Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Roy L. Morris, of Box 921, Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

..... 1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Household, Lawn & Garden
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1958 continual use to date other well 1958 irrigation
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5+Gal, or 10+Gal for both wells.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 1/2 Lot 8, all of Lots 9, 10, 11, 12 in Block 12 Congill Addition, Choteau, Montana Roy L. Morris
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric Pump One (1) Well on Lot 9 One (1) Well on Lot 10, Congill Addition, Choteau,
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1958 Both Completed
- 8. The depth of water table Approximately 14 ft. First Water Table
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Driven Wells - 1 1/2 in Galvanized pipe on each well, Approx. 25 Feet Deep.
- 10. The estimated amount of groundwater withdrawn each year Capacity 2 Wells 7,833,600 Gal.
- 11. The log of formations encountered in the drilling of each well if available About 3 Ft. loam, 10 ft. gravel, hard pan then sand.
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Each well varies as all land in city has been flooded some time or other

Signature of Owner Roy L. Morris
Date 12-20-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

- I, Ted E. Perry, of Choteau, (Name of Appropriator) (Address) (Town)
County of Teton, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.
- The beneficial use to which water is to be applied is House and Yard (Home)
(describe lands to be benefited, if for irrigation)
- The rate of use in gallons per minute or miner's inches of groundwater claimed 10 gallons per minute
- The annual period (inclusive dates) of intended use
- The probable or intended date of first beneficial use Year round
- The probable or intended date of commencement and completion of the well* or wells* 1962
- The location, type, size and depth of well or wells* located 30 Ft.
- The probable or estimated depth of the water table or artesian aquifer 7 feet.
- Name, address and license number of the driller engaged

10. Give such other similar information as may be useful in carrying out the policy of this act.

Doc. No. 3070-33

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. KATHERINE RICHEN, of Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 24 T. 24 N. R. 5 W.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based. 2 Wells for Domestic use in house; two wells used for irrigating Gardens, Two wells used for commercial cement plant mixing
- Date or approximate date of earliest beneficial use; and how continuous the use has been. one well for house been used continuously for 25 years; the other five wells have been dug and continuously used for the past 10 years
- The amount of groundwater claimed (in miner's inches or gallons per minute). 1,200 Gallons Per minute
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 3/4 Acre of garden and lawn area owned by applicant.
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Three wells have pumps with electric motors; the other three wells are pumped by gasoline engines
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. The well at the house was dug 25 years ago; the other five wells were dug and completed in 1953.
- The depth of water table. The one at the house about 40 ft.; the others about 20 ft.
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Sandpoints have been driven down to the necessary depth to get good supply of water.
- The estimated amount of groundwater withdrawn each year. 2,864,000
- The log of formations encountered in the drilling of each well if available. Went through sand and gravel, and occasionally some hardpan
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Katherine Richen

Date December 27th, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Household Stock Water Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
#1 about 1930 Constant
#2 May 1 - 1951 8 months per year

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
#1 100 gal per minute
#2 100 gal " "

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
SW-NW-24-24N-5W-2 acres

Charles & Russell & June M Russell

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
2 Pumps & Motors - #1 at House
#2 at Barn

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
#1 about 1930
#2 May 1 1951

8. The depth of water table.
#1 pump well - 15 feet - 2nd water level
#2 pump well - 8 " 1st " "

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
#1 DRIVEN WELL - 2" Dia Pipe - 15 Feet Deep
#2 DRIVEN WELL - 2" " " 8 " "

10. The estimated amount of groundwater withdrawn each year.
#1 Pump 180,000 gals
#2 Pump 380,000 " "

11. The log of formations encountered in the drilling of each well if available.
BEING DRIVEN WELLS - THERE ARE NO RECORDS

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
NOT FOR SURE - SEVERAL FEET DIRT - GRAVEL - SAND - BOTH WELLS

Signature of Owner Charles & Russell June M Russell

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Elsie M. Tesch, of Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

pt N1/2 N.W.
1/4 Sec. 24 T. 24 R. 5 W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
household, lawn and garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been..... 1912.....
1947 normal

4. The amount of groundwater claimed (in miner's inches or gallons per minute)..... 1200

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater..... 1912 - 1947

8. The depth of water table..... 50 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater..... one 47..... one 25

10. The estimated amount of groundwater withdrawn each year..... 465,000

11. The log of formations encountered in the drilling of each well if available..... gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....

