 5 acres
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Two wells in houses - irrigation well on acreage
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well #1 - 1941 - approximately 16 feet
Well #2 - 1942 - approximately 16 feet
Well #3 - 1952 - approximately 7 feet (irrigation)
- The depth of water table. seven (7) feet
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well #1 - approximately 16 feet deep - 750 gallons per hour (pump)
Well #2 - approximately 16 feet deep - 500 gallons per hour (pump)
Well #3 - approximately 7 feet deep - 3000 gallons per hour (pump)
- The estimated amount of groundwater withdrawn each year. unknown
- The log of formations encountered in the drilling of each well if available. not available
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Thomas H. Hammond
Lydia E. Hammond
Date December 20, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
