Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Prior to 1947
Owner: Montana
Address: Helena, Mont.

Contractor (if any): 
Address of Contractor: 
Date Started: Prior to 1940
Date Completed: 1947

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable:

Flowing spring out of hillside.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

Boxed springs
Water Table very close
To ground level
15 gph Per min.

Signature of Owner:  
Date: 1/31/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237. Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Jan 9, 1964
Owner: Ernestine Laggini
Address: Hysham, Montana
Contractor (if any): J. P. Fransing
Address of Contractor: Hysham, Montana
Date Started: Jan 9, 1964 Date Completed: Jan 9, 1964

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. A 10' x 15' storage tank placed 15' below surface of ground, then piped 2 mile to farm site.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. It was measured and traced at 7 gals. per minute, and will run indefinitely at that rate.

Signature of Owner: Ernestine Laggini
Date: Dec 31, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1963)

MARY H. KENNEY, of HYSHAM

County of TREASURE, State of MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based.
   DOMESTIC WATER

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   1943

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   15 GALLONS PER MIN.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   NOT APPLICABLE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   HAND PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   1943

8. The depth of water table.
   20 FT

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   25 FT 6 INCH CASING

10. The estimated amount of groundwater withdrawn each year.
    300,000 GAL

11. The log of formations encountered in the drilling of each well if available.
    CLAY AND GRAVEL

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
    NOT APPLICABLE

Signature of Owner: MARY H. KENNEY
Date: DECEMBER 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: July 15, 1946

Owner: Dewese Lackey  Address: Havre, Montana

Contractor (if any): not applicable

Address of Contractor: not applicable

Date Started: 7-15-46  Date Completed: 10-15-46

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. a natural spring improved by a concrete well or cistern 8 feet square and 8 feet deep, water carried from spring by a two inch pipe 3/4ths of a mile long to corrals and to home and to stock tanks.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use using seven and one-half (7½) gallons per minute every day of every year, measured by bailing out the cistern and timing the length of time it would take for the cistern to re-fill.

Signature of Owner: C. Lackey

Date: December 19, 1961

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

C. Ray Garverich of Hygma

County of Treasure State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

watering livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Completed August 28, 1947
used about six months out of each year thereafter

4. The amount of groundwater claimed (in miner's inches or gallons per minute) nine (9) gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump driven by an electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Commenced drilling about 21, 1947. Completed August 28, 1947

8. The depth of water table 45 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Drilled well with a seven inch hole 48 feet deep, cased with 48 feet of Type 20 & six inch galvanized pipe, water raised to 20 foot depth

10. The estimated amount of groundwater withdrawn each year 150,000 gallons per year

11. The log of formations encountered in the drilling of each well if available not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record not applicable

Signature of Owner

Date January 3, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
