STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Leonard & Dorothy Viebrock, of Choteau
   (Name of Appropriator) (Address) (Town)

   County of Teton State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based.
      Household and stock

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
      1928 periodically

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 15 gal

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
      None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
      Pump

   7. The date of commencement and completion of the construction of the wells, or other works for withdrawal of groundwater.
      NE 1/4 Sec. 28, T 26 N R 44 W

   8. The depth of water table.
      Approximately 60 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
      Drilled - 5 ft. in. steel casing. Estimated 65 feet

   10. The estimated amount of groundwater withdrawn each year.
      100,000 gal

   11. The log of formations encountered in the drilling of each well if available.
      Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
      None

   Signature of Owner

   Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

ARThUR H. & Ella G. Weist, of Choteau,
County of Teton, State of Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based - household, lawn, stock and irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been - year-around-use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ernest A. Wient, of Choteau, Montana
   (Name of Appropriator) (Address) (Town)

   County of Teton State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based—House and stock watering.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   October 1940 January 1944—June 1946—April 1948—June 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 4 gallons per minute for house and stock watering.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof where used for irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. They are flowing wells.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. The wells all flowed the time they were drilled.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   #1 — 2 1/2" casing — 84 feet
   #2 — 2 1/2" casing — 84 feet
   #3 — 4" casing — 90 feet
   #4 — 2" casing — 80 feet
   #5 — 4" casing — 120 feet
   #6 — 4" casing — 120 feet
   Continues flowing after ground.

10. The estimated amount of groundwater withdrawn each year.

11. The type of formations encountered in the drilling of each well if available.
   There was any.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county records.

**Declaration of Vested Groundwater Rights**

**Administrator of Groundwater Code**

**OFFICE OF STATE ENGINEER**

**STATE OF MONTANA**

**DECLARATION OF VESTED GROUNDWATER RIGHTS**

**Under Chapter 237, Montana Session Laws, 1961**

---

**Name of Appropriator:**

Geraldine A. Hartline

**Address:**

Collins, Montana

**County:**

Teton

**State:**

Montana

I, Geraldine A. Hartline, of Collins, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. **The beneficial use on which the claim is based:**
   - Household purposes and for irrigation of garden and yard near house.

2. **Date or approximate date of earliest beneficial use:**
   - March 15, 1961
   - Use has been continuous since March 15, 1961.

3. **The amount of groundwater claimed (in miner's inches or gallons per minute):**
   - One gallon per minute.

4. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:**
   - Not used for irrigation except for small yard and garden.

5. **The means of withdrawing such water from the ground and the location:**
   - Culvert 3 ft. in diameter placed in ground in depth of 18 ft.

6. **The depth of water table:**
   - 5 ft. below surface.

7. **The estimated amount of groundwater withdrawn each year:**
   - 100,000.00 gallons

8. **The log of formations encountered in the drilling of each well if available:**
   - No log available.

9. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**
   - Well is not a flowing well, however, said well produces a good supply of water when pumped with an electric pump.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: December 10, 1962

Owner: Orrin Knowlton, Jr.
Address: Bynum, Montana

Contractor (if any): Dave Bish
Address of Contractor: Choteau, Montana

Date Started: June 1, 1962
Date Completed: June 1, 1962

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring was dug with auger line. Measures 30 ft. by 30 ft. by 5 ft. in depth. Sub-irrigates 15 acres of SW1/4 Sec. 36.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. Spring is used for stock water the year around. This spring has 30 minor's inches from outlet 15 inches wide and 6 to 8 inches deep.

Signature of Owner: Orrin Knowlton, Jr.
Date: Dec. 19, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Alfred Bertram Guthrie Jr., of Choteau
County of Teton, State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based Domestic use only.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been July 1960 used continually since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electrical powered water pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater July 1960 commenced and completed on the same date.

8. The depth of water table 10 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 6 inch well casing sunk to a depth of 25 feet.

10. The estimated amount of groundwater withdrawn each year 20,000 gallons.

11. The log of formations encountered in the drilling of each well if available Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None.

Signature of Owner: Alfred Bertram Guthrie Jr.
Date: January 27, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Malcolm J. Lussenden
   (Name of Appropriator)
   of Box 146, Choteau
   (Address) (Town)
   County of Teton
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Stock water, and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Approximately 1900, and continuous ever since.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Unknown.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and names of the owner thereof. The acres that are irrigated are listed on the attached supplement. The owners of the land are Kalsman and Lussenden.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: This information is listed on the attached supplement.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: All were prior to 1960.