Signature of Owner..... Elsie M. Tesch

Date Dec 12, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ENGINEER

1. Fred R. Teach of Choteau
(Name of Appropriator) (Address) (Town)
County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

TRUCHOT GARDENS
TRACTS 11, 12, 13
17SWNE Sec 27 T. 24 R. 5W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Domestic
of irrigation
- 3. Date or approximate date of earliest beneficial use, and how continuous the use has been since 1950
irrigation
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 112 gal per min
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 2 acres self
- 6. The means of withdrawing such water from the group and the location of each well or other means of withdrawal Pumps
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1950 - 1 1/4" sand point, 1955 - 2-2"
sand point wells
- 8. The depth of water table approx 16'
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 3 sand point wells
1-1 1/4" domestic use
2-2" irrigation
- 10. The estimated amount of groundwater withdrawn each year 900,000
- 11. The log of formations encountered in the drilling of each well if available not available
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Fred R. Teach
Date 12/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater
Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237, Montana Session Laws, 1961)

Owner U.S. Forest Service Address Choteau

Driller Anderson Delq. Address Choteau

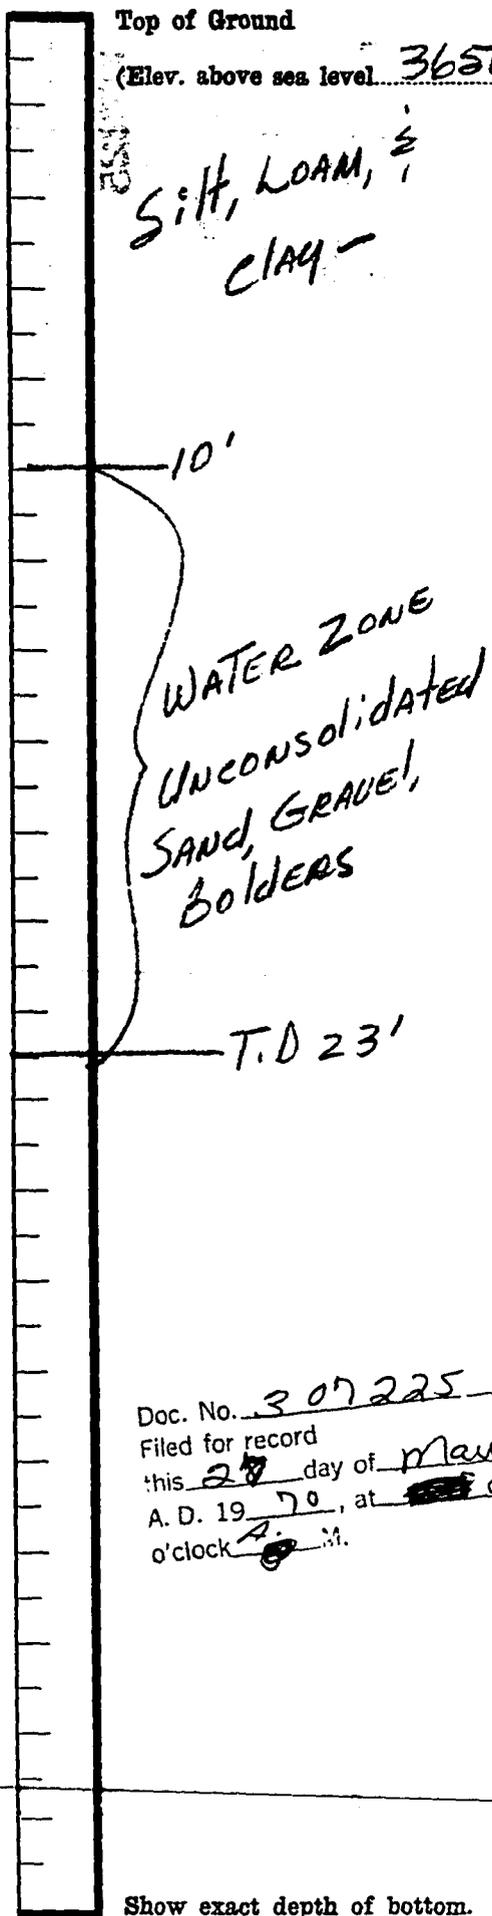

Date of Notice of appropriation of groundwater

Date well started 5/22/70 Date completed 5/26/70

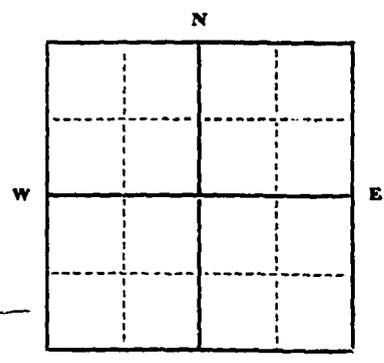

Type of well Drilled Equipment used Rotary
(Dug, driven, bored or drilled) (Churn drill, rotary or other)

Water use: Domestic Municipal Stock Irrigation
Industrial Drainage Other

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
11"	---	0	10'	Slots		
9"	6 5/8 - 17#	10'	23'	W/peck	13'	23'

Static Water Level for non-flowing well 4.9 feet.

Shut-in Pressure for Flowing Well

Pumping Water Level 6.3 feet at 60 gal. per minute.

Discharge in gal. per min. of flowing well

How Tested Pump

Length of Test 2 hrs.

Remarks: (Gravel packing, cementing, packers, type of shutoff) CEMENT GROUT OF 11" HOLE TO SURFACE

Doc. No. 307225
Filed for record this 27 day of May A. D. 1970 at 10:45 o'clock

