Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Walter F. Hallenberg
Address: Box 73
Town: Ethridge
County: Toole
State: Montana

This form was filed by Walter F. Hallenberg, who has appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: For watering livestock

2. The date or approximate date of earliest beneficial use: July 1, 1961

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal. per minute

4. If used for irrigation, the acreage and description of the lands to which water has been applied: 15 acres, Sec. 20, T. 32, R. 4W, Toole County

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep well head pump

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1, 1961

7. The depth of water table: 125 ft

8. The type, size and depth of each well or other works for withdrawal of groundwater: No logging, depth 125 ft

9. The estimated amount of groundwater withdrawn each year: From well 20,000 gal.

10. The log of formations encountered in the drilling of each well if available: None available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Walter F. Hallenberg
Date: December 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:
   SPRINGS (A), (B), & (C)

   2. The beneficial use on which the claim is based:
      (A), (B), & (C) Livestock watering

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been prior to 1920: Continuous use

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): (A) 5 gallons per minute; (B) 5 gallons per minute; (C) 5 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      (A), (B), & (C) Natural flow, SE 4 SW 1 of Section 34, Township 32 North, Range 4 West

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      (A), (B) & (C) Time immemorial prior to 1900

   8. The depth of water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      Not applicable

   10. The estimated amount of groundwater withdrawn each year:
        (A) 2,628,000 gallons per year; (B) 2,628,000 gallons per year; (C) 2,628,000 gallons per year

   11. The log of formations encountered in the drilling of each well if available:
        None

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
        None

   Signature of Owner: VIOLA SULLIVAN
   Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1947-1960
Owner: Edward H. Clark
Address: Box 332, Shelby
Contractor (if any): 
Address of Contractor: 
Date Started: 1947-1960
Date Completed: 1960

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

No. 1 filled by seepage from
surrounding higher ground
No. 2 filled by seepage from
surrounding higher ground

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent,
estimate approximate lengths of periods of use.

No. 1 started April 21, 1947
No. 2 started April 21, 1947
No. 3 started May 15, 1947

Signature of Owner: Edward H. Clark
Date: Dec. 20, 1960

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
