Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. J. E. Grierson Company, of Treasure County, Montana State, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 Sec. 6 T. 9 N. R. 33 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Household use

3. Date or approximate date of earliest beneficial use, and how continuous the use has been used continuously since October 15, 1960

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 25 gals. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof XXXXXXXXXX

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Submerged pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Well completed Oct. 15, 1960

8. The depth of water table 30 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled 109 ft with 6" casing. 75 ft. of 1 1/2" pipe

10. The estimated amount of groundwater withdrawn each year 50,000 gals.

11. The log of formations encountered in the drilling of each well if available 0-30 eroded sandstone. 30-40 hard rock (water). 40-109 shale

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner

J. E. Grierson
Date December 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec. 5 T. 6 N. R. 34 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Livestock water well
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1900
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 gal. per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof xxxx
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump and automatic engine
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Well completed in 1900
8. The depth of water table 55 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled 185 feet with 8" casing. 132 ft. 1 1/2" pipe with 2" cylinder.
10. The estimated amount of groundwater withdrawn each year 650,000 gals.
11. The log of formations encountered in the drilling of each well if available Not available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None