1/4 Sec. 24 T. 24 R. 5
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE ENGINEER

1. Milton and Therese Van Auken, of 602 8th Ave. N.W. Choteau
(Name of Appropriator) (Address) (Town)

County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec. 24 T24N R. 5W.
Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based... water for use
in one family residence.

3. Date or approximate date of earliest beneficial use; and how con-
tinuous the use has been... January 1, 1957. Used
continuously since that time.

4. The amount of groundwater claimed (in miner's inches or gallons
per minute)... 5 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands
to which water has been applied and name of the owner thereof
Used to irrigate lawn and trees on Lots One,
Two and Three in Block Six of the Cowgill
Addition to the Townsite of Choteau, Montana.

6. The means of withdrawing such water from the ground and the
location of each well or other means of withdrawal...
Well is located in the basement of residence
located on above lots. Centrifical Pump is
used to pump water.

7. The date of commencement and completion of the construction of the well, wells, or other works for with-
drawal of groundwater... Sandpoint was driven January 1, 1957 and pump attached.
Water had been withdrawn from well daily since that time.

8. The depth of water table... Fifteen Feet.

9. So far as it may be availab', the type, size and depth of each well or the general specifications of any other
works for the withdrawal of groundwater.

A two-inch sandpoint was driven twenty Five feet in the ground and then
a centrifical pump that is capable of pumping 400 gallons of water per
hour was attached and is now in use.

10. The estimated amount of groundwater withdrawn each year... 150,000 Gallons.

11. The log of formations encountered in the drilling of each well if available... None Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
reference to book and page of any county record... None Available.

(Under Chapter 237, Montana Session Laws, 1961)

1. Pete Zgoda of Choteau
(Name of Appropriator) (Address) (Town)

County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T 24N R. 5W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

Lots 30, 31 & 32 of Block 21, Sherburne Add. to Townsite of Choteau, Montana.

