Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: ANNA MBURI
Address: MYERS, MT. 59460

Driller: Charles Brant
Address: Unknown

Date of Notice of Appropriation of Groundwater: Unknown
Date well started: 1926
Date completed: 1926

Type of well drilled: Equipment: Field: Drill
(dug, driven, bored or (Churn, drill, rotary or drilled)
other)

Water Use: Domestic [X]  Municipal [ ] Other [ ] Irrigation [ ]
Industrial [ ] Drainage [ ] Stock [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 11.1 feet.
Shut-in Pressure for Flowing Well: unknown.
Pumping Water Level: no test
Discharge in gal. per min. of flowing well: not checked
How Tested: no test
Length of Test: none

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Unknown
Driller's License Number: Unknown
Driller's Signature: Unknown

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA
County of Treasure

I hereby certify that the within instrument was filed for record in this office, on the 19 day of March, 1973, at 9 o'clock A.M.

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

MARY BETTEL of MYERS

County of TREASURE State of MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

2. The beneficial use on which the claim is based

LIVESTOCK USE

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

WINTERS MOSTLY

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

4 G.A.L.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

NONE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

PUMP - ELECTRIC

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1916

8. The depth of water table

10 F.T.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

DUC - 10 FT. 2 1/2 FT. STEE CURLING

10. The estimated amount of groundwater withdrawn each year

180,000 G.A.L.

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

July 10, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

County Clerk of Montana
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Harold Zenk
(Name of Appropriate)

2. The beneficial use on which the claim is based.
   Watering Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   1939 six months each year

4. The amount of groundwater consumed (in miner's inches or gallons per minute).
   16 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   Pump & engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   Drilled well 1939

8. The depth of water table.
   112 feet deep 20 feet water

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   112 feet deep with six casing

10. The estimated amount of groundwater withdrawn each year.
    190,000 gallons

11. The log of formations encountered in the drilling of each well if available.
    None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

## NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL

Developed after January 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

### Owner

- **John Allison**

### Address

- **Hyakam**

### Date well started

- **5-8-72**

### Date well completed

- **5-8-72**

### Type of well

- **Drilled**

### Equipment used

- **Rotary**

### Water Use

- Domestic [ ]
- Municipal [ ]
- Stock [ ]
- Irrigation [ ]
- Industrial [ ]
- Drainage [ ]
- Other [ ]
- Garden/Lawn [ ]

### USE: If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e. Lot, Block and Addition).

### ESTIMATED ANNUAL WITHDRAWAL

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) __________________________
(Address) __________________________
(Town) __________________________

County of __________________________ State of __________________________

I, the above named (Appropriator), do hereby declare that I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner __________________________

Date __________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. P.R. Young
   (Name of Appropriator)
   of
   (Address)
   (Town)

   County of Treasure
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      2 wells livestock watering & Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      1912

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      - each well produces about 10 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Pumps & motors or engines

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      1912 both wells

   8. The depth of water table
      Both wells 65 feet deep, 40 feet water in each well

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Both wells have six-inch casing

  10. The estimated amount of groundwater withdrawn each year
      about 500,000 gallons both wells

  11. The log of formations encountered in the drilling of each well if available
      None available

  12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

(County)

State of

(Province)

I, Earl Bonini, have appropriated groundwater according to the Montana laws in effect on January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

MAY, 1961 4 WINTER MONTHS FOR STOCK

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

15 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

Pumped by an electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

Drilled in May, 1961

8. The depth of water table

40 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

Drilled: 8 inch steel casing, 74 feet deep

10. The estimated amount of groundwater withdrawn each year

120,000 gallons

11. The log of formations encountered in the drilling of each well if available.

not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