   8. The depth of water table: Seven to Twelve Feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: This information is listed on the attached supplement.

   10. The estimated amount of groundwater withdrawn each year: Unknown.

   11. The log of formations encountered in the drilling of each well if available: Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner: Malcolm J. Lussenden
   Date: December 14, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
H. W. of the S. W. ¼ of section 29. 1 well with electric pump, and 1 flowing spring for stock water and irrigation.

N. E. ¼ of the S. E. ¼ of section 27. 1 dug pit, 10 feet deep and 100 feet square, for stock water.

N. W. ¼ of the S. W. ¼ of section 10. 1 flowing spring for stock water.

E. E. ¼ of the N. E. ¼ of section 9. 1 flowing spring for stock water, and 1 irrigation. Irrigates parts of the North ¼ of section 10.

S. W. ¼ of the N. E. ¼ of section 16. 1 stock water pit, 8 feet deep, and 60 feet square.

S. W. ¼ of the N. W. ¼ of section 16. 1 flowing spring for stock water.

S. E. ¼ of the N. W. ¼ of section 21. 1 flowing spring for stock water and irrigation.

S. E. ¼ of the S. E. ¼ of section 21. 2 flowing springs for stock water, and irrigation.

S. E. ¼ of the S. E. ¼ of section 21. 1 dug pit, 12 feet deep, 40 feet square, and seven feet deep, for stock water.

S. E. ¼ of the N. W. ¼ of section 15. 1 dug pit 12 feet deep, and 70 feet square, for stock water.

N. E. ¼ of section 18. 2 flowing springs, used for stock water and irrigation of parts of sections 9 and 10, and has been used continuously since 1915.

All the above are in township 25 N., range 8 W. The amount of water used is unknown.
6. In the S. E. 1/4, of section 4, 1 well with electric pump. 1 flow-er spring for stock water and irrigation.

7. In the N. E. 1/4, of section 27, 1 dug pit, ten feet deep, and 100 feet square, for stock water.

8. In the S. W. 1/4, of section 18, 1 flowing spring for stock water.

9. In the N. W. 1/4, of section 5, 1 flowing spring for stock water, and irrigation. Irrigated parts of the N. W. 1/4, of section 5.

10. In the S. W. 1/4, of section 18, 1 stock water pit, 3 feet deep, and 100 feet square.

11. In the S. E. 1/4, of section 21, 1 flowing and dug, for stock water, and irrigation.

12. In the S. W. 1/4, of section 21, 1 flowing spring for stock water, and irrigation.

13. In the S. W. 1/4, of section 21, 1 dug pit, 3 feet deep, and 100 feet square for stock water and irrigation.

14. In the S. W. 1/4, of section 18, 1 dug pit, 11 feet deep, and 100 feet square for stock water.

15. In the S. W. 1/4, of section 18, 1 spring, and for stock water, and irrigation on parts of sections 16, 17, 18, and 19, on the northernly line, since 1872.

All the land in township 13, section 6, is unincumbered.
N. W. 1/4 of the S. W. 1/4 of section 9. 1 well with electric pump. 1 flowing spring for stock water and irrigation.

N. E. 1/4 of the S. E. of section 27. 1 dug pit, ten feet deep, and 100 feet square, for stock water.

S. W. 1/4 of the E. W. of section 10. 1 flowing spring for stock water.

N. W. 1/4 of the S. W. 1/4 of section 9. 1 flowing spring for stock water and irrigation. Irrigates parts of the S. 1/2 of section 10.

S. W. 1/4 of the E. W. of section 16. 1 stock water pit, 8 feet deep, and 60 feet square.

S. S. 1/4 of the S. W. 1/4 of section 4. 1 flowing spring for stock water.

N. W. 1/4 of the S. W. 1/4 of section 21. 1 flowing spring for stock water and irrigation.

S. W. 1/4 of the S. W. 1/4 of section 21. 2 flowing springs for stock water and irrigation.

N. E. 1/4 of the S. E. 1/4 of section 11. 1 dug pit, 4 feet deep, and 7 feet square, for stock water and irrigation.

S. E. 1/4 of the S. W. 1/4 of section 15. 1 dug pit, 12 feet deep, and 7 feet square, for stock water.

S. E. 1/4 of the section 19. 2 flowing springs used for stock water, and irrigation on parts of sections 9 and 10, which have been used continuously since 1915.

All the above are in Township 25 N., Range 3 W. The amount of water used is unknown.