2. The beneficial use on which the claim is based. Irrigating lawn and garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. November, 1949
Continuous since appropriation

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 20 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Lots 30, 31 & 32 of Block 21, Sherburne Addition to Townsite of Choteau, Montana - Pete Zgoda

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. 3/4 HP electric pump - sandpoint 21 ft. below basement level

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. November, 1949

8. The depth of water table. 15 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. sandpoint 21 ft. deep

10. The estimated amount of groundwater withdrawn each year. 175,000 gal.

11. The log of formations encountered in the drilling of each well if available. Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Signature of Owner X Pete Zgoda

Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

(Under Chapter 237, Montana Session Laws, 1961)

1 Robert F. And Lola M. Zion, of Choteau Montana
(Name of Appropriator) (Address) (Town)

County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 NW Sec 24 T. 24 R. 5W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Irrigation, Household use, Stock use and to fill a Swimming pool.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1956, continuous since then
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 80 gallons per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Irrigation of 1 acre of land surrounding home of the above named appropriators.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal well and pump in house pit, also a well east of the house used with a surface pump.
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Sept. 1, 1954
- 8. The depth of water table 5 feet
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 2" x 21' sandpoints
- 10. The estimated amount of groundwater withdrawn each year 2,000,000 gallons
- 11. The log of formations encountered in the drilling of each well if available solid glacial gravel
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Robert F. Zion
Lola M. Zion

Date December 19, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater Sept. 1, 1954

Robert F. Zion

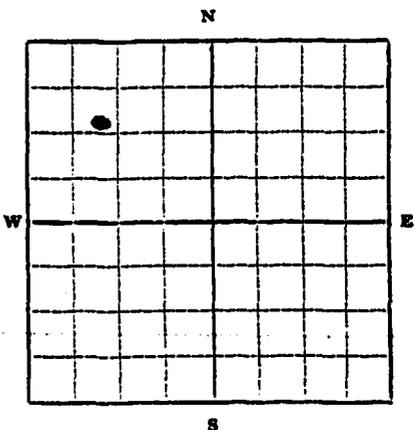

Owner Lola M. Zion Address Chateau, Mont.

Contractor (if any)

Address of Contractor

Date Started Sept. 1, 1954 Date Completed Sept. 1, 1954

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Natural spring pond in gravel strata was cleaned out to a depth of 4 feet. Water is pumped from pond. Water is about 4 feet from the level of the surrounding ground area.

No. 1/4NW Sec. 24 T. 24N R. 5W

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use This spring pond does not draw down when two 3" pumps are applied to it and is used to irrigate 4 acres of land and also stock use.

Signature of Owner Robert F. Zion
Lola M. Zion

Date December 19, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

LOG

STATE OF MONTANA ADMINISTRATOR OF GROUNDWATER CODE OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962 (Under Chapter 237, Montana Session Laws, 1961)

Owner Miss Louise Bouma Address Choteau, Mont.

Driller Ray Anderson Address Choteau, Mont.

Date of Notice of appropriation of groundwater

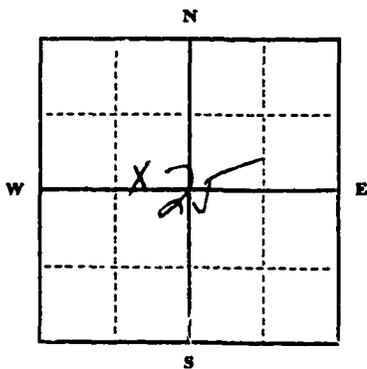

Date well started 27 Feb 1970 Date completed 1 Mar 1970

Type of well Driven Equipment used Dragline
(Dug, driven, bored or drilled) (Churn drill, rotary or other)

Water use: Domestic Municipal Stock Irrigation
Industrial Drainage Other beaver yard

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
<u>Driven 2"</u>	<u>2" Gal.</u>	<u>0</u>	<u>23'</u>	<u>drilled 1/4" holes</u>	<u>20'</u>	<u>23'</u>

Static Water Level for non-flowing well 5 feet.

Shut-in Pressure for Flowing Well

Pumping Water Level 1.0' feet at 1.0 gal. per minute.

