State of Montana

Administrator of Groundwater Code

Office of State Engineer

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Kichart Land Company

(Name of Appropriator)

Tampico

(Address)

(Town)

County of Valley

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Stock Springs

2. The beneficial use on which the claim is based: Stock Springs

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1920 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Natural flowing springs

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Prior to 1920

8. The depth of water table: Springs flow to surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Springs

10. The estimated amount of groundwater withdrawn each year: 10 gallons per minute year around

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Kichart Land Company

By: Signature of Owner

Mark L. Etchel

President

Date: December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

# Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

## HOWARD WITTENBERGER & ROBERT WITTENBERGER

**Name of Appropnator**: Wittmayer Bros.

**Address**: Box 762

**State of Montana**

1. File No. 7411

2. The beneficial use on which the claim is based: **Spring**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **1946 - Spring use since that date**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **100 gal. per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Pump**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **1960**

8. The depth of water table: **Surface**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **26 ft long, 16 in. wide**

10. The estimated amount of groundwater withdrawn each year: **316,000 gal.**

11. The log of formations encountered in the drilling of each well if available: **Clay and **

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

**Signature of Owner**

**Date**: Dec. 17, 1963

---

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; TriPLICATE to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropnator.

HOWARD WITTMAKER & ROBERT WITTMAKER

Wittmaaker Bros., of Box 782, Haagood
(Name of Appropriator) (Address)

County of Valley State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962 as follows:

2. The beneficial use on which the claim is based

Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

1948

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

2 Gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Piped out into trough

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1948

8. The depth of water table

Surface

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater

Round, locked walls

10. The estimated amount of groundwater withdrawn each year

Continuously

11. The log of formations encountered in the drilling of each well if available

Clay and shale

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
