STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Date: DEC 26 1963

OSCAR DE COOT
(Name of Appropriator)
Address
(Town)
County of
State of
MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:  Watering livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Before 1920

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   One gallon per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Windmill & gas engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Before 1920

8. The depth of water table:
   200 feet deep 50 feet water in well

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Dug well, rockwell

10. The estimated amount of groundwater withdrawn each year:
   120,000 gallons

11. The log of formations encountered in the drilling of each well if available:
   None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Oscar De Coot
Date: 12/19/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPROPRIATOR: Oscar De Cock
ADDRESS: Graham
TOWN:

COUNTY: After
STATE: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. Name of Appropriator: Oscar De Cock
2. Address: Graham
3. Town: 
4. County: After
5. State: Montana

The beneficial use on which the claim is based:

- Livestock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

Before 1920

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

2 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

Month/Day/Year

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- Pump & Gas engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

Before 1920

8. The depth of water table:

22 feet deep

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

11 feet saturated 22 feet long

10. The estimated amount of groundwater withdrawn each year:

420,000 gallons

11. The log of formations encountered in the drilling of each well if available:

None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Oscar De Cock
Date: 12/20/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: May 1st 1934

Owner: John Hunter
Address: Forsyth, Montana

Contractor (if any)
Address of Contractor

Date Started: May 1st, 1934
Date Completed: June 1st, 1934

Describe means of obtaining groundwater without a well, i.e., by sub-irrigation and other natural processes. Include depth to water when applicable. Natural spring flows late fall, winter and spring, dries up in summer — will water about 100 head of cattle.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. Water for about 9 months of year, fall, winter and spring — will water about 100 head of cattle. Spring located in NE1/4, Sec. 2, T.4W., R.38E.

Signature of Owner: (John Hunter)
Date:

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Wall

(Under Chapter 237 Montana Session Laws, 1951)

Date of Appropriation of Groundwater: 1916
Owner: JOHN HUNTER  Address: Forsyth, Montana
Contractor (if any):
Address of Contractor:
Date Started: Sept. 1, 1916  Date Completed: Sept. 30, 1916

Describe means of obtaining groundwater without a well, as by sub-irrigation and other natural processes. Include depth to water when applicable. Natural spring, flows sufficient water at all times to provide 200 cattle daily.

Larger flow from small spring located in 62-16-16-W5, of Sec. 10, T. 31N, R. 32E of said sec. 10. Two springs flow together and will water at least 200 head of cattle at all times.

Quantity of water developed and used with explanation of methods used to measure or estimate such amounts. If not applicable, estimate approximate lengths of periods of use: Year round use, and will water up to 300 head of cattle.

Signature of Owner: (John Hunter)  Date: December 12, 1963.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: UNKNOWN

Owner: H. F. Patterson
Address: N/A
Contractor (if any): NONE
Address of Contractor: NONE
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.
NATURAL SPRINGS

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: H. F. Patterson
Date: Dec 28, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: May, 1941
Owner: Earl Bonine
Address: Hysham
Contractor (if any): Arvella Brumner
Address of Contractor: Harlem, Montana
Date Started: 1941
Date Completed: 1950

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

- A series of springs
- Partially developed, collected water
- In dam below, running spring below dam

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

- Each spring will run about 5 gal. per minute
- Used 6 months for 60 head of cattle per summer

Signature of Owner: Earl Bonine
Date: Dec 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Edmund J. Warren, of Tuscan

County of Tuscan State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based: Stock and domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1954 continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal./min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: COMMENCES IN JUNE, COMPLETED IN JUNE

8. The depth of water table: 20 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 2 70 ft. Deep Lin. casing

10. The estimated amount of groundwater withdrawn each year: 300,000 gal. yearly

11. The log of formations encountered in the drilling of each well if available: 6 ft. dirt 10 ft. hard sandstone Balance blue shale

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Edmund J. Warren
Date: Dec. 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

State of Montana
Administrator of Groundwater Code
Office of State Engineer

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

[Form to be filled out by the owner of a well or other means of withdrawal]

1. [Name of Appropriator], of [Address] (Address), [Town] (Town),
   County of [County], State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stocking Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1930

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   [Signature]
   Date: Dec 31, 1963

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Shallow well pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1930

8. The depth of water table: 15'-0'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Hand dug rock drilling

10. The estimated amount of groundwater withdrawn each year: 7,500,000 gal

11. The log of formations encountered in the drilling of each well if available: 15 ft. surface

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1956
Owner: Frank Dornes, P.O. Box 123, Big Horn, Montana
Contractor (if any) 
Address of Contractor 

Date Started: 
Date Completed: 

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 

Two springs flowing from the bottom of a coulee.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. This water is used 9 months out of the year. 

Method of arriving at figure was by taking number of cattle on land and their consumption - 484,875 gallons

Signature of Owner: 
Date: 12-31-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Walter W. & Beth Hammond of Big Horn, Mont.

County of Treasure State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1949 - Each Spring, Summer and Fall since 1949

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949

8. The depth of water table: 40 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Stock water well 3" hole 60 ft deep

10. The estimated amount of groundwater withdrawn each year: 700,000 gals

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Walter W. Hammond
Date: Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