Discharge in gal. per min. of flowing well

How Tested 1 1/2" Pump

Length of Test 4 hrs

Remarks: (Gravel packing, cementing, packers, type of shutoff)

Section 25 N. R. 5 W.
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

(Continue on reverse side)

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

Yard irrigation lot 1-4 North 1/2 5 Block 15 Serbine Add.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, L.W. and Nina Beuma, of Choteau
(Name of Appropriator) (Address) (Town)
County of Teton, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is Dwelling and Irrigation
Lots 1 thru 4, North 1/2-5, Block 15, Sherburne's Addn.
(describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed 10 gallons per minute at 10 foot depth

4. The annual period (inclusive dates) of intended use Jan. 1 thru Dec. 31

5. The probable or intended date of first beneficial use April 1, 1970

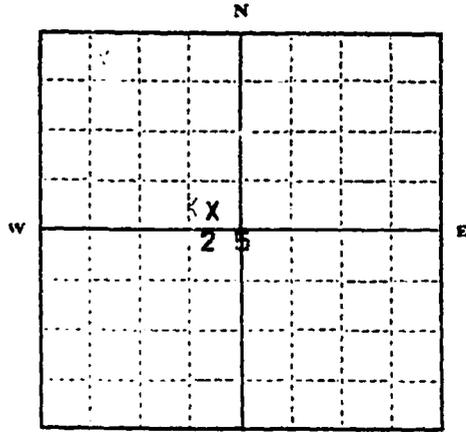

6. The probable or intended date of commencement and completion of the well* or wells* Feb'y. 27, 1970 and March 1, 1970

7. The location, type, size and depth of well or wells contemplated Lots 1 thru 4, North 1/2-5, Driven well-2" diameter and Block 15, Sherburne's Addn., Choteau, Montana. 23 feet deep.

8. The probable or estimated depth of the water table or artesian aquifer 23 feet

9. Name, address and license number of the driller engaged Ray Anderson, Choteau, Montana
Montana License #189

10. Give such other similar information as may be useful in carrying out the policy of this act.....

SE-1/4 Sec. 25 T24N R5W
Locate well or other means of development as accurately as possible on the plat.

Signature of Appropriator L.W. Beuma
Date March 1, 1970

* As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn."

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE NW 25 SE SW
4 Sec. 24 5W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
household and Lawn and Garden Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
#1 June 1950 continuous use
#2 June 1962 continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
#1 40 gal per minute
#2 40 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
1/10th acre lawn and garden irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Mayers water pump Both well No. 1 and 2 in the NW 1/4 Sec. 25; 24 5W

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
#1 June 1950 #2 June 1962

8. The depth of water table
#1 well 15ft. #2 well 30ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
#1 15 ft deep and 4" casing
#2 30 ft deep and 4" casing

10. The estimated amount of groundwater withdrawn each year
#1 90,000 gal #2 90,000gal

11. The log of formations encountered in the drilling of each well if available
None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner
Geraldine L. Schaefer
12-30-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE ENGINEER

I, Jack B. Rogers, of Choteau (Town)

County of Teton State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1964 as follows:

NW 1/4 Sec. 25 T24N R. 5W
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based Commercial Use for watering plants, flowers and trees.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been July 1, 1951. Used continuously since that time.
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) Two gallons per minute.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Lot 7 in Block 3 in Jackson's First Addition to Townsite of Choteau, Montana
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric Pump located on above lot.

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater July 1, 1951. Two inch metal pipe with electric Pump attached.
- 8. The depth of water table 8 Feet.
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Two Inch metal Pipe with sandpoint attached was driven 16 feet into the ground and is pumped with a small electric pump.
- 10. The estimated amount of groundwater withdrawn each year 300,000 Gallons of water.
- 11. The log of formations encountered in the drilling of each well if available Not Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner Jack B. Rogers
Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, James H. Ross, of Choteau,
(Name of Appropriator) (Address) (Town)

County of Teton State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 SW 1/4 Sec. 25 T. 24N R. 5W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based household and irrigation.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been April 10, 1961 - Used daily.
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 500 gal. per minute.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 364 acres in NE 1/4, SW 1/4, section 25 T 24N, R 5 W, owner James H. Ross
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump from well in NE 1/4, SW 1/4, Sec. 25 T 24N, R5W

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater April 10, 1961 completed in one day.

8. The depth of water table 18 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater sandpoint 3" in diameter, 22 ft. deep.

10. The estimated amount of groundwater withdrawn each year 300,000 gallons

11. The log of formations encountered in the drilling of each well if available not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
